Stacy Beck, a member of class '10, will leave in a few days for Oklahoma, where she has accepted a position as assistant matron. Our best wishes go with her, and we hope she will find her new work very congenial. 5-08

Stacey Beck, who went to Otoe, Oklahoma, writes that she is small boys' matron. She also states that the weather is fine, and her work is very pleasant. 508

Writes About Her Happy Home in Arizona.

Mrs. Joseph B. Hardy, formerly Miss Stacey Beck, Carlisle '10, now living at Ft. Defiance, Ariz., where her husband is agency carpenter, writes happily of "a darling baby boy a year old, fat and chubby, with light complexion and big black eyes."

We have a mental picture of Stacey with that sweet boy whom their Carlisle friends already love and would very much like to see.

Mrs. Hardy says further that they will soon have a cottage of their own where she and Joseph, Junior, are going to raise chickens.

Dear Mrs. Denney:

It will be a surprise
to you to hear from me
but never the less I am
going to write.

It has been a long time
since I have heard from
dear old Carlisle. That's my
fault tho. I was so discour-
aged at Oklahoma that
I made up my mind
to keep it to my self.
I like New Mexico

so much better. The country
and climate are great. I feel
just fine since I came. It
has not been very hot yet.
The mornings and evenings
are so nice and cool.

Martha Day works in town.
I have talked with her several
times.

Do you remember Annie
Kunz? She is Mrs. Abner
now. She is so good to me.
They have a nice little
home at Laguna. They are
going to spend their vacation
there and I am going too.
I will see several Carhielero
I guess.

Walter Sarrasino stopped
here before going on home.
Is Mrs. Fiori there? I sent
her a shirt waist and two
towels that I worked for
her. It has been over two

months and, I am afraid
she did not get them.
Will you find out for
me?

How is Mr. Denny? I
guess he is the same
old tease.

Remember me to all
my friends.

Hoping to hear from
you at a near date.

Your sincere friend
Stacy Beck.
