GEORGE—REED

CARLISLE INDIANS WEDDED HERE THIS MORNING

Pretty Nuptial Scene in St. Patrick's Church

A very pretty and impressive wedding took place this morning in St. Patrick's Roman Catholic church. The bride was Miss Margaret Reed and the groom Mr. Louis George, the former a senior and the latter a graduate of the Carlisle Indian school. The couple were married at a Nuptial Mass, Rev. Father Mark Stock officiating. The best man was Mr. John Farr, and the maid of honor, Miss Marie Beauvais. Mr. James Mumblehead and Miss Nora McFarland completed the bridal party. Mr. Maxie Luce, a former pupil of the Indian school was the usher.

The bride wore light blue silk with veil and orange blossoms. The bridesmaids were in white with veils and large bouquets. During the Mass Miss Margaret Sweeny in her charming rich soprano sang an Ave Maria. A duet the O Salutaris was finely rendered by Miss Guest and Miss Sweeney.

Among the many guests present were Superintendent and Mrs. Friedman, Miss Jennie Gaither, Miss Beach, Mr. Denny, Miss Guest and Miss Sweeney.

The church was very prettily decorated. A number of the pews were tied with large bows of white ribbon. The altar was really a picture in itself.

Mendelssohn's wedding march was very ably played as the bridal party entered and Lohengrin's as the bride and groom left the church, Miss Cecilia Shumpp being the talented organist.

After the ceremony a wedding reception was tendered the happy couple by Superintendent and Mrs. Friedman at their home at the Indian school.

The bride and groom left Carlisle on their wedding trip on the 2 o'clock Cumberland Valley train this afternoon. At the station was a crowd of Indian young men and maidens, friends of the contracting parties, who showered them with rice. Placards were posted on the carriage they occupied on the ride to the station. Mr. and Mrs. George left for Montague, California, where they will reside. They are estimable young people and a host of friends at the school and in the town extend sincere congratulations.

Mrs. Lewis George, who was formerly known here as Margaret Reed, has requested that the ARROW be sent to their new address at 711 Third Street, Eureka, California, to which place she and Lewis have recently moved from their summer's stay at Orleans, Calif. °

We are also pleased to note in Mrs. George's letter that her baby boy is now fifteen months old and that Mr. George has begun work in a new position as plumber, the trade in which he acquired proficiency while he was enrolled here.

Mr. Louis George,

711 Third St., Eureka, Calif.

My dear Sir:

It has been learned thru the Office of Indian Affairs at Washington that you owe Dr. B. S. Behney of 202 Locust Street, Harrisburg, an amount of \$31.75 for work that was done on your teeth by Dr. Behney while he was employed as dentist to do the work for students of this school. The bill seems to have been contracted in July of 1911.

It is hoped you can give the matter your attention without delay, and you should remit direct to Dr. Behney the amount he has outstanding against you. It will be well to notify the Office at Washington when you have paid the bill.

Very truly yours,

HKM.

Supervisor in Charge.

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
