Letter From Raymond Hitchcock.

We are in receipt of the following communication from one of the graduates of last year's class:

Shawnee, Okla., Sept. 19, 1910.

Dear Sir: I feel it is a duty to pen you a few lines. I have been in good health ever since I have been South, and have been working all the time until the past month. After drawing a Union card last May I have made \$20 per week. I worked in Oklahoma City during the month of July in one of the leading shops. I was on the floor and on the stone for a while. I need to study imposition a little. I held the situation on the stone very well but was not quite accurate enough. Could you mail me or inform me where I could get some rules on imposition?

Joe Porter (an ex-student) was around the other day. He became a member of the Union the same time I did. Last summer he campaigned all over the state for a man running for Congress.

Yours truly,

Dear Sir: I feel it is a duty to pen you a few lines. I have been in good health ever since I have been South, and have been working all the time until the past month. Joe Porter (an ex-student) was around the other day. He became a member of the Union the same time I did. Last summer he campaigned all over the state for a man running for Congress.

Yours truly,
RAYMOND HITCHCOCK.

The following is from a letter by Raymond Hitchcock, class 1910, a printer, who is living at Shawnee, Oklahoma: "I received the commencement copy of THE ARROW, and it turned my eyes to a pleasant background. I was glad to hear, according to their ability, more students are entering into the world's work. I was fortunate enough to recover from an unfortunate illness. I took malaria and contracted pneumonia, but now am back to the only vehicle of accomplishment—"work". I hope that the coming students will qualify and be able to weave the fabrics of their own fortunes. Every need creates a deed, and I know Carlisle will continue her good work."

Raymond Hitchcock, another Senior member of the class in printing, finished his work here at graduation exercises and left for his home in San Francisco, Cal., where he intends to make a successful printer. Raymond left with the best wishes of his printer-classmates; he is capable of doing good work and we hope he will get a good position and "stick." 516

August the 31st, 1911.

Mr. Raymond Hitchcock,
Shawnee, Oklahoma.

My dear Friend:

This is to acknowledge receipt of your favor of August the 27th, reporting that you are well and getting along very nicely. It is indeed gratifying to know that your Carlisle training has been of so much use to you and that its value is becoming the more apparent each day. I trust it will always be of use to you and that I shall hear of your continued success.

Regarding that part of your letter in which you inquire about the age limit of students, this is to advise that they cannot be enrolled here until after they have reached the age of fourteen years. Those who are twenty-one or more years of age must be granted authority by the Indian Office before they can be enrolled.

Assuring you that your assistance in the matter of procuring students is appreciated, I remain,

Your friend,

HKM.

Superintendent.

Shaunee, Okla.
Aug. 27, 1911.

Mr. Friedman:

Dear Sir:

Your application blank
for enrollment has been
received.

I have been unable
to get any applicants but
referred several to the
agent here.

I find that many are
not eligible on account of
age restrictions. One in
particular who will be
fourteen years old by the
first of the year. I would
like to know your ruling
in this one case.

Another parent asked me if his daughter could make music a speciality.

I told him that promotion relied upon the students ability to learn. And that she could utilize her time in the domestic & academic classes and then a period at music.

I am exceedingly well at present. Working with the object of advancement.

I remain

Raymond H. Cheock
