Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.
2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.
3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.
4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.
5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.
6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.
7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.
8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.
9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.
10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Katie Wolfe,

Cherokee, North Carolina.

Dear Miss Katie:

Mrs. Denny has handed me your letter to her and I must say that I am glad to know you have decided to return to the north. I know it will be better for you and that you will have more of an opportunity to make a success of your future than you would have in the vicinity of your home.

I will be glad to have you bring us the student you mentioned in your letter, but to escort only one such student we would not be justified in paying your transportation. If you can bring us a party of four or five desirable students we would pay your expenses for you.

Kindly have your Agent secure the applications of all students who desire to come with you.

Hoping that we shall soon see you again, I remain,

Your friend,

HKM.

Dear Mrs. Henry:-

I am thinking of re-
turning to one of my old
country homes, by way of
Carlisle.

One of the girls here is
very anxious to go to Carlisle,
and she may go with me.
Miss Roberts that perhaps
at least half of my fare
would be paid if I took
her. I had intended

by my own fare back
north, but if such is the
case I will be that much
to the good.

Please let no one know
of my intentions, especially
Mrs. Miller, Miss Laiter,
and Marie.

Hoping to hear from you
soon, I am, Respectfully,

Dear friend:-

Your letter relative to football tickets received. I spoke to Mr. Warner about it yesterday and he said that as you were not a regular outing pupil, we could not well supply you with a ticket. As you probably do not know, we supply free of cost, tickets to only outing students. However, Mr. Warner says that if by Wednesday we find we have any extra tickets, we will be glad to send you one.

Very truly yours
