My dear Friend:

I want to thank you for your favor of July the 24th, advising me what you have accomplished since your graduation three years ago. It is gratifying to get such letters as yours and to be assured anew that you give much of the credit for your success to the training that was given you at Carlisle.

I trust you will continue to like the work in the Navy and that you will win promotions as you continue in the service. You have my best wishes for the greatest success that can come to you.

Very truly yours,

Dear sir:

I shall write a short letter
sending my thanks and appreciation
of the June issue of "The Red man"

It surely is interesting. I have not
read it thru as I have just returned
from leave of absence granted
to the crew of this ship.

We had just arrived from
Mexican waters so you can
see that we were right glad to
step ashore once more.

I hardly have any time to visit
the school when I should,
namely; at commencement time

... being in southern
... at that time, going thru
... yearly manouvers and
tactical problems necessary to
the efficiency of the fleet. In fact
there are several divisions
of large ships and about
six divisions of the torpedoboot
destroyer class taking part in
these exercises.

I am getting along fine
left school in 1911 and a few
months later enlisted in the
navy. I like the work and
surroundings.

I managed to visit the
school around the Xmas
holidays we are then in our
home port so before going north
I drop in to remind me of
former school days.

ever holding a job
as a selectivian and wireless
since enlisting so you
can see I am contented.

Again I thank you for
sending "The Red man". I shall
subscribe for it later on at
present we are having busy
times doing repair work
and have just finished experimental
work

Hoping this will be proof
of my appreciation of the catalogue
I shall close

Very truly

A charming letter has been received from Alvin Kennedy, of whose travels since his graduation last March, his numerous friends at Carlisle will be interested to hear. He has been to Wisconsin, North Dakota, Manitoba, Saskatchewan and other provinces of northwestern Canada. He returned to his home in Killbuck, New York, in time to eat Christmas dinner with his own people. 306

A very interesting letter was received from Alvin Kennedy, Class '11, who is on the U. S. S. *Jenkins* as a wireless operator. The *Jenkins* is at present in Philippine waters, but she is expected to sail for the "States" on April 10th—"too late for me to attend the Carlisle Commencement," Alvin writes regretfully. He adds that he is getting along nicely, is well treated, and the ocean life is agreeable to him. 1913

LIKES THE NAVY.
—

A card from Alvin Kennedy, Carlisle '11, locates him now in Cuba, a "jackie" on one of our battle ships. He is getting on finely and is well-satisfied with his work having recently been promoted in position and in pay. He also expresses his regret in being unable to attend Commencement exercises this year as he will not return to the United States until April 7th.

Dear Sir:-

I shall write a short letter this p.m. Have entered the U.S. Navy and it is a fine place for healthy young fellows. I took an examination as a wireless telegraph operator and passed easily.

I hope you are getting along nicely with the small boys. There were five

warships here but three
went away to target
practise but will be back
by next week. Expect to be
shipped any day as the
Atlantic fleet is due
here by the 15th of June.

This is a fine place
in summer.

If I get a furlough
I expect to visit the school
but I can not say for
certain as it is summer
and the fleet is coming.

I give my regards to the
3 small boys

RETURNED STUDENT
PART 1
Report by Non-reservation Superintendent of Reservation School
SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student. Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Dear friend:-I am in receipt of your letter asking if it will be possible for you to secure a duplicate diploma to replace yours which has been lost. As we do not keep copies of these diplomas, the only thing I can suggest for you to do is to borrow a diploma from one of your class-mates and send here. We can then make a copy for you one one of the regular forms and you can send to the different ones who signed the diploma, for their signestures to the duplicate.

Very truly yours

Subject: Duplicate Diploma.

Sir:

I am writing in reference, towards procuring a duplicate diploma, in place of the one I lost, which I considered very unfortunate.

I completed the academic course in the year of 1911 with an excellent average, a perusal of which I hope you will avail yourself attesting to my privilege of having a duplicate one issued me.

I am at present working for the Federal Government at the Washington Navy Yard, relative to the Radio-Telegraph part of which I have followed since leaving Carlisle.

I believe it is in line with the principles as set for all boys and girls who have successfully completed the course as offered at the Carlisle Indian School,

I trust you will give this matter an impartial investigation on your part so that I may abide in your verdict with the knowledge of knowing that I may have a duplicate issued me.

Respectfully,

Alvin W. Kennedy
