9 FRED CARDIN HONORED.

Gets Scholarship in Dana's Musical
Conservatory.

For the first time in the history of Carlisle one of its students has been honored by being selected for one of the scholarships on violin by Dana's Musical Conservatory, of Warren, Ohio. The young man whose good fortune it was to receive such an honor is a graduate of the school in the Class 1912. He returned to take up post-graduate work in the Business Department and continue his studies on the violin in our own Music Department, under Mr. Stauffer, who himself is an alumnus of the Dana Conservatory. Realizing that Fred had talent for his chosen instrument, an effort was made to help him continue his study, and through the courtesy of our worthy Superintendent, Mr. Friedman, the way was opened, and the scholarship was offered by Mr. Dana.

A card from Fred tells us he is being treated with the utmost courtesy and is very happy, indeed. We hope to hear good report of him from time to time, for judging from his past efforts at Carlisle he will no doubt be a credit not only to his race but his Alma Mater as well. His host of friends wish him every success. At the meeting of the school held in the Auditorium last Friday evening, Mr. Friedman spoke in terms of highest tribute of the work of Fred Cardin while at Carlisle, and after his remarks the school gave three rousing cheers for their schoolmate, whom they were sorry to see leave, but were glad to lose if it meant his gain.

The conservatory which he has entered was founded in the year 1868 by Junius Dana, brother of Charles Dana, editor and founder of the New York *Sun*. William H. Dana, son of Junius, and present head of the conservatory, was born in 1846. His musical education was begun at Kulak's Conservatory, Berlin, and continued at the Royal Academy of Music, London. He served during the Civil War, was one of the founders of the Music Teachers' National Association, and in 1880 began a series of lecturing tours, traveling over Europe and the Arctic regions.

Dear sir:—

This letter is in regards to
next years plans. I should like to
know if you are going to finance me
for my board next year at Dana's.
I hope I am worthy - I have tried hard
to make good this year and I believe
I have made good so far as I am
able to see I have completed Dana's
Thorough Bass - will have completed
his Harmony by June and may perhaps
take up Counterpoint before school
closes perhaps you don't understand
all of this but Mr. Stauffer can
explain as far the violin I can see

a vast improvement and during
the ~~two~~ months vacation I hope to
make enough money for (~~various~~)
miscellaneous expenses next year I
was (~~worried~~) worried several times this
year about these little minor expenses.
I am very anxious to return next
year and put in the whole year
and then I will be in a position
to help myself considerable - I certainly
appreciate this years help and I hope
I may be helped another year - I trust
you will see your way clear to help
me next year. -

I am here paying Mr. Gimbel
a short visit I expect to return to
St. Arren the first of the week.
Mr. Gimbel has all the boys he
can care for at present.

I was very sorry to hear of the misunderstanding at Carlisle and I am sure if they are just everything will come out ~~all~~ alright for both you and Mr. Stauffer - Carlisle shows what you have done for her.

Well I shall close hoping to hear from you soon also hoping you will receive justice in the case ^{at} of Carlisle -

Yours obediently

Dear Sir:

This is to acknowledge receipt of your letter of the 8th inst. pertaining to the financial standing of Fred Cardin, a Quapaw Indian pupil enrolled in the Carlisle Indian School.

This young man was too young to participate in the first division of the Quapaw Reserve when each member received 200 acres of land, but was an infant when the second allotment or remainder of the Quapaw lands were allotted in severalty. In this division he received 40 acres of rough untillable land which does not bring him any revenue.

His father is an adopted Quapaw and received for his allotment undesirable lands which do not afford him but little revenue. He is a laborer in the railroad shops of the Missouri Kansas & Texas railway at Parsons, Kansas, and has a wife and several children to support, therefore is not financially situated to assist his son very materially in receiving an education.

Very respectfully,

W. H. Deane

Mr. Fred Gardin,

1301 Durr Ave., Parsons, Kans.

My dear Friend:

Since the receipt of your letter of July the 3rd I have made inquiry about the total sum yet available from the fund on which checks were drawn last year to pay your expenses at the Dana Institute and have learned that only a very small amount can be used this year. It seems that the greater part is invested in securities and that only the interest can be used, of which there is but little available.

In view of this fact you cannot depend on receiving assistance in a financial way from this school this next year.

I regret very much that such information has to be conveyed to you, but since you have already had considerable school training it is my suggestion that you now go to work with a view of saving a sufficient amount to continue with your school work whenever you have accumulated what is

-2- Mr. Fred Cardin.

required to pay for a term's or year's expenses. While the struggle will be harder that way and will take a longer time, you will have the satisfaction of knowing that you won out by your own efforts and that you have that in you which can not help but bring you success.

Mr. O. H. Lippert - Supervisor in Charge.
Carlisle Indian School.

Dear sir:-

Your last letter reached me at a very busy time the close of school was at hand and I was unable to answer in a satisfactory manner. I am home at present and better prepared to answer your letter.

I again urge you to bring this matter of paying my board ^{for next year} before the Trustees of the Fund from which I have been helped, School opens September 14th I hope to be able to enter at the beginning.

I have the scholarship for another year I hate to think of passing this splendid opportunity. Others have faith in my talents I as well and I have courage enough to believe this ~~it~~ is necessary that I have the help extended me. This year has given

me a start but another year is
necessary to give me a foothold
to help myself.

I beg of you kindly to urge this
matter and let me hear from
you. I am mailing you a copy
of one of my compositions for violin
and piano I composed the past year.

Best wishes to you and my
old Alma Mater.

Very sincerely yours
Fred Lardner.

My dear Sir:

Replying to your favor of the 21st instant, this is to state that I was compelled to write to Fred Cardin some time ago that financial aid cannot be extended him this year from this school to continue with his musical education.

It is to be regretted that such help cannot be given him, but I hope he will find some way to help himself thru school.

Dear Sir-

I am writing to you regarding Mr Cardin who was a pupil here last year. I am desirous that he be returned. The young man is talented and will in time become a superior musician. His work last year was very satisfactory, and in all particulars regarding his conduct and morals he pleased us. I am hoping that he can be with us the coming year that opens Sept. 14th

With best wishes

Mrs. Canfield
no money for expenditure funds

Aug. 4th, 1915.

My dear Mrs. Canfield:

Upon receipt of your telegram relative to the aid of which Fred Cardin is in need I had inquiry made about him and his connection with this school. The correspondence handed to me indicates that an expenditure of Government funds to bring him to Carlisle could not be justified, so I must state that any assistance which involves the expenditure of funds cannot be given.

I am having attached hereto a copy of the telegram that will go forward to you tonight and if you can suggest in what other way assistance might be given do not hesitate to let me hear from you again.

Trusting you are having a most enjoyable and profitable vacation and with sincere regards to all the Carlislars at Chautauqua, I remain,

Very respectfully,

HKM.

Acting Superintendent.

Carlisle, Pa.

My dear Mr. Sipps:

Thank you for your full letter of the 7th inst. The \$12.50 which I advanced personally to Miss Keck, who accompanied Fred Cardin to Carlisle, was for his traveling expenses, not for expenses incurred here. I wonder if that makes any difference in what you are able to do for him. In other words, this expense was incurred in taking him to your hospital and not for his living expenses here.

I can well understand, of course, that there may be no fund available for such a purpose and appreciate your willingness to give him this assistance in the hospital and your further assistance in securing him a position.

Cordially yours,

Mr. Arthur E. Bestor, President,
Chautauqua Institution,
Chautauqua, N. Y.

Dear Mr. Bestor:

Your letter of August 31st, addressed to our Mr. DeHuff, upon my return to the school, has been referred to me for reply.

Fred Cardin was at one time a pupil of this school. He graduated here some years ago and since then has been taking a course in music in some institution in Ohio. We have no funds available to pay any expenses incurred by Mr. Cardin, as he is no longer in any way connected with our school. True, we took him in and he is still here. We are glad to give him any assistance we can, and I am sorry that at the present time there are no funds available to pay expenses incurred by him while at your institution. No doubt, the young man will pay his obligations, however, as soon as he is able to go to work and earn some money. I shall be very glad to do anything I can to assist the young man in getting a position where he will be able to earn money with which to pay up his indebtedness.

Very respectfully,

Mr. David D. DeHuff,
Superintendent and Principal,
Carlisle Indian School, Carlisle, Pa.

My dear Mr. DeHuff:

I sincerely hope that by this time Mr. Fred Cordian is on the road to recovery from the attack of typhoid fever which made it necessary for him to leave Chautauqua under the charge of Miss Katherine L. Keck, from whom I have heard that he arrived safely and was in the hospital. As he had no available funds, I advanced my personal check of \$25.00 for his expenses to Carlisle. Miss Keck has returned \$12.70 of this amount as railroad ticket for Mr. Cordian was \$8.30, and two Pullman berths \$4.00, a total of \$12.30. May I inquire whether the Carlisle Indian School is in a position to repay this \$12.30 to me? Mr. Cordian was a member of our orchestra and was paid for the time which he spent here.
