INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Sept. 11th, 1914.

Miss Ernestine Venne.

St. Vincent, Minnesota.

My dear Friend:

Replying to your favor of recent date, this is to advise you that there is room here to accomodate you and the other young people you would probably bring to Carlisle with you. I have noted that you are now more than twenty-one years of age and that would necessitate your paying for your transportation to Carlisle unless you could arrange with the Superintendent of the Turtle Mountain School to be detailed to bring the party to Carlisle.

Although I am not urging any students to enroll in the Business Department at this school, and cannot guarantee that a first-class business education can be given you, our Principal Teacher advised me this morning that he could give you enough to do to keep you busy at your studies all day. I have also learned that you had made splendid progress in the Sewing Department at this school before you left, so we can probably give you the additional training you are anxious to have.

The blanks I enclose herewith are to be filled out for

-2- Miss Ernestine Venne, St. Vincent, Minn.

the transfer of the prospective students you mentioned in your letter. All applications must be approved by the Superintendent who has jurisdiction over the young people who desire to be enrolled and only those who are recommended for enrolment by the Superintendent in special definite statements can be provided with transportation. An effort is being made this year to enroll only those students whose past records indicate that they can be expected to do earnest work if they are allowed to come to Carlisle.

Hoping that I can be of further service, I remain,

Very truly yours,

HOM.

Supervisor in Charge.

(Copy to Superintendent Janus)

Ernestine Venne desires to
return to Carlisle to resume her
studies. Will you please let me
have your recommendation?

I submit herewith for your
information the letter she ad-
dressed to Mr. Lipps on the 30th
ult.

Very respectfully,

Meyer

9-10-14.

Mr. Meyer:-

She seems to have graduated in
1911. We could give her the courses
in business - typewriting, shorthand
bookkeeping, etc., etc., etc., -
quite enough to keep her busy all
day. Plenty of time yet for her to
begin. Tell her to come on.

Mr. A. H. Lippe, Supt.
Carlisle, Penna.

Dear Sir:

I am writing you in regards
to some pupils who would
like to attend school at Carlisle.
I would like to know if you
have room for them and
probably myself also. There
are seven of us.

I applied at Haskell for them
and filled out application
papers had the doctors signature
and all and they were qualified
to enter but they hadn't any
more room. These children

are very enthusiastic about attending
an Indian School and I would like
to enter them somewhere. They preferred
Haskell as they have relations there
but since they have no place for them
they have consented to go somewhere else.
I would like to go and take commercial
and finish domestic art as it wasn't
complete when I was there.

Hoping to hear from you soon in
regards to this matter

I am

Sincerely yours,
Emetrick Venn
