INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Both Ernestine and patron are highly pleased with each other. Ernestine is perfectly happy and contented and patron is completely satisfied in every respect.

Ernestine's duties are pleasant ones and her surroundings are beautiful. She is one of the family. The three daughters are young women and the companionship is very pleasing.

This is an excellent home for any one of our girls who would appreciate it.

Ernestine wishes to stay until Sept. 15th and then come in with Miss Peters.

545
Sept. 11th, 1914.

Miss Ernestine Venne,

St. Vincent, Minnesota.

My dear Friend:

Replying to your favor of recent date, this is to advise you that there is room here to accomodate you and the other young people you would probably bring to Carlisle with you. I have noted that you are now more than twenty-one years of age and that would necessitate your paying for your transportation to Carlisle unless you could arrange with the Superintendent of the Turtle Mountain School to be detailed to bring the party to Carlisle.

Although I am not urging any students to enroll in the Business Department at this school, and cannot guarantee that a first-class business education can be given you, our Principal Teacher advised me this morning that he could give you enough to do to keep you busy at your studies all day. I have also learned that you had made splendid progress in the Sewing Department at this school before you left, so we can probably give you the additional training you are anxious to have.

The blanks I enclose herewith are to be filled out for

-2- Miss Ernestine Venne, St. Vincent, Minn.

the transfer of the prospective students you mentioned in your letter. All applications must be approved by the Superintendent who has jurisdiction over the young people who desire to be enrolled and only those who are recommended for enrolment by the Superintendent in special definite statements can be provided with transportation. An effort is being made this year to enroll only those students whose past records indicate that they can be expected to do earnest work if they are allowed to come to Carlisle.

Hoping that I can be of further service, I remain,

Very truly yours,

HOM.

Supervisor in Charge.

(Copy to Superintendent Janus)

Ernestine Venne desires to return to Carlisle to resume her studies. Will you please let me have your recommendation?

I submit herewith for your information the letter she addressed to Mr. Lipps on the 30th ult.

Very respectfully,

Meyer

9-10-14.

Mr. Meyer:-

She seems to have graduated in 1911. We could give her the courses in business - typewriting, shorthand bookkeeping, etc., etc., etc., - quite enough to keep her busy all day. Plenty of time yet for her to begin. Tell her to come on.

Mr. A. H. Rippe, Supt.
Carlisle, Penna.

Dear Sir:

I am writing you in regards
to some pupils who would
like to attend school at Carlisle.
I would like to know if you
have room for them and
probably myself also. There
are seven of us.

I applied at Haskell for them
and filled out application
papers had the doctors signature
and all and they were qualified
to enter but they hadn't any
more room. These children

are very enthusiastic about attending
an Indian School and I would like
to enter them somewhere. They preferred
Waskell as they have relatives there
but since they have no place for them
they have consented to go somewhere else.
I would like to go and take commercial
and finish domestic art as it wasn't
complete when I was there.

Hoping to hear from you soon in
regards to this matter

I am

Sincerely yours,
Emetrick Venn

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
