Secretary of Carlisle,
Carlisle Pa.,

Dear Sir:-

Being desirous of getting in touch with Mr. William Gailow, the former pupil at your school, and baseball pitcher, and who had formerly been with the Boston American Base Ball Club, and later with the Lewiston, Me., team, and with whom I have been unable to communicate with, I would greatly appreciate your supplying me with his home address. I understand that he is from some reservation in Northern New York.

Trusting that I will be in receipt of an early reply, I remain,

Very truly yours,

J. Frieberg
Room 58 Journal Bldg
Boston Mass

CARLISLE WELL REPRESENTED.

Carlisle is represented by baseballists at Huntingdon, Pa., as Garlow Hanks and Simpson are on the baseball team there. Gene Hanks is captain and Garlow, released from Harrisburg, is pitcher. Simpson plays 2b. In the last game against Saxton, Garlow made 3 hits and 3 runs.

June 11th, 1915.

Mr. J. Friedberg,
Room 58, Journal Building,
Boston, Mass.

My dear Sir:

Mr. William Garlow, who is referred to in your favor of the 9th instant, was a student at the West Virginia Wesleyan College at Buckhannon, West Virginia, during the last school year.

The young man's home is at Lewiston, New York.

Very respectfully,

HKM.

Superintendent.

April 24th, 1914.

Boston Young Men's Christian Assn.,
316 Huntington Ave., Boston, Mass.

Gentlemen:

Replying to your Mr. Danner's communication of April the 22nd, regarding William Garlow who has applied to you for a room in your new Association building, this is to state that the young man had an excellent reputation at this school. I knew him personally for but a very short time, but those here who do know him have assured me that he is entirely worthy.

William was an active worker in the Young Men's Christian Association at this school and was President of the organization during the school year of 1912-1913.

Very respectfully,

HKM.

Supervisor in Charge.

INFORMATION REGARDING RETURNED STUDENTS

PART 1

REPORT BY NONRESERVATION SUPERINTENDENT ON RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. W. M. Danner, Jr.,
Boston Young Men's Christian Assn.,
Boston, Mass.

My dear Sir:

I take pleasure in stating, in reply to your inquiry of April the 22nd regarding the William Garlow who has applied to you for a room in your new building, that I have known him quite intimately for the past five years and that he has always been a gentleman in every way.

William took an active interest in the Association work at this school and led an active Christian life. I believe he would be an addition to the home life you desire to feature in your new building, and I do not hesitate to commend him.

Very truly yours,
