INFORMATION REGARDING RETURNED STUDENTS
PART I
REPORT BY NONRESERVATION SUPERINTENDENT OF RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

My dear Friend:

It has been reported to me thru the Office at Washington that you owe Dr. B. S. Behney of 202 Locust Street, Harrisburg, Pa., a balance of \$4.25 for dental work that was done for you^x at this school by Dr. Behney in October and November of 1910.

Will you please give the matter your consideration and adjust it direct with Dr. Behney? It is suggested that you notify the office when the entire matter is settled.

Very truly yours,

Miss Lida O. Wheelock,
Valentine, Arizona.

My dear Friend:

I have your letter of February the 16th, with which you transmitted a Money Order for \$4.25 to cover the balance of the account I mentioned in my letter of February the 5th. The same, together with your letter and a copy of this reply is being forwarded to the Office at Washington.

I had Mr. Miller make a list of the withdrawals by check from your account in bank here during the period of April of 1911 to June of 1914, and during that time only one check, for an amount of \$8.00, was drawn in Dr. Behney's favor. As the statements were returned to the Office I can not tell now whether that amount of \$8.00 is credited to your account. You will remember that the \$4.25 represented a balance due, as I informed you in my letter.

The matter will be checked up at the Office in Washington and you will be advised if there is any error in the account.

Hoping that you will let me hear how you are getting

O. H. Lipps;

Supervisor in Charge at
Carlisle, Pa.,

Dear Mr. Lipps;

Your letter of the 5th came as a complete surprise as I am not aware of owing Mr. Behney any money. I paid up through Mr. Miller what I thought was a settled account. However it is not my policy to withhold any money that is rightfully earned. I am enclosing \$4.20 in money order for Mr. Behney as I think it is a better plan to have the matter settled through you and thanking you for the favor.

Very Sincerely,

Lida O. Wheeler.
