INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Leila Waterman,

My dear Friend:

I have received your letter of September the 15th, in which you have made inquiry about a letter that was addressed to you at West Collingswood by your brother. Replying thereto I have to advise that there is no record of having forwarded such a letter, but since so many have to be handled daily at our Outing office it may have gone forward without any notice being taken. If the letter does not come to you within a reasonable length of time will you please write me again in regard thereto?

I will also advise that several checks and another communication were addressed to you at Perrysburg, New York, last week, and that you should apply at that office for the same.

With best wishes, I remain,

but hope that you will send
it to me at Sowanda

My dear Miss Hazard;

I've noticed that every

Would you please put my

Miss Leila Waterman,
Gowanda, New York.

My dear Friend:

Replying to the letter you addressed to Mr. Meyer at this school on June the 16th, this is to state that you would have to be examined to test your fitness for appointment to either of the positions you have mentioned. However, the usual non-competitive examination can be arranged for you.

Let me suggest that you decide which examination you want to take and then address a letter to the Commissioner of Indian Affairs stating that you would like to be examined in order that you could become eligible for an appointment. If you will then mail the letter to me it will give me an opportunity to forward it to the Office with my recommendation.

I will gladly do what I can to assist you and I trust you will not hesitate to write to me again for whatever I can do in your behalf.

Very truly yours,
