Dear Friend:

I have just received your courteous letter of July 1st about Anna Houser. It is sometimes a very difficult problem to arrange for an Indian girl in our school dormitory. The school is generally so crowded that it is necessary for each girl to have a roommate. Sometimes it is very difficult to get a stranger to room with an Indian girl, no matter how nice a girl she is. The stranger does not know her and is unfortunately and unwisely prejudiced against her. But we have to reckon with these prejudices. We have had several of your girls who have lived in the school building, and they have roomed with white girls without great difficulty, but they were rather exceptional girls. One difficulty even in those cases was that when there were Indian girls living in West Chester, they would seek each other out, would gravitate to our girl's room and by their numbers and presence in study hours and the like annoy the roommate. This has not been serious, but it has been one of our little troubles.

I think the best plan would be this, although we have never done this, but we could make an exception in this case. Let her start at least rooming by herself, and have her pay a dollar a week extra for a room by herself, until we could arrange amicably to have some other girl room with her. As soon as that was done the extra charge would stop. You see this is to protect ourselves. We want your girls. Those we have had have done well, and yet I am sure you see the practical difficulty which would arise in putting any white girl with

an entirely unknown Indian girl, especially in the absence of both parties.

I am sending our catalog and should be glad to see her here under these conditions. She ought to send her enrollment fee of five dollars quickly so as to secure the room. As you know this can be refunded at any time if she withdraws at any time before the last Monday in August.

Yours very truly,

G. M. Phillips.

INFORMATION REGARDING RETURNED STUDENTS
PART 1
REPORT BY NONRESERVATION SUPERINTENDENT OR RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

DEPARTMENT OF THE INTERIOR

July 21st, 1913.

My dear Miss Anna:

I was pleased to receive your letter of July the 16th and to learn that you desire to enter the West Chester Normal School to continue with your education. Excellent school training will be afforded you there and I will gladly do what I can to assist you in making the necessary arrangements for your entrance at the opening of the Fall term.

I am addressing a letter to Dr. Phillips today, and just as soon as I hear from him I will write you again. It can then be determined in what other way help can be given you.

Hoping that you are enjoying your vacation,
I remain,

Sincerely your friend,

Supt. M. Friedman ,

Carlisle, Pa.

Dear sir:

I have decided to attend the State Normal at Westchester ~~at~~ if you could make the arrangements for me, but if I can not get in this year ,I shall stay west.I want to pay my own way and would like to have a room at the school, and so I do not care about being in a home during the winter. This would give me more time for my studies.

I talked over this matter with you before leaving the school and you told me to write to you after I had decided.I should feel very grateful to you if you would make all necessary arrangements for me, or would you advise me to write to the authorities myself?

I should like to hear from you as it is convenient,as I ~~sh~~ should like to know definitely about the arrangements.

I remain very respectfully, *Anna Hauser,*

Miss Anna Hauser,

My dear Anna:

I attach hereto a letter that I have just received from Dr. Phillips, the Principal of the West Chester Normal School. After you have noted the contents of the same please mail it to me in the envelope herewith so that it can be placed on file at this office.

We believe that you are an exceptional girl too, and that you will not have any difficulty at all about securing a roommate after they have once had a chance to make your acquaintance. For that reason it may be well to comply with Dr. Phillips's suggestion regarding your rooming alone until you can have a roommate selected for you.

Hoping to hear soon in what other way I can assist you to make the arrangements for your entering the West Chester School, I remain, with best wishes,

Your friend,

My dear Friend:

I have your letter of August the 1st and am pleased to know that you have decided to accept Dr. Philips's offer in regard to your room at West Chester. The plan seems to be the best one and it should only be a very short time until you can select a roommate.

Complying with your request a check has been drawn on your account in Dr. Philips's favor for your entrance fee. Please sign it and then send it on to him direct. He will then notify you when you are to report to begin the year's work.

I will gladly help you further in any way that may be required, for I am anxious to see you continue with your education.

With best wishes, I remain,

Supt. M. Friedman,

Dear Sir:

Your letter received in regard to my attending the Westchester Normal School. I have ^{read} over the contents of Dr. Phillips letter and agree with him in every detail.

In regard to the entrance fee which is five dollars, I would suggest that it be sent from my account at the school. If you would see Mr. Miller about sending it, I would be very much obliged to you. I am very anxious to further my education and to prepare myself to earn my own living, and I shall try in every way to be a credit to Carlisle and to my race.

I wish to thank you for your kindly interest in helping me to get into this school and would you let me know when I should report as I want to be on time.

Respectfully,

Anna Hauser.
