Mrs. A. B. Golze,
Harberth, Pa.

Dear Madam:

A letter comes to this office from Cora Elm, one of our graduates now taking the nurses training course in the Episcopal Hospital, asking permission to take Sadie Metoxen to Philadelphia, Saturday the 17th inst., so that they may both see Ben Hur. I have written Miss Elm that if this arrangements suits you that it will be perfectly satisfactory to me. I might add that Miss Elm is one of our good reliable girls and I am sure that she will take good care of Sadie during the time she is entrusted with her. I have written Miss Elm to get into communication with you.

Very truly yours,

D:R

Superintendent.

Miss Cora Elm,

Episcopal Hosp., Philadelphia.

My dear Friend:

I have noted the contents of your letter of July the 20th and in reply thereto will state that you are entitled to receive transportation at Government expense by virtue of your three year's period of enrolment having terminated.

Just at the present time the transportation fund for this year's use has not yet become available, but if you are not going home until some time next month or later your transportation will be provided for you. You would have to come to Carlisle so that the ticket could be routed direct from Carlisle to your home.

I have heard very encouraging reports about you and I trust you will arrange so that you can return promptly to your work and studies when you have had your vacation. The profession you have selected is a splendid one for Indian girls and I want to do all I can to help you to bring your studies to a successful close.

Hoping that you will let me hear from you later just

My dear Mr. Lipps:

I am taking a course
in nursing in the Episcopal
Hospital. I entered the
Training School December
fourth 1913.

I am a graduate of
Carlisle.

The term of three years
for which I signed when

I returned to Carlisle in 1911, expires this fall.

I expect to have three weeks vacation and of course would like to visit home very much.

I am writing to find out whether it is customary for the School to pay one's transportation under such circumstances.

Kindly let me know at an early date.

Thanking you in advance
for your consideration

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Carlisle, Pa.

Dear Mr. Francis: -

The enclosed is a small picture of Miss Cora Elm which I obtained from one of the nurses in the Episcopal Hospital. I could not get one of her in the Red Cross uniform at the hospital but Miss Cleveland gave me permission to get one from the photographer taken in her uniform at the time of her graduation.

Giebert and Bacon, 1624 Chestnut St., Philadelphia are the photographers and to-day I made arrangements with them to send you a tone suitable for our Aid Man. This will be mailed you in the course of a few days. The charge will be 1.00.

The following information may be of helpful interest: -
Miss Cora Elm - Graduate of the Protestant Episcopal Hospital in the class of 1916.

Was supervisor of wards in the same hospital from that time until she sailed for France. There were 65 in the unit - 37 of these were graduate nurses of the Episcopal Hospital. Arrived in France on Christmas Day. The superintendent remarked - "Miss Elm has done so well, she has made it possible for other Carlisle girls to enter the Episcopal Hospital." Cora's address is - Miss Cora Elm, American Expeditionary Force, Unit 34, N. Y. City Postmaster.
Very respectfully Lida M. Johnston.

Mr. W. Friedman
Carlisle, Pa.

Dear Sir: Your letter
of February 1st, at hand,
and I hasten to reply
and enclose same with
Cora's report.

If it is possible I
surely want Cora to
remain with me

through the summer,
and long if I can be
so arranged.

She is as anxious to
remain as I am to
keep her.

She has gained so much
here at school as I allow
her to attend the entire
school term, taking her
final examinations
with the rest.

We are deeply attached

to each other, and both
will regret the change
when it must come.

Trusting that you
will be able to please
us both by allowing
her to remain. I remain

Yours very respectfully,
Lilac S. Truward
(Mrs. J. H. Truward)

February second.

My dear Mr. Friedman:

I received an answer
to my letter relative to
my desire to become
a trained nurse.

I wish to tell you of
my hearty appreciation
of your kind interest and
advice, and I will be glad
to do whatever you and
Dr. Allen think best.

Thanking you for your

kindness, not only in
this matter, but also
during my days at
Carlisle.

I am yours sincerely
Cora Elm.
