INFORMATION REGARDING RETURNED STUDENTS

PART 1

REPORT BY NONRESERVATION SUPERINTENDENT OF RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

My dear Sir:

This is to advise that arrangements have been made so that your daughter Myrtle can leave here on Thursday of this week with the other girls who are entitled to start for their homes on that date. Transportation for her passage to Shell Lake will be provided for her use.

It is hoped Myrtle will be appointed soon to a position in the Indian School Service, because she has had the training and experience necessary to make her a valuable employee.

Will you please let me hear from you when she has arrived at your home?

Very respectfully,

HKM.

Miss Myrtle Thomas,

Shell Lake, Wisconsin.

My dear Friend:

I thank you for the list of names you so kindly mailed to me on August the 23rd in response to my request of recent date. School literature has already been mailed to the young people you named and it is hoped they will use the blanks I have had sent to them to submit applications for their enrolment at Carlisle to Superintendent Light at the Hayward School for his consideration and approval. If the Superintendent then recommends them for enrolment I can co-operate with him to arrange as may be required to effect the transfers.

Hoping you have had a pleasant vacation and that an appointment will be offered you soon, I remain, with best wishes,

Very truly yours,

HKM.

Miss Myrtle Thomas,
Stone Lake, Wisconsin.

My dear Friend:

This is to acknowledge receipt of your letter of August the 7th and to advise you that there is no existing vacancy in the position of assistant seamstress at this school.

Miss Allen, who has been in charge of the "mending room", had asked for a transfer to some other school, but she has been advised by the Office that there is no vacancy at this time in any of the schools to which she desired to go. That will mean that she will continue with her work here.

I had hoped that an appointment would be tendered you before this time, and I am taking the liberty to write again to the Office regarding your qualifications for appointment.

Trusting that you will become located soon, I am,

Very truly yours,

My dear Friend:

Dr. Charles M. Buchanan, the Superintendent of the Tulalip Indian Agency at Tulalip, Washington, has asked me to recommend a girl for appointment to the position of assistant seamstress at the school under his jurisdiction and I have taken the liberty to refer him to you. The position pays a salary of \$500.00 per annum, but the privilege would be given you to board with the students of that school without charge. It is also quite likely that it could be arranged thru Mr. Dagenett to provide transportation for your use from your home to Tulalip if you are selected for the position.

You will probably hear from Dr. Buchanan in regard to the matter and if I can then assist you in any way let me hear from you.

With sincere regards, I remain,

Your friend,

Nov. 17th, 1914.

Dr. Charles M. Buchanan,
Superintendent, The Tulalip Agency,
Tulalip, Wash.

My dear Sir:

Referring to your circular communication of November the 11th, this is to advise that I can recommend for appointment to the position of assistant seamstress at your school Myrtle Thomas of Shell Lake, Wisconsin, a member of our last year's graduating class. Miss Thomas was a splendid student and a young lady of excellent reputation during all the time she was enrolled at Carlisle. Before she left Carlisle she passed a noncompetitive examination to test her fitness for appointment to a position as assistant seamstress in the Indian School Service and she is well fitted to do the required work in such a position.

I have taken the liberty to write to Miss Thomas relative to your inquiry and I submit herewith for your information a copy of my letter.

Very respectfully,

HKM.

Supervisor in Charge.

Dear friend:

I have the following positions of Indian assistant (female), vacant, each at \$300 per annum:

Assistant to seamstress,
Assistant (baker) to cook,

the incumbents in both of which positions would be entitled to board in the school dining room on the same conditions, etc., as the school children, i. e., at no expense.

Can you kindly recommend persons for these positions? Do not send them on but do, please, send me the necessary preliminary information about them if you have any very fitting persons in mind.

Very sincerely,

My dear Mr. Lipps:

I have your letter of December 1 in regard to transportation for Miss Myrtle Thomas from Shell Lake, Wisconsin, to Tulalip, Washington.

I am writing Miss Thomas by this mail to the effect that I will refund her railroad transportation, as you suggest.

Mr. Chas. E. Dagenett,
Supervisor of Indian Employment,
Washington, D. C.

Dear Mr. Dagenett:

Several weeks ago I recommended Myrtle Thomas of Shell Lake, Wisconsin, a member of our last year's graduating class, to Dr. Buchanan of the Tulalip School in Washington for the position of assistant seamstress at the school under his jurisdiction. I have now been advised by Dr. Buchanan that he has taken the matter into consideration with Myrtle and by her that she is to report for duty at Tulalip without delay.

In view of the fact that the position pays but \$300.00 a year salary I took the liberty to notify Myrtle that her transportation from Shell Lake to Tulalip could probably be provided for her thru your office. If such an arrangement can now be made will you please give the matter your consideration. I enclose herewith a copy of the letter that has just been addressed to Myrtle.

Assuring you that anything that can be done for the young lady will be appreciated and feeling confident that she will prove herself as excellent an employee as she was

My dear Friend:

I was pleased to note in your letter of November the 29th that Dr. Buchanan of the Tulalip School has selected you for the position of assistant seamstress at the school under his jurisdiction. In a letter from the Doctor similar favorable news was conveyed to me.

A letter is going forward to Mr. Dagenett this day, requesting that transportation be placed for your use from Shell Lake to Tulalip if such an arrangement can be made. If Mr. Dagenett cannot provide your transportation for you you can rest assured that he will notify you without delay, either direct or thru me.

My dear Sir:

In the absence from Carlisle of Mr. Lipps I take this liberty to acknowledge receipt of your letter of November the 23rd, advising that you would take up with Miss Myrtle Thomas of Shell Lake, Wisconsin, the matter of being appointed to the position of assistant seamstress at the school under your jurisdiction.

It has just been learned from Miss Thomas that you have offered her the position and that you desire to have her report for duty without delay. The liberty had been taken to advise her that her transportation to Tulalip could probably be provided thru the assistance of Mr. Dagenett, the Supervisor of Indian Employment, and as a request for the transportation has already been forwarded to Mr. Dagenett's office Miss Thomas will probably be advised in a day or two whether she may expect to receive the desired help.

It is hoped she can report to you soon for duty and that she will prove herself as desirable an employee as she was a splendid student here.

I was very glad to get your letter of Dec. 21st and to note that you like your work and that you are getting along nicely in your new position. I am sure you will find Dr. Buchanan kind and patient and I expect to hear good reports from you.
