## INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 908.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Dear Mr. Lipps:

I wish to thank you for your letter of June 22, 1915, with information concerning Frank Holmes. I desire to make a careful selection of pupils for the business department, as we have so many applicants, and your letter will be of assistance to me.

Dear Mr. Wise:

During the seven months Frank Holmes was enrolled at Carlisle he did good work and made a satisfactory record. Replying, therefore, to your favor of the 12th instant I do not hesitate to advise that I know of no reason why he should not make a very good student in the department he is anxious to enter at the Haskell Institute.

Very truly yours,

Sept. 8th, 1916.

Mr. Frank Holmes,  
Keshena, Wisconsin.

My dear Friend:

I have received your letter of the 5th instant with reference to your desire to be selected to take work in the Ford Motor Company's factory in Detroit, Michigan, and can state in reply thereto that such a privilege may be allowed you if you have completed the work prescribed at the Haskell Institute. That matter must be taken into consideration because you could not be selected for the special work in the Ford factory until you had prepared here for six months or longer, which would necessitate your reenrolment. Those of our boys who are selected to go to Detroit remain under our jurisdiction under the outing system and are students in the same way as are all other boys and girls who go to outing homes during the vacation months.

A blank upon which to submit an application for your reenrolment to your Superintendent for approval is being enclosed herewith and upon receipt of a recommendation from his office I can advise you further.

Very truly yours,

HEM.

Dear Sir:-

Hearing that you were arranging to send a number of boys to the Ford Automobile works this fall I would like to have you use your influence in securing me a place at Detroit.

I was graduated from Carlisle in 1914 and left with a good reputation, which I have upheld since. If you wish to learn further about my character I am sure Superintendent P. S. Everett of Ashland, Wis., will be able to enlighten you.

Thanking you in advance for any effort you may make to help me and awaiting your early reply,  
I am

Mr. O. H. Lipps,  
Sup't. Carlisle Indian School,  
Carlisle, Penna.

Dear Friend:

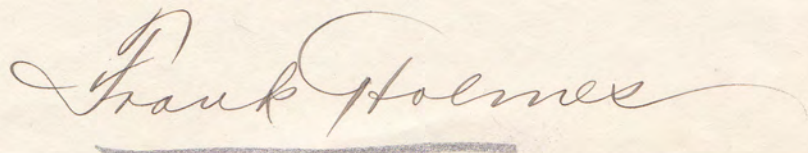

I have your letter of the 8th instant, enclosing application blanks for re-enrollment at Carlisle, stating also that no action could be taken on your part unless I was a student or was being carried under the outing system.

It it is possible for me to re-enter Carlisle as a student I can see no reason for filling out the blanks, as my original contract called for an enrollment of five years and I was in attendance a little more than six months.

I realize that I have passed the age allowed by Government, for enrollment and I feel that any attempt to enroll would be futile, as the Commissioner only allowed me one year at Haskell, insisting that I finish in that time, which I did.

I had hoped that you would recommend me to some factory on the strength of my record, made while a student at Carlisle and regret exceedingly that you are unable to do so. With best wishes for a successful year, I am

Very respectfully,

  
Frank Holmes
