INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

La Pointe Agency,

Ashland, Wis.

Dear Sir:-

I am writing to you in regard to Mary Raiche
a pupil from your agency.

Mary is now attending the West Chester State
Normal School and of course there will be some expenses
connected therewith. One immediate expense is her enrol-
ment fee, \$5.00.

She was under the outing this summer and earned
some but she had to draw upon this for some immediate needs
so the balance is rather small. She will not be in a position
to earn any money again until next summer.

I would like to know if she has any funds to her
credit from which it would be possible to draw for her ex-
penses while in the Normal. The enrolment fee should be
paid as soon as possible.

I enclose a copy of a letter to her mother.

Very truly yours,

Acting Superintendent.

Dear Supt. Lipps:

I enclose receipt for your check with our
thanks. Mary Raiche is to be here this afternoon and
I will speak to her about State Aid and see if we cannot plan
that.

I am very much pleased with the girls you
have here and especially with Miss Johnston who seems to be
very greatly interested and efficient in placing the girls.

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mrs. Veronica Holiday Raiche,

Odansh, Wis.,

Dear Mrs. Raiche:-

I am writing to you in regard to your daughter Mary who is now attending the West Chester State Normal School.

When entering the Normal Mary availed herself of the privilege open to students who agree to teach a certain term in the State of Pennsylvania, thereby receiving State Aid. In other words, there is no charge for her tuition because of her agreement to teach in Pennsylvania but there is an enrolment fee of \$5.00 which she will have to pay and should be paid soon.

She earned some money this summer under the outing but she had to draw upon it for other expenses. She has now but a small amount in the bank upon which to draw.

I would be pleased if you could send some to be placed to her credit or at least send the enrolment fee to me. She will not be in a position to earn any more money until next summer.

Mary is doing well at the Normal and I hope she will be able to continue.

Very truly yours,

Acting Superintendent.

My dear Mary:

I have your letter asking me to help you pay your book bill for this term. The fund from which I have been paying the bills for the Normal girls is getting very low but I will be glad to help you pay this bill and will send a check to Dr. Phillips within the next few days.

While I realize that you are intensely interested in your school work and in completing the course as soon as possible, I want to call your attention to this fact, that you must not forget that you have certain obligations. You should remember that while you are working for your board, you cannot consider self and self interests entirely. There are things which you should deny yourself so that you can help your country mother more. You should always remember that while in her home you are subject to her wishes and that you should never do anything without first consulting her. I hope this little word of advice will help you to think more of the wishes of those about you

Miss Raiche -2

and not so much about yourself.

Dear Mr. Lipps: -

I am again writing to ask your aid. Could you use some of that fund you intended to use for my tuition here and pay my bookbills until I feel able to do it. My book bill for this term is exceedingly large, due to my chemistry laboratory fee of \$5.00 and then I had to buy two French books, my chemistry text and also chemistry manual.

I certainly appreciated the stationary you sent me and all I had to buy in the line of paper was note book paper.

The prospects of my being a Junior this year are a little brighter, and if I can only get thru this year without

unking, ^{anything} I think everything will
be smooth and easy sailing.

I enjoy reading the Editorials
you insert in the Arrow, ~~there~~
certainly is some good advice
in them.

I must close now, and
get to my lessons.

I hope you will help me
in this matter.

Sincerely,

Dear Madam:--

I regret that it is impossible to help Mary pay her bills at the Normal School for the reason that the funds from which these bills have heretofore been paid, is about used up. I would dislike very much to have Mary quit school now as she seems to be doing so well but if it is necessary for her to do so because of the lack of funds, I would suggest that she teach for a year or two until she had earned the where-with-al, to see her through. Besides giving her the actual experience which would be a help to her in her future training for a teacher, it might help her to appreciate and take care of her money more than probably she has done in the past. She is still very young and can do this without feeling much the loss in time.

I was so glad we had a little pep
at the yesterday - especially as it proved
that I could be of some use to the.

I have made inquiry about Buck Hill
and find that the will get all information
the may desire - by writing to Charles
Thompson - Buck Hill Falls Hotel -

Monroe Co. Pa. - He has the general
oversight of every department and if he cannot
answer just what the wants to know - he
will refer the to the proper head of depart-
ment. The said the wanted to go up and

see the place - if so - the goes from
Broad St. Station - via Trenton - to Coates
on Delaware - Lackawanna & Western RR -

The fare to Pocom (2 stations further on)
is 6.15 I think - as it would be a little

less than 6.00 and the will find it a lovely
ride along the Delaware river as far as
Del. Water Gap. Then you commence to climb

the Mt. I shall be glad to hear how the
ride along - I saw again this evening - will
spring over come. Very sincerely,

West Chester, Pa.

My dear Mrs. Martindale:-

Mary Raiche has written to the school of her plans for the coming summer. Those in charge of the cutting have given the matter consideration and have decided to allow Mary to go ahead with her plans, provided such plans meet with your approval.

We have considered carefully the "Instructions" a copy of which Mary sent here. Those in charge of the Buck Hill Inn seem to have provided well for their waitresses and it seems to me Mary would be as well ~~cared~~ for there as she would be in almost any private family.

If her choice of work meets with your approval, will you please assist her in making out the contract so that she may get this in at the time designated.

You can let me know just when Mary expects to take up her new work and I will arrange to send you another girl to replace her.

Very truly yours

Dear Miss Johnston,

I am writing this to ask you if you have inquired about Buck Hill yet. I wish I could see you, as I

must know right away whether I can go or not. I have received my contract but I must sign a return before the 12th of this month if I want the job.

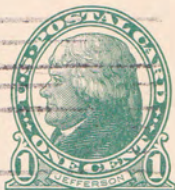

sincerely

Dear Mrs Denny;

I am writing this to ask your advice and also your permission about a plan I have thought of for this summer.

Untill lately, I had fully planned to go home this summer, and tho' it is hard to stay away so long, I have decided to stay on another year.

As you know, I expect to be a senior here next year, and that means that I must have some money to my credit, for the expenses will be many.

I did not know what to do, untill someone suggested that I write to the Sun at Buckhill Halls, and see if

they had anything for me to
do, ~~no~~ another girl from the
Normal and I wrote not
thinking that we would
be considered as we are
both inexperienced in writing
table. However the other
day we got our contracts.
I spoke about the place, to
Miss Johnston when she was
here and she said she would
find out about it, since
then I have heard nothing.
It is a very quiet refined
place conducted by Quakers.
The wages are \$15.00 ^{month} and your
tips. One of the girls from
the Normal cleared \$65.00
last summer, besides
spending quite a little. It
would be wonderful if I
could save that much
and if I earn it, you bet

Dear friend:

Replying to your letter relative to returning home I have to advise that I can do nothing for you until your parents write to me regarding their wishes.

Will you please write to your mother to get into communication with me relative to what she wants you to do and I will then take up the matter.

Very truly yours,

Mr Francis:—

I have just received a letter from my parents and they request that both Margaret and I come home this summer. As it is three years since I left home, they feel that I ought to return, and I would like to comply with their wishes.

This will necessitate the changing of my plans for Buckhill. I had ^{hoped} to be able to take my sister Margaret with me, to fill the place of my girl friend, who will be unable to go. I was going to ask your permission to allow her to go, when this

letter from home came.

I would like to return in the fall and graduate. I was speaking to Professor Newman, the Dean of the Normal and he thinks it would be best for me to teach two years in the public schools of this State, instead of paying back my tuition. He is sure I can get a school. I think this a good suggestion and if I return in the fall, I will do this.

I trust you will act as you think best, in this matter, and let me know your decision at your earliest convenience.

Sincerely,
Mary M. Raiche

Dear Madam:

I have had a letter from Dr. Phillips at the Normal School, saying that Mary has several conditions and can make them up if she will remain at West Chester and take the summer school work.

I have written Miss Johnston, the outing agent, to see Mary and together let them decide what seems best to do. It seems to me that since Mary will have just one more year before she finishes at the Normal it would be best for her to give up the idea of going home until next summer. Margaret is waiting her sister's decision and will be guided by whatever Mary does. If Mary decides to stay in West Chester we can arrange for an outing home for Margaret in the same town so that they may be together. There is a splendid High School in West Chester where Margaret can attend school next year if she decides to stay with Mary.

Dear Sir:-

Replying to your letter of the 3rd inst. relative to one of our Catholic graduates who might be able to take a position of teacher of primary grades, I have to say that the one who would seem best fitted for this position would be Miss Mary Ralche of Odanah, Wisconsin. Mary graduated here in 1915 and up until last June, continued her education at the West Chester State Normal School, Pennsylvania and would have finished this coming summer, had she remained there.

You will find Mary suitable for the position. She is attractive in appearance, smart, has a pleasing disposition and would be well liked by children. She is now with her mother at Odanah.

Very truly yours

Dear Sir:

Do you know of any of your Catholic girls who have graduated from Carlisle that you could recommend for a position of teacher of primary grades? We have a vacancy in the Anadarko Boarding School that we should like to fill with some good Indian girl. The position pays \$540.00 and the work will be very pleasant.

Very truly yours,
