Miss Cora M. Battice,
Prague, Okla.

My dear Friend:

I have received your letter of the 26th instant and have noted that you desire to qualify for appointment to a position as matron in the Indian School Service. I am glad to know you have come to such a decision and assure you that I will do what I can to secure favorable consideration of your application.

In order to become qualified for such an appointment it will be necessary for you to take a non-competitive examination and I am taking the liberty to ask the Office at Washington to have such an examination authorized to be held at Prague or Superintendent Johnson's office at Stroud. The Civil Service Commission will probably correspond with you direct just as soon as my request for an examination is submitted by the Office. As there is yet ample time to take the examination and then for consideration of your qualifications there is no reason why an appointment can not be offered you before the opening of the next school

year in September.

Hoping you will keep me informed what progress is being made about your examination and that you will let me know in what other way I can be of help, I am,

Very truly yours,

HKM.

Superintendent.

June 26, 1916.

Mr. O. H. Lipps
Carlisle, Pa.

Dear Sir:

In thinking over what I should do I have come to the conclusion to enter the service as a matron. And if you can assist me in any way I will do my best to be a success. My choice would be a place either in Oklahoma or Wisconsin. But that is not so important as having a place.

I have been busy helping my mother with her house-work. She has so much outside work to do.

My best wishes is for the school.

Respectfully

Cora M. Battie.

Hoping that this delayed reply has not been an inconvenience to your office, I am,

RETURNED STUDENT
PART 1
Report by Non-reservation Superintendent or Reservation School Principal
SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken..

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

PART 1

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. 8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Dear friend;

This is certainly a beautiful place. I feel so much better already. The Lake especially, I think is beautiful. There is so much going on that time passes swiftly.

I wish to take up two more courses mathematics and algebra. I am now taking up

Home Cookery, which is
\$15.00 for six wks. I wish
also, to go to see the
Niagra Falls when the
employees here go, as
this may be the last
good chance I'll have.

There are other places
I wish to visit too. So
I want some money.

There are other, enter-
tainments which require
a special fee to attend.
In fact it is expensive
to be here but it is
a great help as I
am learning some

something every day.
So, please, send me
\$50.00.

We are having a
pleasant time and in
good health.

Trusting everyone

Dear Friend:

I am glad to know that you have found Chautauqua such an interesting and instructive place. While you are studying you want to avoid working too hard. It is the tendency for people going to a Chautauqua for the first time to do too much. The tendency is to go to all the lectures and entertainments. It would be well for you to take the advice of Miss McDowell or some of the other old Chautauquains and let them help you plan your program for each day. I am glad to know that you are also planning to take advantage of the special excursions to the interesting points around Chautauqua.

I enclose herewith a check for \$50.00 from your account in compliance with your request.

Take good care of it and spend it only for things
which you need.

With kind regards, I am

My dear Friend:

On the 2nd instant there was received here from Shawnee, Oklahoma, a telegram that had become very much mixed up in the sending and when it was repeated we could only guess that your presence at home was desired because of your mother's illness. Superintendent Green was asked to wire further particulars and nothing definite could be learned from him. However, I have just received another telegram from the Shawnee Agency to the effect that your mother is ill.

You will probably want to go home and if you will wire me upon receipt of this letter it will be arranged at once to have transportation made available for your use at such point you may designate.

My dear Friend:

Upon receipt of your letter of the 21st instant I had inquiry made about the amount of money yet to your credit in our school bank and learned to my great surprise that you have expended more than four hundred dollars of the total amount that was made available here especially to pay for expenses necessarily incurred in continuing with your education. You can readily see that an immediate halt must be called or the amount that will be left after your return transportation to Carlisle is paid will not last thru many months of school. Therefore, before your request for an amount of \$100.00 to pay for comforts for your mother is given consideration I must have a recommendation from Superintendent Johnson of the Sac and Fox Agency that will justify me in having a check for that amount sent to you. I want to do all I can to help you and your mother, but I believe I should state frankly that you have spent your money too rapidly and that you will find it is all

gone before you have completed the education for which it was to provide.

A ticket for your use is being placed at Shawnee as you requested and upon your return here you can sign a check to pay for the same.

Assuring you that it is good news to hear that you found your mother greatly improved and that you may be expected to return to Carlisle soon, I am,

I acknowledge receipt of carbon copy of a letter written Cora Battice dated August 25th 1915, signed by John D. DeHuff, acting superintendent.

With reference thereto I desire to advise you that the mother of Cora Battice needs no assistance from her. The mother is much better off financially than is Cora.

Mr. Horace J. Johnson,
Superintendent, Sac and Fox Agency,
Stroud, Okla.

My dear Sir:

I thank you for your letter of the 8th instant and for the definite recommendation that is contained therein. Accordingly, I am having enclosed herewith a ten dollar check for Cora Battice's use.

Cora has been far too extravagant and must be a great deal more careful in the use of her money if she expects to prepare herself with what is left here to gain an independent earning power.

I hope she will make up her mind to come on soon to begin the work she has planned to take this year.

Very truly yours,

Encl.

Superintendent at Carlisle,
Carlisle, Pa.

Dear Sir:

I am in receipt from Cora Battice of a letter dated September 3d., 1915, asking that I help her to get \$35.00 from you from her bank account to pay incidental expenses in coming to Carlisle.

I judge from a carbon copy of a letter written by you to Miss Battice which carbon copy was furnished me by you that she has been somewhat extravagant in the use of her funds during the last year. Consequently, I do not know whether or not, you wish to send her money for the purpose for which she requests it.

It is my opinion that \$35.00 is more than she needs for the purpose indicated, and I would ^{not} recommend that she be furnished this amount. I would though while not intending to dictate to you as to the use of her money recommend that she be furnished with ~~a~~ small amount say \$8.00 or \$10.00 with which to purchase sleeping care fare and meals enroute from Shawnee, Oklahoma, to Carlisle, Pa.

Very respectfully,

Should he receive assistance to find employment? _____

At what employment do you think he would do best? _____

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mrs. Rosa Appletree,

R. F. D. 1, Prague, Okla.

My dear Madam:

Your daughter, Cora Battise, has been given permission to go home for the summer months and it will be arranged so that she can leave here on Tuesday evening of next week with the other girls who are to start then for their homes.

At her request a ticket for her use to Lawrence, Kansas, will be procured, as she desires to stop at the Haskell Institute there for a visit.

Cora has been taking High School work in the Borough Schools in Carlisle this year and I trust it can be arranged so that she can continue with her studies at the opening of the next school year.

Please let me hear from you when she has arrived at your home.

Very truly yours,

My dear Friend:

I have noted the information contained in your letter of August the 25th and am sorry to learn that at present there are no prospects of it becoming possible to have you return to Carlisle to complete the additional year's work that is required before you can be given a diploma.

I do not know how I can assist you except as I suggested in my former letter, so it will be well for you to keep in close touch with Superintendent Johnson because an opportunity may yet present itself whereby you can be furnished transportation to Carlisle.

I extend you my best wishes.

So I shall not be able to return to Carlisle. Altho it has always been my one wish to graduate at Carlisle.

Miss Cora M. Battico,

R. F. D. 1, Prague, Okla.

My dear Friend:

I was pleased to receive your letter of August the 2nd and to learn that your health is very much better than it was during the greater part of last month. It is to be regretted that so much of your vacation at home had to be spoiled by sickness, but it is hoped you will have regained your usual strength when it is time for you to return to Carlisle.

Regarding transportation for your return I can only state that it cannot be paid for from government funds unless you can be detailed by Superintendent Johnson to act as escort to a party of girls and boys enroute to Carlisle.

I believe it would be well for you to see Mr. Johnson without delay so that he can co-operate with you to make it possible for you to return here to complete the work of the Senior year. If you cannot be detailed as an escort I trust there will be some other way by which you can get here

Supervisor in Charge,
Carlisle Indian School,

Dear Sir, -

In your communication of the 12th, inst, the same being a reply to my letter of the 6th, inst., I note that Cora Battice, a Sac and Fox pupil of this jurisdiction, has reenrolled in your institution. In order that our files may be kept as near complete as possible, I shall be pleased to have you forward me the duplicate of Miss Battice's application, the same showing the completion of the Physician's examination certificate.

Thanking you in advance for this trouble, I am,

Miss Cora M. Battice,

My Friend,

Replying to your letter of the 10th,

I have to advise you I have this day transferred all your money to your Agent Mr. Johnson. The amount is \$283.44.

You can now apply to him for what money you need.

Your friend,

W.H.M.

Superintendent.

Prague, Okla.,
Aug., 10, 1916.

Mr. D. H. Lipps
Carlisle, Pa.

Dear Sir,

I am getting ready
to take my examinations,
and find that I will
have to take them at
Shawnee. We live some
distance from there
and it will be necessary
for me to stay there
while I take the exam-
inations and fill out

other blanks. I will
therefore need money for
that purpose and I also
wish to make other
small and necessary
purchases. So, please,
send me Twenty - dollars
(\$20) in care of Mr. H. J.
Johnson, Stroud, Okla.,
my agent.

Until I received the
money I cannot take
or do any thing. It will
be inconvenient for me
to go from home each

day.

We have had so much sickness in our family that we have been busy not having much time to go elsewhere. We are now on the road to recovery.

I hope all Carlisle is well,

Best wishes

Respectfully

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
