SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

Your letter saying that you have not heard from Ella all summer and would like to know where she is, has just been received.

I have to advise that Ella returned to this school from her outing home the latter part of June and has been here all summer. Soon after she returned to the school she contracted a case of chicken pox, but recovered in due time and is in good health and spirits now. I have notified her to write you at her earliest convenience.

She is planning to resume her work in the High School at Narberth, Pa., this coming fall and she will leave Carlisle for that point on September 3rd.

Trusting that this information is satisfactory and assuring you that Ella is well and happy, I am,

Very truly yours,

I am glad to know that you like your home, and you are getting along nicely in school. Miss Johnston has been detailed to travel in the West in the interests of new pupils for our school. She will return to Carlisle before long and will go out to visit her outing girls.

as I'm sure they'll never come
again.

Mr. Francis it has always
been my ambition to be a
teacher especially among my
own people, where there's such
a need of good teachers. For
that reason, I would have liked
to go to West Chester, but I've
thought the matter over carefully

and decided it would be better
for me to go home and attend
the Northeastern State Normal in
Sahlequah. For, at West Chester,
the tuition alone for those who
do not teach in Pennsylvania
is eighty-five dollars, and as
the income off my land is
only one hundred and twenty-
five dollars a year, I don't
think I could afford it. I have
never received the full income.

Mr. Perry, the rector, just sends
me money as I need it. I
think I received not over
forty dollars last year and
my father or brother spent

the rest. I asked for \$25.00
last year and my father
he couldn't spare it. He ^{at} ^{le} ^{could}
very strong, as he had a par-
stroke the first winter I was
out here, and hasn't recovered
his full strength although
he's able to work. However
I'd like to have at least eighty
five or ninety dollars this year
to pay my fare home and my
expenses for graduating. I
thought that as soon as I finish
here next June I'd go home
and attend the summer session
in the North eastern State Normal
Then in August I could take

And as the school

could finish up my
normal course that way. These
are my plans, but I shall act

I'm sure you will know

Dear Mr. Francis,

Our pupil, Ella Israel, has been in receipt of a number of communications- which I enclose- and in a quandary as to what to do- appealed to us.

While she had been informed sometime ago- of some ownership in land- she has no idea of its extent or value. We explained to her that the School authorities- would best safe-guard her interest- and induced her to permit us writing you direct. Will you kindly place the matter in the proper channels for her further information, and oblige,

Yours very truly,

Dear Ella:-

The following is a copy of a letter which
I received this morning from Mr. Wily relative to
the land sale about which you wanted to know,-

" Referring to your letter of October
26, in which it is stated that Ella Israel
has received a letter from Mr. E. W. Purdy of
Salina, with reference to purchasing her
interest in a piece of land in McIntosh
County, I have to advise that this matter
was referred to Field Clerk Chandler at
Locust Grove and later to Mr. Keith, the
Field Clerk at Muskegee.

From the reports of the Field Clerks
it does not appear that there is any pressing
need for the sale of the land at this time,
especially since Ella's expenses of educating
herself amount to practically nothing. I would
therefore advise that the land be not sold at
this time. "

Very truly yours

Superintendent.

OFFICE OF THE SUPERVISOR OF SCHOOLS
FIVE CIVILIZED TRIBES

MUSKOGEE, OKLAHOMA. Dec.17,1917.

Supt. John Francis, Jr.,
U.S. Indian School,
Carlisle, Pa.

Dear Mr. Francis:

Referring to your letter of Oct.26, in which it is stated that Ella Israel has received a letter from Mr. E. W. Purdy, of Salina, with reference to purchasing her interest in a piece of land in McIntosh County, I have to advise that this matter was referred to Field Clerk Chandler at Locust Grove and later to Mr. Keith, the Field Clerk at Muskogee.

From the reports of the Field Clerks it does not appear that there is any pressing need for the sale of the land at this time, especially since Ella's expenses of educating herself amount to practically nothing. I would therefore advise that the land be not sold at this time.

Very truly yours,

A. S. W. & L.
Supervisor.

Carlisle, Pa.

Dear Mr. Francis:—

I received four
very pretty handkerchiefs for
Christmas sent from Carlisle.
As there was no name card
with them I wish you would
please thank Santa Claus
for me.

I've had a lovely Christmas
We have a vacation of ten
days. Until the second of
January.

I hope all of the "Carlislens"
had a merry Christmas. I'm
sure they did.

Mr. Francis will you please
send me five dollars of the
income off my place when it
arrives as our principal teacher
Mr Melchior is talking of taking
our class into the city on a
historical trip soon.

I would also like to have
a new house dress as one of
mine is almost worn out, and
a pair of gymnastic bloomers
just the bloomers. That is all
I think this time.

Yours

Ella Israel.
