Miss Della John,

Irving, N.Y.

Dear friend:

Your letter addressed to Superintendent Francis has come to my office for attention since Mr. Francis is away on a short vacation.

We are always very glad to hear of our graduates and especially pleased to know that you are improving in health.

You ask about one of your friends at the school visiting you for a vacation of two weeks, but you do not mention the young lady's name. Of course no permissions could be granted until we had some definite knowledge as to who the young lady may be. I am not in a position to remember the chums of days gone by. Should you care to take this up with Mr. Francis when he returns from his vacation, I am sure he will be glad to hear from you.

Very truly yours,

J:R

Chief Clerk in Charge.

Mr Francis,

Barbise,

Dear Sir,

I'm sure you don't know me so I shall first introduce myself. I am an ex student and graduate of Barbise. I was graduated in 1915 but I just came home year ago on account of my health. I was sorry I had to give up my work on account of my health but I am trying live up to Barbise teachings and as soon as I regain good health again I intend to carry out my ambitions. I am getting along

and now.

While I was to Carlisle I
chummed with a very dear girl
who I still think a lot of
yet I he and I are always
like sisters there and we
have never had any misunder-
standings. I just received a
letter from her and she would like
to come and see ^{us} and remain
for two weeks before school
begins but of course we
would not want to do that
unless you give permission.
I surely would like to have
her come and I am sure
she'd be safe in every way.
My Aunt is willing but I am

- you know what is best
I remember that I got no use
to the school ruler while that
that I still live up to it
and I on shore we together
be careful as I am not able to
do much anyway and since
she wants to come we will
be glad to have her spend
two weeks with us for her
vacation since her home is
so far off. Let me hear from
you about this.

I am

Miss Della John
Irving, N. Y.

My dear friend:-

I am in receipt of your letter of recent date extending an invitation to Tookah McIntosh to visit you for two weeks.

While I would be glad to please both of you by giving my consent to this little visit, I do not think it would be for the best interest of the school to do this. I want to explain what I mean.

Tookah has been a good girl all the time she has been at Carlisle and has been splendid help in the quarters this last summer and I know that if I allowed her to go on a visit, she would not take advantage of her complete release from the school for the time she was away and would conduct herself in every way as she should.

However, there are about 60 other girls here many of whom might want the same privilege granted Tookah and I could not well refuse them after I had given my consent for one to go. I must treat them all alike. I know there are some here who might want to go and yet for their own good, I could not let them go. I hope you see my point and understand that the decision is made for the best interest of all.

Why not come to Carlisle and pay us all a little visit? You have many friends here, I understand, who would be glad to see you.

Very truly yours

NRD

Superintendent.

Mr. Francis,

Barbours, Pa.

Dear Sir

I am sorry I did not mention the girls name when I wrote to you so I am writing to you again.

The girl is Iooka McIntosh. She and I were great friends while at school and we surely would like to meet again and if she can come out for two weeks we be glad to meet her at the station at the time she arrives or I could go as far as Buffalo to meet her. The station she would get off here is either Farmham or Joving. It does not make any difference

~~which~~ as we live between
the two.

If you have any Senior
Arrows left will you send
me one as I have not
seen any yet.

Hoping to hear from you

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mrs. J. B. Woodward,

Dear Friend:-

I am writing you to ask that you send to me the balance of money due Della John, the pupil who was with you from May tenth to July nineteenth.

As the regular outing clerk who has charge of the accounts of each outing pupil is away at the present time, I am unable to state just the amount due Della, however, you have her record and should know the amount due her and I trust you will remit the same to me at once as she is in need of this money.

Della was in to see me about the matter and I hope you will give this your attention.

Very truly yours,

Superintendent.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Carlisle, Pa.

Dec 28th., 1915.

Supt. O. H. Lipps:

I have questioned Della John. Her nearest relative is her aunt Susan Turkey, Farnam, New York. Della has escaped an immediate operation and in fact is doing nicely. My intuition tells me however that it will be necessary to operate in the future .

Respectfully,

Walter Rindtuff M. S.

Dec. 28th, 1915.

Dr. Rendtorff:

Della John has remained at Carlisle because she does not have a home of her own to go to. She has evidently had to look out for herself for some time and I believe it will be entirely satisfactory to take such action in her case as meets with her approval.

Will you please talk to her again and notify me if it is learned that there is any one who is especially interested in her and whose consent to an operation in her case should be secured?

Respectfully,

HKM.

Superintendent.

Mrs. Susan Turkey,

Farnham, New York.

My dear Madam:

Some time ago it became necessary to operate on Della John to relieve her from an attack of appendicitis. She made an uneventful recovery, but is yet in our school hospital on account of a condition that seems to be entirely beyond our school physician's control. I submit below for your further information a copy of a report that was issued by the physician:

"Della John is in such nervous condition that I feel the school is not the place for her. She took on so over the death of her brother that she is a nervous wreck as a result. I recommend that she be sent home."

Understanding that Della does not have anyone but you to look to for a home I beg leave to inquire what care you can arrange to give her if she is sent to your home. I desire to cooperate with you and will appreciate a prompt reply.

Very truly yours,

HKM.

Superintendent.

Mrs. Susan Turkey,

Farnham, New York.

My dear Madam:

Noting in your letter of the 18th instant that you could not care for Della John at this time on account of your own illness and that her confinement to the Erie County Hospital at Buffalo would probably be the only chance she would have to get the care she now needs, it has been decided that for the present her release from Carlisle cannot conscientiously be effected.

Very truly yours,

HKM.

Superintendent.

My dear Madam:

Our school physician again urges that the privilege of going home be allowed your niece, Della John, and Della herself came to this office this morning to inquire whether such arrangements could be made.

As the spring days are now coming on the freer life at your home should enable Della to become stronger and I hope I shall hear soon when you can allow her to come to your home.

My dear Sir:

Your sister (Della) was seen at this office and requested that arrangements be made so that she can leave here next week to go to your home. As Della has not been at all well this winter and spring the arrangements desired by her will be made unless I hear from you to the contrary.

It is being planned so that she can leave here on Tuesday evening, April the 25th, and she should arrive at Lawton Station the next forenoon.

If it does not meet with your approval to have her come to your home or to the Lawton Station please write me at once and suggest what other arrangements you desire to have made.

My dear Friend:

I have received your letter and am pleased to know that the rest you are enjoying at home has resulted in an improvement in your condition and that you are looking forward to having your usual strength by the time the summer vacation months are over. I am glad to hear such good news and do hope that you will become stronger as rapidly as you now anticipate.

Later in the summer I shall expect to hear from you about plans for next year so that I can then help you to carry them out in so far as it is possible to do so from this end.

With best wishes, I remain,

Your friend,

Mr. C. H. Lipps,
Carlisle, Pa.

Dear Sir;

I feel that it is my duty to write and tell you how I am getting along since I came home.

I have been home now nearly two months and I feel much better but I am still a little nervous and take medicine yet. I think in another month's time I may be well and strong again.

I intended to have a talk with you before leaving Carlisle and I was sorry you were not there at the time I left.

I was getting along so well with the work I started last fall that I was very much disappointed when I took sick I guess I made myself worse too but I hope by this fall I may

be well enough to start something again because I know that if at first we don't succeed to try and try again.

Vacation is here now and I suppose most of the students have gone from school and I hope each one will have a very pleasant summer.

I am.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
