INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Theresa Lay,

Irving, New York.

My dear Friend:

I desire to find out within the next several weeks how many of the students we had enrolled here last year may be expected to return to Carlisle to take up additional school work, so would be pleased to hear from you.

There is enclosed a blank upon which an application for your reenrolment may be submitted to me to be placed in our files. If you have made plans to attend school elsewhere please hand the blank to one of your friends whom you could recommend for enrolment.

Hoping I shall hear from you soon and that you can report having had a very pleasant vacation, I remain,

Very truly yours,

HKM.

Acting Superintendent.

Miss Theresa M. Lay,
Irving, New York.

My dear Friend:

This is to acknowledge receipt of your favor of the 6th instant, in which you advised me that you may be able to return to Carlisle about October the 1st to take up additional school work. I would prefer to have you begin your studies on the opening day of school, September the 7th, but if you come on at a later date your enrolment can then be effected just as well.

It will be necessary for you to file an application for your reenrolment and I enclose herewith a blank for that purpose. As you are yet less than twenty-one years of age transportation for your use can be placed.

If, in the meanwhile, you make up your mind that you can take the work prescribed in the regular course at the West Chester State Normal School do not hesitate to let me know in what way aid can be extended.

Hoping that you will keep me informed about your plans

-2- Miss Theresa M. Lay.

and that you will not give up the idea of taking additional
school work, I am,

Very truly yours,

Mr. De Huff.
Carlisle, Pa.

Dear Friend:

In reply to your letter of July 30th. I cannot say definitely as to whether I shall be able to return this fall or not though I would like nothing better. I should like to ask when I would be expected to return I will not be able to leave here before the first of October and if that is too late please let me know.

Thus far I have had quite a pleasant vacation. Just now I am keeping house for my father but I expect to go off and work soon.

There is one other matter I wish to speak of. I was one of the girls who proposed going to the Westchester Normal but since then I have thought it over and do not think I can afford it.

Therefore I have about decided to
take up the course in "Home Economics"
at Carlisle and would be pleased
to hear from you in regard to same
at your convenience.

very truly yours

My dear Friend;

Until recently I had
about given up the idea of
attending the West Chester
Normal School as I have
no funds whatever to
carry me through. The
revolving fund of which
you have spoken, I under-
stand will provide for
three girls and Margaret
tells me that she and
Minnie are the only two

who have applied thus far. I should
like to know if there is still a
chance of my going and if so
would it be necessary for me
to re-enroll for Carlisle. Mr.
DoHuff has already sent me
blanks for that purpose.
Hoping to hear from you soon

INFORMATION REGARDING RETURNED STUDENTS

REPORT BY NONRESERVATION SUPERINTENDENT OF RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

West Chester, Feb. 10-1917

Mr. C. V. Peel,

Carlisle, Pa.

Dear Sir.

Your communication
or at least Theresa's ^{say} at hand. I reference
to the matter under discussion - Theresa told
me Mrs Reynolds wished her to go to her home
the day of the wedding to "watch the presents".
I asked her if she were going to loose the whole
day from school? her reply was "See if Dr. Phillips
say I may". I told Theresa I thought it would
at least be a courtesy to me if I were consulted
as she was under my care and I was respon-
sible to Carlisle for her regular attendance at school,
as on several occasions we have had sickness
in our home, three at one time, ^{with gripper this winter} not knowing which
way to turn, and I would not think of keeping her
from school.

It was not mentioned again until the day of the wedding when Theresa did not prepare for school. I asked her why. "she told me this was the day of the wedding, she was going as Dr. Phillips said she might." I do not know anything of her receiving Dr. Phillips' permission. My husband does not think it the proper proceeding to take and neither do I. Carlisle places great responsibility on the patroness in the care of these girls and if some one else comes along and takes them away for a day when ever they please - from under our care - what might be the result? We take as good care of Theresa as if she were our own. I was glad to have her go to the wedding if it were any pleasure - but I should have been consulted by Mrs Reynolds - or had she written to Carlisle asking the permission for the absence it would have been just as satisfactory to me. I do not know from Dr. Phillips if he gave

permission. Theresa does not get home from school until 4-30 and 4-45 - and on this day she returned at her regular time.

I do not altogether blame Theresa. The girls are anxious to take up anything that may give them a little pleasure, but patrons who are familiar with the rules of Carlisle, should act accordingly.

Yesterday Theresa received an invitation to attend a birthday party given by Mrs Rapp - for a girl living with her (at Llanerch), on a Tuesday night in March - I forget the date - at 7-30 P.M.

Llanerch is near Philada; and some distance from here on the trolley line - it would be eleven, I judge when Theresa would reach that Chester. Margaret Bonner received an ^{invitation} also - In talking the affair over yesterday I told Theresa, it was on a study night and I thought

there should be some older woman go
with the girls to see them safely at both
ends of the trip. As Mrs. Rapp is a patron
of the school, also understanding the rules, no
doubt she has consulted you, if not - will you
kindly advise me, also Theresa - what decision
to make? I am perfectly willing for Theresa, to
have the pleasure of being with the girls for
the evening, but it is not the proper or safe
thing for them to have the long and late ride
on the trolley cars. I would be willing if you
decide in their favor - to go with them - but I
do not have any friends living in Lancaster,
with whom I could stay until they were ready
to leave. Will you kindly decide also if patrons
are or are not to be consulted when girls are to
be taken from their present homes or schools by
other patrons or former patrons. I do not like these
differences to come up, as they are likely to be
understood other than is meant, sometimes,

As far as I am concerned I think I understand your rules - I do not wish to disregard them - while Theresa is in our home, I feel that I am her mother - your rules and mine are no different, than in any carefully regulated home and I do not see why any one outside of that home has the privilege of saying what should be done there. We have Theresa's interests very much at heart, we are very fond of her ^{and} while she is in our home I must insist on ~~doing~~ the right thing being done both by her ^{and} ~~herself~~ ^{to me} and I assure you I shall do my duty by her, as I would by a daughter. This is rather long, but it seemed necessary to explain fully.

Very truly

Dear Theresa:

I have a report to the effect that on January 30th you were absent from school all day to assist Mrs. Reynolds whose daughter was being married, Mrs. Snyder not having been consulted regarding this arrangement.

I write to know what explanation you can give for this neglect of your duty towards Mrs. Snyder who has charge of you.

Very truly yours,

D:R

Dear Mr. Seel,

I have your letter of Feb 3. concerning my absence from school on Jan. 30. I fail to see that I have neglected any duty toward Mrs. Snyder as I told her about Mrs. Reynolds wishing me to be with them at the wedding of her daughter, previous to my obtaining permission from Dr. Phillips. Mrs. Reynolds wishes me to say that she did not think it necessary to ask Mrs. Snyder as I would not be taken from any duty with her but only from school duties and that therefore Dr. Phillips would be the person to consult. I saw him personally and he seemed

tech. O.K.

to think it would be all right for me to remain away from school for the one day.

I am sorry if we have overstepped any rules in this matter but assure you if we have it was done unintentionally.

Respectfully

Theresa M. Lay.

Dear Theresa:

I have your letter relative to your plans for the coming summer. You say you have decided to go home during the summer months but have no definite plans for next fall, but that you would like to obtain a position in the Indian Service. You do not state, however, what you desire to do. You know that an examination will be necessary no matter what position you wish to take. It would be necessary for you to write the Commissioner of Indian Affairs, Washington, D.C., telling him for what position in the Indian Service you wish to take examination, and he will send you the necessary blanks. You can state that it is your wish to be allowed a non-competitive examination.

Very truly yours,

Carlisle, Pa.

Dear Mr. Lippe,

I do not think it is any too early to inform you of my plans for the summer. Thus far I have about decided to go home for the summer months but have formed no definite plans for next fall as yet. However since I understand that the Normal fund is now exhausted I should like if possible to obtain a position in the Indian Service. Would you kindly advise me as to whom I should write for information concerning such position?

I learn from the Arrow that Carlisle is to have a new Superintendent. I will be sorry to see you leave I am sure and while I have the opportunity I wish to personally thank you for all you have

to help me secure an education and
assure you that your efforts have been
fully appreciated.

As this is all I shall close wishing
you much success in your new work.

Sincerely,

Theresa M. Lay.

Dear Mrs. Denny,

I am in need of
some summer clothing
(underwear) and would
also like to have a dress
(afternoon). The latter I
can make for myself if
I may have the goods.
Then I should also like
to ask about my trans-
portation fee to my home.

Perhaps I should write the
Superintendent about that
but I thought I would ask
you as long as I was
writing. If I go home in
June would I be required
to pay my own way?
Thanking you for any in-
formation you may be able
to give me.

I am Sincerely

Miss Theresa M. Lay,

My dear Theresa:-

Your letter of May 15, addressed to me at Washington, D. C., has just reached me here.

I have just written to the Indian Office requesting that they send you application blank, mailing the same in care of the Carlisle Indian School. It will be forwarded to you in the event that you have gone home before they have time to answer it. I would be very glad if you will drop me a line after a few weeks and let me know what the Indian Office says to you.

I shall be very glad to help you out, and if you cannot take the regular teacher's examination, perhaps it might be just as well for you to accept a position as Indian assistant in some school for next year, and I will try and find a place where you will have an opportunity of teaching part of the time, and of helping out with the music. I am sure there are plenty of schools that would be glad to have you on account of your musical ability.

A letter addressed to me in care of the Indian Office,
Washington, D. C., will be forwarded to me.

With kind regards and best wishes, I remain,

Sincerely yours,

The Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I am enclosing herewith a letter from one of the Carlisle girls who is attending the State Normal School at West Chester, Pa., in which she requests that she be furnished with the necessary blanks on which to make application for examination of assistant teacher in the Indian schools of the Service.

Miss Lay is a New York Indian girl, and graduated from Carlisle two years ago. She has been at the West Chester Normal School for two years, is a very good musician, and I believe she would do very well as an assistant teacher. I do not know that we have any positions now of assistant teacher, and in order to give her something to do and encourage her, it might be that she could be given a position as Indian assistant at some school where she could have at least a few classes and where a teacher with some musical ability is needed.

Please address your answer to the enclosed letter to her C/o of Superintendent Carlisle Indian School, Carlisle, Pa.

Very respectfully,

OHL-B

Every student of fourteen years or over, who is in good health, has under our outing system opportunities to earn money, and, under the rules, is allowed half of it as required, the other half being placed to his credit on interest, to be paid him on his leaving school.

Annunities lawfully due students can be placed on interest with earnings here.

Just a few lines for
the last time as I hope
to see you within a few
weeks. School closes on

I hope you are all well.
We're having delightful weather
and expect to move out to

warm.
