INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

 from Carlisle school to Irving N.Y. to
 enable her to visit her home. We hereby agree to pay all expenses, including
 round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages,

 We further agree to deposit with the superintendent of the school sufficient money to defray all expenses
 to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may
 be agreed upon by the parents or guardian and the superintendent of the school in which the pupils
 are enrolled, the amount of money remaining with the superintendent, necessary to the return trans-
 portation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided,
 however, that in all cases where it can be shown that there were justifiable reasons for the failure of the
 return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall
 certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation,
 then the certificate of some reputable, disinterested citizen of the community may be requested as to

Mrs. Martin Schindler,
Irving, N. Y.

My dear Madam:

Referring to the letter you addressed to Mr. Meyer at this school on the 12th instant, this is to advise you that your daughter Evelyn can be given permission to return home. A formal application for leave for her can be submitted on the blank I enclose herewith.

An amount of not less than \$18.00 would be required to pay for her transportation home and with which transportation could be provided for her use at the close of the period of leave.

As arrangements are being completed to have the party of girls going home this year leave on June the 1st it would be well for Evelyn to leave at the same time. She should then arrive in Buffalo about 7.30 on the morning of June 2nd.

Very truly yours,

HKM.

Dear sir, -

I would like to have my daughter Evelyn come home after commencement to spend her summer vacation with us. And what would the fare cost from Earlisle to Irving? I will send her car fare in time to get her ticket. I intend to meet Evelyn in Buffalo, so as she can get a chance to visit her aunts before she comes out to the country. And when would it be convenient to have her come home?

so as I can prepare to
meet her. Hoping to hear
from you at an early
date. Very truly,

Mrs. Martin Schindler

My dear Friend:

This is to acknowledge receipt of your letter of the 27th instant, which was addressed to Mr. Meyer at this school. The amount of nineteen cents in stamps you enclosed therewith has been credited with the amount you left here to pay for your return transportation to Carlisle and a ticket has been ordered placed at Irving for your use. It should be ready in time for your return here the latter part of this week.

In compliance with the request contained in your letter there is being enclosed herewith a blank form upon which an application for your brother's enrolment may be submitted to me for consideration. If he is less than sixteen years of age it will be well to write to me again before the expense of having an application properly filled out is incurred.

Hoping we shall see you soon and that your brother can be accepted too, I am,

Very truly yours,

Dear Sir:—

Enclosed you will find nineteen cents worth of stamps. The balance of my return fare. Please send my return ticket as I'm intending to return the first week in October. My brother wishes to be enrolled as a student of Carlisle. Will you please send me an application blank so I can hand it to him.

Mrs. Martin Schindler,

Irving, New York.

My dear Madam:

When your daughter Evelyn was seen at this office today in regard to the request for her return home for the summer vacation months that is contained in your letter of the 7th instant it was learned that the glands on the right side of her neck have become quite swollen and that our physician believes she should not travel while in that condition. It is hoped that an improvement can be effected within a very few days and you will then be notified when Evelyn is to leave here.

Very respectfully,

Dear Sir, -

I would like to ask permission to have my daughter Evelyn Schindler come home to spend her vacation here with us. Or at least as long as she wishes to be home with us. She has a place to work with my sister in Buffalo as a nurse girl for two small children when ever she is ready to start in. Will you kindly let me know at the earliest possible date when & what time she will arrive in Buffalo.

as I intend to meet her there.
I have forwarded her car fare
some time ago. So there won't be
any further delay for anything
else. If there is any other girl
coming Evelyn way, it would be
more nicer for them to travel
together. Hoping to get a reply
by return mail and oblige.

Arrangements are being made, therefore, to have her leave here tomorrow evening. A ticket for her use to Irving will be procured and she should arrive at Buffalo on Pennsylvania train at 7:20 on Thursday morning, June 22nd. .

I trust you can yet arrange to meet her at Buffalo and that further medical treatment can be secured for her in order that she may outgrow the trouble she is now having.

Will you please let me hear from you after Evelyn has arrived at your home?

Miss Evelyn Schingler,

Irving, N. Y.

My dear Friend:

I have received your letter of the 11th instant, informing me that you are ready to return to Carlisle and that a ticket for your use is to be made available. However, before your request is granted it is believed advisable to submit for the consideration of Dr. Rendtorff a complete statement about the present condition of your health. On the blank enclosed the examining physician can make a report of his findings and then it can be determined here whether or not you are physically able to resume your school work.

We want you to return here and hope that a sufficient improvement in your condition has been accomplished during the summer months to make it advisable to let you return here.

Please do not delay about seeing a physician and returning the enclosed blank to me properly filled out.

I would recommend that students, like Evelyn Shingle, who were at one time dismissed from this institution on account of their health be requested to visit a physician and obtain written statements as to their fitness. Evelyn had a glandular tuberculosis which may be entirely well by this time and which, if such is the case, should not interfere with her obtaining a schooling.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Evelyn Schingler, a $\frac{1}{2}$ blood Seneca Indian, 17 years of age, passed her examinations and on May 24, 1917 was graduate from this school in Home Economics, in accordance with the tentative course of study.

Evelyn is the daughter of Martin and Alice Mohawk Schingler of Irving, N. Y. Her father is a farmer and both parents attended school and have some education. She has worked in all of the industrial departments at Carlisle since coming here. She likes sewing the best. She wishes to become a stenographer. She wishes to go to some High School.

Principal Blair reports that Evelyn has ability but lacks application and enthusiasm. She needs a great deal of encouragement in order to do her best in any line of work. She is impatient, inclined to be mutinous and resentful, but a good girl withal, who can be reasoned into doing the right thing. She has been at Carlisle two years.

Matilda G. Ewing reports that Evelyn has not the initiative nor the force of character to take on responsibility, although she is a fairly good girl.

--2--

Evelyn is in good health, and is very careful in spending money.

Evelyn is a New York Indian of a tribe over whom the government has never exercised restrictions upon the person or property. In view of these facts as soon as she becomes of age, if a certificate of competency be possible I would recommend that one be issued to her.

. Very truly yours,

Superintendent.
