Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

Mrs. Geo. F. Gardner,

Indian School, Keshena, Wis.

My dear Friend:

Your letter of recent date was followed by one from Assistant Superintendent Marble of the Keshena School, endorsing your request to have your sister accompany your mother to your home and advising that you are so located that you could take good care of Maud during her visit with you.

In reply I will state that although Maud's period of enrolment does not terminate this year I will give her permission to go to your mother's home at Hegansburg, so that then arrangements can be completed for their visit to your home.

Maud has but \$10.00 to her credit in our School Bank, and as her period of enrolment does not terminate this year what is required to pay for her transportation home and with which transportation can be placed for her return to school will have to be placed on deposit with me here.

-2- Mrs. Geo. P. Gardner, Keshena, Wis.

Hoping that you will let me hear soon in what
other way I can be of assistance to you in carrying out
your desires, I am,

Very truly yours,

Mr. D. H. Lipps,
Carlisle, Pa.,

Dear sir -

I have a favor
to ask of you which I hope
you will grant - For the last
couple of years I have tried
to get my mother here, but
have never been able to do
so - So I want to know if
you will permit my sister
Maude Cooke to go home
& bring her here, & also spend
the summer with us -

I will surely see that
she is back to school when

It begins - We have no father and mother is all alone & is sickly and it worries us so much to think that she is alone -

She does not talk English & couldn't travel alone -

As I am not in a condition to travel, I can see no other way than to have Moude bring mother - He will try to get a couple of new students to go back with her - I shall certainly consider this a great favor - He can wait till school closes -

my husband and I were
both students of Carlisle and
always speak highly of
Carlisle -

Wishing the School the
best of success -

I am sincerely

Dear Madam:

I have noted the request contained in your letter of recent date, and although it is usually required that when students are given permission to go "on leave" they deposit a sufficient amount to insure their return, it will be arranged to have your sister Maud go to your former home at Hogansburg just as soon as the required amount is received to pay for her transportation home. You can then send her back to school at the termination of her period of enrolment.

Very truly yours,

HKM.

Supervisor in Charge.

Mr. O. H. Lippe,
Carlisle, Pa.,

Dear Sir -

I want to thank
you for your kindness in
giving my sister permission
to bring mother here -

I have one more
favor to ask of you, and
that is, to let Maude come
without the return fare deposit -

We tried our best to get
the money, but as we have
to pay my mothers transportation
as well as Maude's, we simply
haven't another dollar left -

But, I can assure you that Maude will be back to school when school opens - I am, in fact we all, are very anxious to give her an education, and would not under any circumstances keep her from school -

We have been put to extra expense by sickness in our family, or we could have placed money on deposit - I am sorry I am compelled to ask this of you, Thanking you for your kindness.

Very sincerely - Mrs. G. Guzman

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Governments school, being declared competent.

In accordance with these directions I have the honor to report that Maude Cooke, a $\frac{1}{4}$ blood Mohawk Indian, 20 years of age, passed her examinations and on May 24, 1917, was graduated from this school in Home Economics, in accordance with the tentative course of study.

Maude is the daughter of Frank and Elizabeth Tarbell Cooke. She makes her home at Manitowac, Wisconsin. Her father is dead and her mother is a seamstress. She wants to become a seamstress.

Principal Blair reports that Maude is a fine, alert, ambitious, trustworthy girl. She is studious and has done well in academic work, especially in English. She is an efficient seamstress and a good cook. Her personal appearance, her desk, her room at quarters, all indicate the fine instincts of the home-maker. In addition she has poise and a sweet disposition without being weak.

Matilda G. Ewing reports that Maude is a splendid girl and efficient as a housekeeper, a seamstress and fine in domestic science. She is honorable and trustworthy. She has initiative, is neat and economical in dress. She stands
She ~~stands~~ gets well with her associates. She is pleasant
pleasant
and agreeable in any position.

Her health is fair, but she is not robust. She is careful in spending money.

In view of the fact that she is a New York Indian, the government has never exercised any control over her property or person. I would recommend that a certificate of competency be issued to her.

Very truly yours,

Superintendent.

Sincerely yours,

Superintendent
