### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

*Important*—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

June 1st, 1916.

Mr. Jacob Seneca,  
Irving, New York.

My dear Sir:

Your sister Roberta desires to go to Rochester, New York, for the summer months and permission will be given her to do so in spite of the fact that we believe it would have been an advantage to her financially to remain here in order that a place under our outing could have been found for her.

Arrangements are being made to have her leave here on Tuesday evening of next week with the other New York state girls who are to start then for their homes.

Very respectfully,

HKM.

Superintendent.

## BIOGRAPHICAL SKETCH:

She is the daughter of Frank and Catherine Cusiuk Seneca of Rochester, New York. Both Parents are dead. She has no home of her own. She has worked in all of the industrial departments since coming to Carlisle and likes them all. She would like to learn clerical work.

September 24, 1917.

Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Roberta Seneca, a full blood Cayuga Indian, 18 years of age, passed her examinations and on May 24, 1917 was graduated from this school, in Home Economics, in accordance with a special course of study.

Roberta is the daughter of Frank and Catherine Cusick Seneca of Rochester, N. Y. Both parents are dead. She has no home of her own. She has worked in all the departments since coming to Carlisle, and likes them all. She would like to learn clerical work.

Principal Blair reports that Roberta is a gentle, lovable girl. She is fitful in her application to work and very easily discouraged; she must be praised in order to do her best. She is a fair musician.

Matilda G. Ewing reports that Roberta is a girl above the average. She is neat in appearance, pleasant and of a happy disposition. She loves a good time.

Roberta is in good health, and spends her money freely.

--2--

In view of the fact that Roberts is a New York Indian, and comes from a tribe over whom the U. S. Government has never exercised restrictions upon the person or property, no steps <sup>can</sup> be taken in ~~ther~~ case except possibly the issuance of a certificate of competency which I would gladly recommend.

Very truly yours,

Superintendent.

Dear Madam:

We are in receipt of a letter from Roberta Seneca, in which she asks permission to go to Philadelphia to the Women's Homeopathic Hospital to be treated for her ear trouble. Roberta says that through the efforts of her teacher, Miss Roberts, it has been arranged for her to go to the hospital and have this treatment free of cost. Will you see Miss Roberts and if everything is all right and you can spare Roberta, make the arrangements for her to go to Philadelphia. I presume that Roberta has the money to pay her railroad fare and incidental expenses.

Please tell Roberta that I believe it would be better to postpone her dental work until she earned some money, provided of course that her teeth do not need immediate attention. I think it is very unwise for her to incur any more bills at this time.

Mrs. W. Denny.  
Carlisle, Pa.

Dear Mrs. Denny,

Miss Jones earlier in the year planned to permit me to go to Philadelphia and have something done to my ear which has been bothering me for the last fourteen months. Last week she told me that the plan could not be carried out so I would have to wait longer, but before she had told me this I was talking to a dear friend of mine, Miss Roberts, the high school English teacher, she seems very interested and as I had revealed to her my poor circumstances financially; she being acquainted with one of the directors of "Women's Homeopathic

Hospital" at Philadelphia, ~~the~~ <sup>the</sup>  
has arranged, providing we have  
your permission, to have me enter  
this hospital and have everything  
done, including board, without any  
charges, the latter being deducted  
from a special fund set aside  
purposely for the poor folks like me.  
She says, we may rely upon the  
good services that will be given.  
Our holidays being on Friday  
before Easter until the following Monday.  
Miss Roberts, <sup>thinks it</sup> would be the best  
time to have it done, and may I have  
your permission to do so, also asking  
your kindness to answer very soon.  
We would like to hear from you by Thursday.

Yours Truly

Dr. Henderson, (the dentist) just looked  
my teeth over and estimates (\$20) of work  
to be done. Miss Johnson asked Mrs

and send it to the school.

Dear Madam:

I have a letter from Roberta Seneca saying that she wants to go to her home directly after her school work is finished this coming June. She feels that she can earn more money at home and can pay her debts sooner than if she remained in one of our Outing homes.

You can tell her that her case will be taken up later and she will be notified regarding the decision in her case.

Frances

Ind. Sch., Carlisle, Pa.

Dear Sir:

At last, I have arrived at a final decision as to my intentions for this summer and its future.

Last Thursday afternoon, I went down to see Mr. Baker, purposely to find out if I may, in the remaining short time drop 3 of my subjects and take only Typewriting and Stenography. This he permitted me to do, but I have failed to do, until I had written you and notified you of my intentions, first. I still feel determined to go to work for myself as soon as I can.

Even tho it may seem a step I may regret later, shall blame only myself as several have pointed out the value of ~~an~~ High School diploma but cannot convince me to give up my plans of starting to work this fall as intended.

So instead of remaining on the Outing this summer, I would like to go home as soon as school is closed and begin work, to pay my debts I have gotten into this winter. My doctor bill, glasses and my bill, which will be from the Hospital soon and as my teeth have been bothering me very much lately. I am having

them attended to, so I guess it means  
all summers pay to straighten out  
my debts. I have several ~~times~~ <sup>written</sup> to  
my brothers, who I expected would help  
me a little, but they all seemed to  
have failed, therefore making me  
more determined to go out for myself  
as soon as I can.

Yours respectfully.
