Mr. Henry P. Sutton,
Sherman, New York.

My dear Henry:

I am just in receipt of a letter from Mr. H. B. Peairs, Superintendent of Haskell Institute, Lawrence, Kansas, in regarding to your future.

Mr. Peairs says that if you are able to pay your fare from your home to Lawrence he believes he can arrange for you to pursue the course you desire. Under the regulations Mr. Peairs would not be permitted to pay transportation from the State of New York.

He informs me that tuition in the Oread High School, in connection with the University, will be free. You could complete your High School work there and then enter the Law School at the University.

If you really desire to be a lawyer a path is mapped out for you to achieve your ambition. All that you have to do is to procure the funds to pay your transportation from your home station to Lawrence. This obstacle you personally should be able to overcome by working through the summer and making judicious savings, and if you are really determined to become a lawyer I have no doubt but you can do it. I suggest that you correspond directly with Superintendent Peairs at Lawrence concerning the matter.

I will be glad if you will also advise me of your plans because of my personal interest in you.

Very truly yours,

JF:R

Superintendent.

NAME: Henry P. Sutton
AGE: 20
SEX: Male
TRIBE: Seneca
DEGREE OF BLOOD: $\frac{1}{2}$
GRADUATED: Special Course
COURSE PURSUED: Printing
HEALTH: Good, though a cripple. Walks with a crutch.
HOW PERSONAL FUNDS ARE HANDLED: Careful in spending money.

BIOGRAPHICAL SKETCH:

He is the son of Eugene E. and Louisa L. Pierce Sutton of Conesus, New York. He has a good home, parents are both quite well educated. He worked ~~at~~ in a printing office and as a chauffeur before coming to Carlisle. Since coming here he has worked in the printing office most of the time. He wishes to become a lawyer.

September 18, 1917.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Henry P. Sutton, a $\frac{1}{2}$ Seneca Indian, 20 years of age, passed his examinations and on May 24, 1917, was graduated from this school in printing, in accordance with the Special Course of study.

Henry is the son of Eugene E. and Louisa L. Pierce Sutton of Conesus, New York. He has a good home, parents are both quite well educated. He worked in a printing office and as a chauffeur before coming to Carlisle. Since coming here he has worked in the printing office most of the time. He wished to become a lawyer.

Principal Blair and Director of Mechanic Arts Bradley reports that Henry Sutton entered Carlisle as a little boy, although he did not remain continuously, he was here seven or eight years altogether. He is very intelligent and studious and applies himself closely to any task. He reads broadly, for one so young, and of the best literature. He is observant and keen but, unfortunately he has an uncharitable disposition and is much given to criticising those about him regardless of age or position. He is self-centered, introspective, sensitive; all due, perhaps, to a physical handicap. He is ambitious to become a lawyer; has the gift of language and enjoys using new and strange words in lengthened discourse.

--2--

Henry is in good health, although he is a cripple, and walks with a crutch. He is careful in spending money.

He is a New Yorker, his lands are not under the government control. He is capable of managing his own affairs, and make his way in the world.

Very truly yours,

Superintendent.

Mr. Charles Sutton,

My dear Friend:

At the request of your brother Henry I enclose herewith blanks upon which an application for your enrolment at Carlisle may be submitted to me for my consideration.

It is desired that there be filed with the application a statement from the teacher you had last year to the effect that you made good use of your time and that you can be believed worthy of being given a chance to attend a government school.

Very truly yours,

My dear Friend:

I was pleased to receive your letter of the 21st instant and in reply thereto will state that our regular work for the next school year is to begin on September the 7th.

I am sure your other friends here join me in hoping that you can arrange to be present on the opening day of school.

Very truly yours,

Mr. C. H. Lipps,
Supt. of the Carlisle
Carlisle, Pa.

Dear Sir,—

After a very pleasant
and profitable vacation
my thoughts turn
towards school and
as I have been con-
templating on being
at Carlisle the day
school opens I am
writing for such in-
formation that will
enable me to be there

on the day school starts.
So if you will kindly
inform me of the date
you would prefer students
returning I will try
and do myself the honor
of being on time.

Respectfully,
Henry Sutton.

403

May 31, 1917.

Mr. H. B. Peairs, Supt.,
Haskell Institute,
Lawrence, Kans.

My dear Mr. Peairs:

You have undoubtedly heard that we graduated a class of fifty-six pupils at Carlisle this Commencement, Among the number Mr. Henry P. Sutton. You may have met him when you were here. Henry graduated in printing under the new course of study, but does not care to follow the trade. He is intellectually bright and aspires to become a lawyer. If you remember him you will have in mind the fact that he is lame and this infirmity prevents him from following some of the more active trades, and it would seem that a professional career might be better for him. We have taken up the future of each graduate with them personally and we have learned of Henry's aspiration to become a lawyer.

Henry is a New York Indian of one-half blood and has no financial resources. The tuition at Conway Hall while he would be preparing for Dickinson Law School would be almost prohibitive to him.

I am wondering whether it would be

5/31/17

practicable for us to make some arrangement whereby he could be enrolled with you and go to the Lawrence High School and then to the State University. Of course after he got his feet on the ground in Lawrence it might be possible for him to get into something which would enable him to take care of himself while going through the University Law School.

Henry's address is Sherman, New York. Please give me your views on the matter and I will be glad to take it up with Henry.

Very truly yours,

JP:R

Superintendent.

My dear Mr. Peairs:

I am in receipt of
your letter of June 4, 1917, in regard
to the placing of Henry P. Sutton.

I wish to thank you
for your prompt response. I am this
day advising Mr. Sutton of your attitude
in the matter. It appears to be a
splendid opportunity for the boy if he
has the wisdom to take advantage of it.

Very truly yours,

JF:R

Superintendent.

C. E. BIRCH
ASSISTANT SUPERINTENDENT
AND PRINCIPAL

HASKELL INSTITUTE
UNITED STATES INDIAN TRAINING SCHOOL
LAWRENCE, KANS.

June 4, 1917.

Superintendent John Francis, Jr.,
U. S. Indian School,
Carlisle, Pennsylvania.

My dear Mr. Francis:

If Henry P. Sutton, about whom you wrote May 31, 1917, is able to pay his fare from his home to Lawrence, I believe we can arrange for him to pursue the course he desires. We are not permitted to pay transportation from the state of New York.

Tuition in the Oread High School, in connection with the University, I am informed, will be free. He could complete his high school work there and then enter the law school of the University.

Should he be unable to meet the cost of his transportation to Lawrence, it might be possible the Office would authorize this exception to the general rule, although I hesitate to request it unless no other plan is feasible.

I shall be glad to hear further regarding this young man and to receive his application.

Very sincerely,

J. B. Peairs
Superintendent.
