INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Philip Tarbell,
Hogansburg, New York.

My dear Sir:

I have noted the request you conveyed to me in your favor of April the 7th, and although I would prefer to have your son Peter remain here during the summer months I will give him permission to return home to be of assistance to you if the required amount for his transportation is sent to me. Since only a "leave of absence" will be granted him his transportation home as well as his return transportation to Carlisle would have to be provided for. An amount of \$24.00 would be sufficient to cover the entire cost of transportation.

Very truly yours,

Dear Sir, Peter
Tarbell has decided he wants
to come back to school for
the winter; and as the
first of Sep. is a bad time
for me to change boys, I
will wait, and if you will
let me have one in the spring,
I would like to have one then.

It is hard on the boy, &
me too, to change in the

in Sep. as the house is still full of
boarders - & a new boy cannot start
right in - everything strange - & no
training - Peter is a straight
upright boy - truthful, honest -
and always cheerful & willing -
and I sincerely hope he will
be successful in all his
undertakings - he will leave
a good record in New Jersey

Will you please have Joe White sign the enclosed check for Three Dollars (\$3.00) and return it to me in the enclosed envelope? You can explain to Joe that this is a doctor bill which he owes Dr. Ley of Wycenbo, Pa. for treatment when he was living with Clarence Smith.

Mr. Peter Tarbell,
Hogansburg, New York.

My dear Friend:

Referring to that part of your letter of August the 6th which you addressed to Mr. Meyer at this school regarding your return to Carlisle, you are advised that a ticket for your use has already been ordered placed at Nyando for your use. Joseph White's ticket was placed at the same time and it is hoped you can plan to bring Joseph with you when you return here.

An application for your reenrolment can be signed after you return here because the excellent record you made during your first period of enrolment is all the recommendation that is needed in your case.

Relative to your request for permission to bring your three nieces with you when you return, I must state that it is believed inadvisable to enroll students this year who are less than sixteen years of age except under unusual circumstances. That makes it necessary to deny them entrance this year at Carlisle.

Trusting that nothing will interfere with the carrying

Mr. H. K. Meyers,
Carlisle, Pa.

Dear Mr. Meyers:

I received
your letter a few days
ago together with the
jersey and I wish to
thank you very much
for sending it. I find
it very useful as we
have rather cool nights
here. As for the other

jersey no one came around to collect them so understood them to be ours so brought one home. When I got home I found the jersey that I brought had ^{been} exchanged by someone and another one put in place of mine. It is exactly the same kind only a little lower collar on it. So I will return it as soon as possible.

Mr. Meyers, I wish to start back to school from Nyauks, N. Y. on the 1st of August. So if you will order my ticket I should be very pleased.

I have three neices here who wish to enter Carlisle and it would be the greatest thing for them if they went. They are fit to go there. They are smart and quick to learn. They are all in the fourth grade. If you send about three blanks if you think they can be accepted

we can have them filled
at once. Merion Cooke
and Hattie Tarbell are
both going on fifteen
years and Mary Cooke
is going on fourteen years.
Joseph White also wishes
his ticket ordered as he
is on leave.

Hoping to hear from
you soon.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:

Replying to your letter regarding Peter Tarbell who has made application to you to take a course at the Michigan State Automobile School, I have to advise that he has at present in bank \$78.67 to his credit. If you wish me to send him a check for this amount please let me know and I will act accordingly.

In sending you the check for money due Louis Palin yesterday I overlooked one payment amounting to \$27.50 which is still here. I enclose herewith a check for that amount.

Very truly yours,

We are in receipt of a request from Peter Tarbell B-5107 for withdrawal of money from the Carlisle School with which to pay for a course at the Michigan State Auto School of this city. The course at the Auto School will cost Mr. Tarbell \$100.00 first payment or payment on the installment plan \$120.00. We are inclined to believe that his present finances would not warrant an expenditure of this amount. We would appreciate, however, knowing the extent of his account at the Carlisle Bank and your opinion on the proposition.

Yours very truly,

In view of the small amount which this man has to his credit in the Carlisle Bank, we have instructed him that he had better wait at least one month before taking up the course at the Michigan State Auto School.

We will confer with us regarding the matter at a little later date and we will again write you.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Reference is made to your letter of April 28, 1917 in which you refer to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Peter Tarbell, a $\frac{3}{4}$ blood Mohawk Indian, 22 years of age, having completed the course at the Ford Factory was graduated from this school on May 24, 1917. He was the Ford Factory for not quite a year. In that time he earned \$689.79 spending \$442.25, and saving \$247.45.

Principal Blair reports that Peter is a bright young man with considerable independence of character. He is not studious. He has no bad habits. He has now enrolled in the Army.

Peter Tarbell comes from a tribe over the members of which the government has never exercised jurisdiction, of the person or property.

He is perfectly competent to manage his own affairs, and I recommend the issuance of a certificate of competency to him.

Very truly yours,

Superintendent.

My dear Peter:

Your letter of September 23d came to me while I was away from the school. I was very glad indeed to hear from you. From it I learned that you boys are at last in France and are at the place where the big things for your country must be done. I wish you boys every sort of good luck. I know you will be true to the standards of Carlisle and that you will be true to yourself, your race and your country in the hour of trial, may God bless you and send you back to us all in safety.

We have had quite a bit of excitement here. A boy from New York returned from his vacation and developed a case of small pox, he of course was isolated in the hospital. They had the hospital quarantined for three days, then the State Board of Health came along and quarantined the whole school, they even fumigated the mail. Last Saturday, however, they removed the quarantine on the school, it is still on the hospital but that will be removed now in a very short time.

We have a fine football team but it is composed inexperienced players, only two of them have ever played in big games. When they were down to Annapolis to play the Navy, they shied at the band and the crowd and were defeated 63 to nothing. Last Saturday they went down to play John Hopkins and defeated them 15 to 7. The score would have been more but there were a few fumbles.

We have more students on the grounds than we have had in years. General Pratt is coming back to visit us this week and I intend to have inspection and review for him.

Good-bye again, wishing you the best luck, I am

Sincerely yours,

Superintendent

My dear Mr. Francis:

As indicated in the inclosed copy of my letter of this date to Mr. Peter Tarbell, I shall be pleased to receive from you one year hence any information you have, or can conveniently obtain, as to the progress of this graduate in the way of self-support and successful occupation.

I think we should extend our personal encouragement, whenever practicable, to these students who have been worthily ambitious and have completed a full course of training.

MAY -2 1918

Mr. Peter Tarbell,

(Through Supt. Carlisle School.)

My dear Mr. Tarbell:

It is with pleasure that I hand you the enclosed certificate of educational competency. I think you showed good judgment in pursuing the Ford course in automobile mechanics, which should qualify you for a successful career in connection with an industrial line that will quite certainly be both permanent and progressive. I trust you will neglect no opportunity to become thoroughly efficient in this vocation, and that you will be careful of your earnings, having in view an accumulation of capital that will in time make you your own business manager.

I am advised that you are at present enrolled in the Army, and congratulate you upon this patriotic decision.

I should like to have you write me a year hence and tell me something of your experience and expectations. I shall also ask the Superintendent at Carlisle to keep me advised about your welfare. I cannot doubt that you will do your part well as a soldier, and gain much knowledge that will add to your competency in civil occupations for which I trust your life may be spared.

With best wishes, I am,

Sincerely yours,

(Signed) Cato Sells
