Commissioner of Indian Affairs,
Washington, D.C.

Sir:

Reference is made to your letter of April 26, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students over 21 years of age and who have completed the full course of instruction in the Government schools being delcared competent.

In accordance with these directions I have the honor to report that Mary Lone Chief, a full blood Pawnee Indian, 24 years of age, will be graduated from Carlisle School, if she passes her examination, on May 24th.

Superintendent Ralph P. Stanion reports that Mary has an allotment consisting of 160 acres described as SW/4 of Section 22, township 22 N., Range 5 E., and a 2/5 interest in the allotment of Lone Chief, her father, described as SW/4 of Section 29, Township 22 N., Range 5 E. He advises me that the alottment of

Lone Chief is appraised at $2725.00 and the personal allotment of Mary is appraised at $3080.00. Mary has no Individual Indian Money to her credit in his office.

Principal Blair reports that Mary Lone Chief is a fine girl, but slow of perception. She has considerable leadership, but is seriously handicapped by her poor English. She seems to be without the language sense. She has a good home and a fair income. She has been at Carlisle for five years.

Matilda G. Ewing, matron, reports that Mary is a young lady of good moral and religious principles, stands strong for the right and is a power for good as an officer of the girls' battalion. She commands the respect of her associates.

I do not recommend that the restrictions of Mary Lone Chief be removed now. She has not an affirmatively strong character. Should she marry, the manner in which her property will be handled will depend upon the character of her husband.

In spite of the fact that she is a fine girl and fairly well educated she should have a few years during which her character will mature and her future life be outlined before the question of the removal of her restrictions is taken up.

Very truly yours,

JF:R

Superintendent.

Rev. Harry Bock, Sr.,
Missionary to the Pawnee Indians,
Pawnee, Okla.

My dear Sir:

This is to acknowledge receipt of your favor of the 6th instant and to report that both the Mary Lone Chief girls are in as good health as they have ever been during their stay at Carlisle.

Myra was at an Outing home during the winter months but came in to school on June the 1st. She is now here at school and is the picture of good health. Mary has again gone to the State Normal School at Millersville in this state with other young men and women from this school to take the work offered there in the Summer Session. She took the same course last year.

I would thank you to convey such favorable information to Mrs. Lone Chief and to assure here that there is no objection at all to the girls' visiting at home if such action would meet with the approval of Superintendent Stanion. However, as Mary is now attending school it would not be advisable to have her leave until the close of the session and probably preferable not to take such a trip at all this year because the vacation that could be enjoyed would be but very

short on account of the fact that the school work for next year is to begin on September the 7th. As both the girls have done so well and have not been ill it is hoped the mother can be made to realize that their uninterrupted stay in school will be for their best interests.

Will you let me hear in what other way I can be of service in this matter?

Very respectfully,

EKM. Acting Superintendent.

(Copy to Superintendent Stanion.)

't Carlisle Indian School,
Carlisle, Pa.

Dear Sir:-

Mrs Jennie Lone Chief is very anxious to learn something definite regarding her two daughters that are attending your School.

Some how she has learned that one of them is very low with some ailment, and as she can not learn anything possetive from the Agent here she requested me to write to you asking if you will kindly write me and tell me for her, just how the girls are.

She also wonders why it is that they do not come home for the vacation, as others have.

It seems Mr. Stanion told Jennie that he knew nothing about the girls, and that it rested with you as to their coming home.

We have endeavored to get the Indians here to understand that the Sup't of the School. and not the agent here had the controle of the studenta while they were at school, and that when he deems it best for for the students to remain at school during the vacation, he is doing it for the good of the scholar.

Jennis is more exercised just now regarding the health of the girl that is in Philadelphis, as I understand it, so any word that you will kindly send for her, will be greatly appreciated,

Most Respectfully Yours,

Let me suggest that you take this letter to Dr. Harbold with your request and ask him to advise you what to do about accepting the invitation. ...ear sir:

As it's almost time for school to close this week, I thot I had better let you know what I entend to do when school closes, so that you may know just what time I'll be in at Carlisle.

We have school Friday morning & usual and of cause the classes are sometimes held till 12 oclock.

My last period is at 11 Oclock, but I entend to make the 205 train at Lancaster.

For many are to leave that after noon and that be a big rush.

So I think I'll take that train, cause I hardly think any body be on that from the school. And that will give me plenty of time to prepare for leaving.

And another thing is this, first I must say

ask for too much, but Mr Lipps
id I haven't enough to pay mine way
and for mine expenses.
mine trunk but to be taken to Lancaster that
ould cost me something, then mine fare
from here to Lancaster and then mine ticket.
Then I have to pay for mine books that I use
durning the six weeks.
And I want to make sure that I have enough
that I don't run short.
I think I have a few more dollars in mine account
there, and I would like to have only five dollars
so that I don't run short on anything.
By the way Mr Lipps I was invited to go to visit a
minesters family Mr Rev Lynch.
I met his daughter here as a student and we have
been good friends.
But I said I didn't know if I would be allowed
to go, and I said I would write and tell you.
But Mr Lipps if you think its best for me to come up
in Mill Hall its alright with me.
But they are very nice people
This is all.

Lucy will leave here on the train at 10.46 tomorrow morning.

Dear Sir:

My oldest daughter, Marguerite, has been taking a special course at Millersville Pa. and there met one of your charges, Miss Mary Lonechief, to whom she has become very much attached. I might say for your information that my daughter is 24 years old - has been teaching in the State Schools for 7 years - for the last 5 years in State High Schools - so I trust her judgment as to whether or not it would be safe. We are living in a Camp about 2½ miles from town during my vacation. Mrs. Lynch and I boss the camp - we are under canvass.

I trust you may see your way clear to allow Miss Lonechief to come to us and I promise to see her started back to you in such way as you may designate, at such date as you may set. I should like to have her with us not less than a week and preferably as much longer as your rules may allow. With Greeting,

Sir:

It cannot be necessary to reiterate my statement that Mary Lonechief and Sarah Monteith do have funds to their credit at this school to pay for the amounts due you for their tuition at the Normal School, but as such funds are to their individual credit and cannot be expended except by checks signed by them you will understand that since Mary did not return to school until last evening the remittance could not be sent to you sooner. I enclose herewith her check for an amount of $35.00.

As Sarah Monteith was called to her home in Idaho before your bill for her tuition was submitted to me it is now necessary to secure her signature to a check before it can be used by you. I trust, however, that there will not be any great delay in getting the matter adjusted.

Regretting that there has been this unavoidable delay, I am,

Miss Monteith left a few days after entering, but Miss Lonechief was here for the term. Our Treasurer, Mr. H. C. My dear Friend:

Referring to the letter you addressed to Mr. Meyer at this school on July the 3rd, this is to advise that it will be entirely satisfactory to me to have you make whatever arrangements seem best in regard to your studies. I would advise you to speak to your instructors and to do what they recommend.

Trusting that you have not been inconvenienced by this delayed reply to your letter and that you will get your courses adjusted so that you will derive the greatest possible benefit, I remain, with best wishes,

ENNSYLVANIA STATE NORMAL SCHOOL
MILLERSVILLE

July 3, 1914.

Mr Meyer
Carlisle, Pa.

Dear sir;

In regarding to the subjects I'm taking, are somewhat to much for me.
Arithmetic is alright + also drawing, but grammar is to hard, I cannot understand it, but What I mean is this.
The lessons we have are very long in every subject.
Arithmetic is hard, but I Want to go on with it, and stick to it.
The grammar students Who are taking this are far advance in this study and are trying to cover

ook in six weeks.
I really can't keep up, so
m going to drop that and only
take Arithmetic & drawing.
And take two hours in drawing
in place of grammar.
We have only 1 hr for every subject
but that keeps us busy,
We study all day and yet I don't
get around to all the subjects.
From morning till night but 6h
three subjects is hard.
Students, nearly all students are
taking 1 or 2 subjects, because
it is hard, and it makes it
twice harder for me and only 2 a.
So I spoke to the ~~Pro~~ Proffesor
and he said I could make
the arrangment with the drawing
teacher

But I first must let you people know. Just What I want done.
So that you can know.
So Mr Meyer will you Write and let him know that I have told you about this.
So that he can know for sure
He told me to let you know.
So this can be well understood.
Try and have the letter in about Monday so I can begin Monday.
Taking Arithmetic & Drawing.
But have two hour in Drawing instead of 1 hr, that will make it right.
Inplace of grammar.
Closing.
Resp
Mary Lonechief.

Mr. P. M. Harbold,
Principal, The State Normal School,
Millersville, Pa.

My dear Mr. Harbold:

I have spoken to Mary Lonechief and Sarah Monteith, the two Indian girls who are planning to enroll with you for the summer session at your school, about the work they intend to take and have learned that they desire to devote their time to the study of English Grammar and Arithmetic. The former may also decide to take Art and the latter some work in Music.

As no one from this school will accompany the girls to Millersville I would thank you to arrange so that some one can give the girls the necessary assistance in selecting whatever work it will be advisable for them to take.

Both girls have funds to their credit at this school and the bills for their tuition will be given prompt consideration if submitted to me.

Assuring you that any courtesy extended the girls will be appreciated by them as well as by me, I remain,

My dear Mr. Lipps:

Replying to your favor of the 12th, let me say that we shall be able to arrange to have the two girls from your school room together, and to give them whatever instruction seems best adapted to their needs. You will not need to make any arrangements before the 29th of June, except to see that the girls are properly prepared so far as their clothing and little personal matters are concerned. Students are provided with furnished rooms and table board, and all necessary things except towels, napkins, and any personal matters of that sort which they may care to have.

Will some one accompany these girls, when they come, who is in authority to assist in the planning of their programs? If no one accompanies them, I should prefer to have some note from you, stating what courses ought to be pursued by them.

Sincerely yours,

P. M. Harbold.

Before leaving the school I had made arrangments with Mr Lipps about going home this summer.

Mr Lipps gave me permonission that my sister and I may go for four weeks vacation after school closes here at Millersville, so that we may be back at Carlisle when school begins, and that I should write into the school two weeks ahead of time before school closes so that arrangments can be made.

Mr Meyer also made the

statement so that things
can be all arranged so that they
are not rush in a big hurry.

Mr Sipps said all I had to do
was to write in to the school and

Mr Meyer said it was best to

Supt. Carlisle Indian School,

Carlisle, Pa;

My dear Sir:

Referring to your letter of July 28th relative to the return to the reservation of Mary Lone Chief and Myra Lone Chief I wish to call the attention of your office to a letter written by Mr. Lipps under date of June 18th relative to the return of pupils at Carlisle to the reservation and in which he says that he feels that it is best for students to remain at Carlisle during the entire period for which they are enrolled there and only when the need of the parents make it imperative that students should return home.

With particular relevance to the case of Mary and Myra Lone Chief I have to state that there is no good reason for their return to the reservation for even a small part of the summer. Their mother is not living with her husband and she has at this time no home. The girls would be beset by all kinds of temptation and come into contact with the vilest part of our local invironment. Though our records show that Mary has $37.93 to her credit and that Myra has but $66.94 to her credit I do not believe that such use of their individual funds can be justified by their trip to the reservation at this time from such a distance, which at

best would be detrimental to their best interests.

My dear Mr. Stanion:

I have received your letter of the 2nd instant relative to the request for the return home of Mary and Myra Lone Chief, and as my letter of the 1st instant in regard to the matter has probably been delivered to you before this time I shall just add that the girls' return home will be effected just as soon as the amount required to provide transportation is deposited with you or at this office.

Very respectfully,

HKM.

Mr. Oscar H. Lipps, Supt.,

Carlisle, Pa.

My dear Mr. Lipps:

The mother of Mary and Myra Lone Chief is very desirous of having the girls return home for the vacation period, and if the same meets with your approval, and if their terms are not up, I believe that it would not be inadvisable to permit their return.

In case the same meets with your approval we will use every means in our power to see that they are returned in the fall, and if they have not sufficient funds, and you will advise me thereof, I will see that sufficient money is sent to defray the expense of their trip home and back to Carlisle.

Very respectfully,

VACATION REQUEST FOR PUPIL.

We, the undersigned, respectfully request that leave of absence be granted Mary Lone Chief

from ..... to ..... to

enable her to visit her home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Carlisle school on or before the last day of the leave of absence. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.

Miss Mary Lonechief,

Pawnee, Oklahoma.

My dear Friend:

I have received your letter of the 30th ultimo and am pleased to know that your sister Myra and you are having so pleasant a vacation at your home. I trust the remaining weeks of the vacation will be equally pleasant and that we shall hear soon in what way we can assist to complete arrangements for your return here in time to resume your studies on the opening day of school on September 5th, so that no time will be lost by you.

Noting further in your letter that you are anxious to have your brother enrolled here in order that he can be allowed the privilege of receiving treatment under Dr. Fox in Philadelphia, I must state that consideration cannot be given the matter until I am advised fully by Superintendent Stanion and the Physician who has a thorough knowledge of your brother's trouble. Let me suggest that you go to your Superintendent's office at once with a request that he submit full particulars with reference to your brother and whatever recommendation is

then made can be considered.

The blank in duplicate enclosed herewith may be used to submit an application for your brother's enrolment if it is learned that he is eligible for transfer here.

With best wishes, I remain,

Very truly yours,

HHM. Superintendent.

Dear sir:

My brother is planning to come to Carlisle this fall for three years that is if you approve of it, for this reason in the passed years he has missed schooling on account of his eyes and was kept out of school for some time. But he thinks he can get more advance work right at Carlisle on the line of Industrious work.

I have spoken to Mr Stanwix about this and he stated that it was up to you.

Will you kindly let me know in a week or two if this is alright.

The reason while I want him near Dr. Fox is because I know there can be more improvements on his eyes.

I am sure he will do his best while at Carlisle. Myra and I are getting along fine out here in Okla.
