Commissioner of Indian Affairs,
Washington, D.C.

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students over 21 years of age and who have completed the full course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Sarah Celia Monteith, a full blood Nez Perce Indian, 26 years of age, was graduated from Carlisle, having passed her examination, on May 24, 1917.

Superintendent Jacob Breid reports that Sarah Celia Monteith has a cash credit on the books of his office amounting to \$417.00. Her own allotment No. 1472, lots 14, 15, 18, and 21, Section 29, Township 32 N., Range 2 East, 80 acres, has an estimated value of \$4400.

She also has inherited interests as follows:

One-third interest in allotment 1468, lots

16, 17 and 32, Sec. 29, and lot 25, Sec. 28, Twp. 32 N. Range 2 E.B.M. 80 acres. Total estimated value \$4000.

One-sixth interest in allotment 1224, lots 11, 12, 13 and 14, Sec. 28, Twp. 32 N Range 2 E 80 acres. Estimated value \$4000.

One-sixth interest in allotment 1470, lots 22, 23, 26 and 27, Sec. 28, Twp. 32 N. Range 2 E. 80 acres, estimated value \$4000.

One-sixth interest in allotment 1471, lots 19, 20, 21, 28 and 29, Sec. 28, Twp. 32 No. Range 2 E. 100 acres. Estimated value \$4800.

In addition to the above she is apparently an heir to one-half of the following property belonging to Moses Monteith, her father, recently deceased.

Allotment No. 1467 of Moses Montieth. 120 acres. Estimated value \$6000.

One-eighth interest in allotment No. 1394, containing 97.50 acres. Estimated value \$3000.

11/96 interest in allotment No. 714 containing 79.81 acfes. Estimated value \$3500.

One-third interest in allotment No. 1103 containing 100 acres. Estimated value \$4200.

One-third interest in allotment No. 1468 containing 80 acres. Estimated value \$4000.

One-sixth interest in allotment No. 1224 containing 80 acres. Estimated Value \$4000.

Two-thirds interest in allotment 1470 containing 80 acres. Estimated value \$4000.

Two-thirds interest in allotment No. 1471 containing 100 acres. Estimated value \$4800.

All of this land is located on the Nez Perce reservation.

From this it is apparent that Sarah Celia Montieth is worth approximately \$25,000.

principal Bluff reports that Sarah is a quiet unassuming girl with a good character in every way.

6/9/17

There is nothing brilliant about her. She may be classed as fair in the ability she shows in the work of the school. She is dependable and steady in everything she does.

Matilda G. Ewing, matron, reports that Sarah Montieth is a girl of good moral character. She is of a very kindly but very sensitive disposition. She stands firmly for the right as she sees it. She has been a splendid officer during the year. Mrs. Ewing considers her a good housekeeper and has average ability as a seamstress.

Sarah Montieth is a typical full blood Indian. Her English is not particularly good. I understand that she is soon to be married to a young man on the Nez Perce reservation. The manner in which her property will be handled will be governed to a very great extent by the character of her husband. In view of the large amount of property in which Sarah is interested it would seem that this full blood girl is entitled to a few years in which her life may outline itself before final action is taken to remove her restrictions, and I so recommend.

The papers are enclosed.

Very truly yours,

DEER

Superintendent.

My dear Mr. Lipps:

I have your favor enclosing check for Miss Sarah Monteith's bill. Enclosed herewith find receipted bill for the same. I beg to thank you for your courtesy and wish to state in behalf of the girls that we enjoyed their stay with us and their work was, in a measure, satisfactory. I presume some of it was a little too far advanced for Miss Lonechief; however, they got considerable experience from their mingling with our young people here. Their conduct and deportment merited our highest praise.

Very cordially yours,

P. M. Harbold.

I am sorry Miss Monteith could not continue to the end of the term.

My dear Friend:

When I made inquiry about the letter you referred to in your favor of July the 28th I learned that all your mail has been forwarded to you at Fort Lapwai. If anything else is received here for you it will be forwarded to Kamiah, and I trust you will not have any difficulty about getting what has already gone to the Fort.

I was pleased to learn that you are taking advantage of the opportunity to continue with your music and that the girls with you are also being instructed. If you do have to stay at home to assist with the duties in your father's home you can yet continue with your education along musical and other lines. Whatever I can do to assist you in your efforts I will gladly do.

Kindly remember me to your father and let me hear from time to time how you are getting along.

Dear Friend

I know you have not forgotten about me but I thought I ~~would~~ write as it becomes necessary at this time to ask you about the money you had asked for me.

As I didn't draw amount
needed for the summer
I'm afraid Lora can't
stand paying for me any
more.

Her course for the summer is paid more than mine is, and besides I too, am planning

to take up algebra for
the last three weeks.

So please let me know
about this matter as soon
as you have the time.

All of the Carlisle people
are well and we certainly

here. This surely is one

I am glad to know you like Chautauqua and that you feel that you have not made a mistake in choosing Chautauqua rather than the Millersville Normal.

Dear Mr. Liggett:

When permission was given Sarah Monteith and Cora Battice, two of our Indian girls, to take part time work in the High School in Carlisle we failed to make any definite arrangements about the tuition fees that would be charged for such part time instruction.

I have noticed that bills for tuition have been received on which the charges are the same for the part time work that has been taken by Sarah and Cora as for the full time work that has been taken by Mary Lone Chief and Lucy West. Before checks are sent to you I would appreciate hearing whether an error has been made or what your arrangements have been in similar instances.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Miss Sarah Celia Monteith,

(Through Supt. Carlisle School.)

My dear Miss Monteith:

Since completing a course in home economics at Carlisle, a patent in fee to your allotment, No. 1472, comprising 80 acres of land, has been issued and I am enclosing to you a certificate of educational competency, believing that you are fully capable of managing your own personal affairs.

I am advised that since graduating you have become the wife of Mr. Harry Moffett, who is reported to be a young man of good business qualifications, industrious and progressive.

I congratulate you upon having so soon a home of your own in which I feel sure your training at Carlisle will be of real value. I trust the future will bring to you much happiness and full opportunity to give to the community in which you live and to all your associates the example of a beautiful and elevated home life.

I hope, also, that you and your husband will make good use of your land which seems to be quite valuable, and if possible keep it free from encumbrance.

I shall be glad to hear of your success and wish you would write me a year hence something of your plans and prospects.

Sincerely yours,
