## **INDORSEMENTS.**

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Sallie was placed with Mrs. Dickerson June 1, 1916 and very soon after that date, Mrs. Dickerson left Northwich for her summer home at Cohasset, Mass. Hence I did not visit Sallie in Mrs. Dickerson's home but Mrs. Dickerson's written reports gave Sallie most excellent credits. Mrs. Dickerson and family are very fine people and Sallie's former record was excellent, also so there is no doubt but that the summer outing was a most beneficial one for Sallie and a happy one for Mrs. Dickerson and her family.

BIOGRAPHICAL SKETCH:

She is the daughter of John and Hazel T. Money Greybeard of Cherokee, North Carolina. Her father is dead. Her mother did not finish grammar school. She has worked in all industrial departments at Carlisle since coming here. She is well qualified as a seamstress.

September 20, 1917.

Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Sallie Greybeard, a  $\frac{1}{2}$  blood Cherokee Indian, 18 years of age, passed her examinations and on May 24, 1917 was graduated from this school in Home Economics, in accordance with the tentative course of study.

Principal Blair reports that Sallie has been at Carlisle three years. During this time she has been alert to the opportunities around her and has improved wonderfully. She has a bright, receptive mind, is eager to learn and generally applies herself well to her lessons. She is particularly fond of debate and shows considerable ability in argument. She is not so apt in industrial work and is inclined to be a little careless, but competition in any line of work spurs her on to do her best. She is ambitious to get a college education.

Matilda G. Ewing reports that Sallie is a capable girl, industrious economical, has good executive ability. She has a temper that will have to be kept under control. She is a good Christian worker and one of our good girls.

Sallie<sup>e</sup> is in good health, and is careful in spending money.

Superintendent Henderson reports that Sallie has no real property and no money on deposit to her credit. The eastern Cherokees have never been allotted and they occupy their land as tenants in common. This band of whom there are about 2260 has about 60,000 acres of land, mostly mountainous, and when this land is divided Sallie will receive her share.

Sallie is still too young to be placed upon her own responsibility, but she has excellent opportunities. The Cherokee lands will not be divided for some time and it is probable that Sallie will be able to manage her own affairs, when this time comes. There should be no action taken at this time in this case.

Very truly yours,

Superintendent.

DEPARTMENT OF THE INTERIOR

Cherokee, N. C. Aug. 28, 1917.

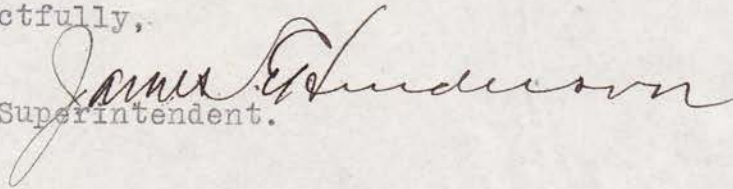

Mr. John Francis, Jr.,  
Superintendent Carlisle Indian School,  
Carlisle, Pa.

My dear Mr. Francis:--

Your letter of July 10, 1917, in regard to Sally Greybeard, a graduate from your school on May 24th, has been inadvertently overlooked.

This girl has no real property and no money on deposit to her credit. The eastern Cherokees have never been allotted and they occupy their land as tenants in common. The band, of whom there are about 2280, has about 60,000 acres of land, mostly mountainous, and there is in the neighborhood of \$140,000 in banks to the credit of the tribe. When this land and money are divided Sally Greybeard will receive her share.

Very respectfully,

  
Superintendent.

My dear Mr. Jackson:

I am in receipt, through Miss Lida M. Johnston, Girls' Field Agent, of a letter from Wm. T. Melchoir, Principal School District of Narberth, enclosing a copy of Sallie Graybeard's record together with the course given here.

For your information I might say that Mr. Melchoir has been familiar with the work done at Carlisle for several years, having brought his Senior class here at one time.

I am sending this letter to you because it will emphasize in no uncertain degree the very things for which we are striving and which we endeavored to point out to you. We of course understand that if a college demands Latin or it's equivalent for entrance purposes, we could not substitute blacksmithing or domestic science, but we do feel that this training is of sufficient value to give advanced standing in the average High School course. I regret exceedingly that you were unable to stay longer with us because I feel that you might better understand our ideals and the goal towards which we are working.

I am also enclosing the permanent record of Sallie

Graybeard and ask that you return them when you are through with them.

Sincerely yours,

JF-E

Miss Lida M. Johnston,  
Girls' Field Agent,  
U. S. Indian School,  
Carlisle, Pa.

Dear Miss Johnston:

The enclosed copy of Sallie Graybeard's record will show you the credits we have given her. Although some of them would not be accepted by colleges for entrance credit, and certain high schools would allow no credit, we take pride in giving credit for all work done by a conscientious student in any good institution. Until American education is based upon this fundamental principal for which I have always stood, I feel there can be no true democracy. Why should not every high school in the land offering regular courses, not give credit for Child Study, Industrial History, and Domestic Science and Art, as it is taught in Carlisle?

If Sallie's verbal report is correct, then we take pleasure in giving her fifteen credits for her three years in Carlisle. If the arithmetic and physiology were pre-academic, we cannot give credit, but even then she would have thirteen credits, which is two more than is necessary to enter the senior class. This year she is taking English, Physics and History, for which we will give three credits; she is also taking beginning German and beginning Latin. For these she will receive credit provided they are not to be used as college entrance credits, for as usual one year in a language cannot be counted until the second year is completed, at which time two credits are then given.

I am unable to send a copy of our course of study, as it is not in print and our typewritten copies are not sufficiently duplicated, but if you need it or are definitely anxious to know what we are doing, I shall be only too pleased to have a synopsis of the same made and sent to you. Do not hesitate to ask for it.

I shall follow your suggestion relative to Ella  
Israel.

Very sincerely yours,

(Signed) Wm. T. Melchoir

Dear Madam:-

I have your letter saying that you want your daughter Sallie Graybeard home this summer as her time at this school has expired. It is true that Sallie, having completed the course here, is entitled to go home but as it was her own wish to go under the outing, I could not very well force her to do otherwise.

She is at present living with Mrs. D. W. Pedrick, 5620 Central Avenue, Ocean City, New Jersey and as far as I know is contented and happy.

If you wish her to return to you in the fall and she wants to go, I will be glad to arrange this for her.

Very truly yours

Dear Mr. Francis:

I wonder if it is possible for me to draw ten dollars from my account at Carlisle.

Mrs. Nickersons is paying me but I need more this month as I want to have some dentish work done, and yet a number of necessities for winter.

With what money I have already this amount will be sufficient, as I do not spend all I earn, but put it away, and when I do that I cannot get it again.

I am doing my best to live up to all of the old Carlisle standards, and I am proud to know that I belong to Carlisle.

Mr. Melchoir, our principal, is such a splendid man, and so interested in all his pupils, I am so glad I came to his school, for just knowing him is worth while.

With him the "Arrow" has found, or made for itself a very prominent place in the Washburn High. To-day he read two extracts from the November number in assembly, and in all of our class rooms, we have on the bulletin boards, copies of those "Laws of Good Citizenship."

I made senior class here, all my subjects but Latin & German being 12<sup>th</sup> grade, and Mr. Melchoir says I will not have enough credits to entitle me to a diploma, but that there are a couple of us to whom he will give certificates. So I am just wondering, if next fall I should be able to enter one of the Philadelphia Hospitals.

That being the kind of work I wish to follow, and I know it is work too for I have been in one.

Very respectfully,

Sallie Grey Beard.

Dear Mr. Francis:

I wonder if it is possible

P. S. I saw a number  
old students in Mr. M's

please do not put mine in.

Dear Sallie:- I had a letter from your mother about a week ago, requesting your return home and I at once referred it to Mr. Henderson for his advice and recommendation. I have not heard from him yet but when I do I shall write you at once. We will act as he recommends.

I should dislike very much to have you leave your school work at this time but will do whatever Mr. Henderson thinks best. It maybe your mother will come out all right and it will not be necessary for you to go to her now. We will hope for the best.

Dear Mr. Francis:

I have just received  
the letters from home,  
and am writing to you  
to know just what to do.

A letter from one of  
my sisters says that Dr.

Reeves seemed confident  
that mother's operation  
would be successful, and  
she thought it best for me  
to not come.

Yet if mama wants

me I do not see how I can  
stay, because I feel that I should  
go, and if I go I know I shall  
be unable to return, for  
two reasons. I would not  
be allowed to come back, and  
I could not pay my fare back,  
and after having earned  
money myself & know what  
it means I should not  
think of asking the folks.  
So that's where I stand. I  
shall be anxiously waiting  
to hear from you, I am,  
Respectfully, *Bessie Gray Bird.*

Dear Sallie!:-

I have received the following letter from  
Mr. Henderson,-

\*Referring to the letter from the mother of Sallie Graybeard to you asking that she be returned home at once, I have to advise that since the writing of the letter, Sallie's mother has been taken to a hospital where she has undergone an operation for cancer and I am advised by the surgeon who performed the operation that she may live many years. It seems to be well nigh cruel to compel Sallie to return home just now and leave her school work. Her mother has a mother and several married daughters who could care for their mother until she recovered, if they would. I would advise allowing Sallie to remain at her work until you hear from me again. She can address her mother in care of the Mission Hospital, Asheville, N. C. "

This seems to me like a very encouraging report regarding your mother. I will let you know immediately if I get any other report.

Very truly yours

Dear Madam: Miss Sallie E. Graybeard who has made application for admission to your school is a graduate of this school Class 1917. She is one of the brightest girls we have graduated lately. She is ambitious, energetic, has a good disposition, is in splendid health and I believe would make a successful nurse.

She came to Carlisle four years ago with a view to preparing herself to enter your Hospital and has worked towards this end ever since. She graduates from the Narberth, Pennsylvania High School this coming Friday.

Dear Madam:

I have your letter inquiring about  
your daughter, Sallie Greybeard.

Sallie is in splendid health, attend-  
ing public school at Narberth, Pa., and  
getting along nicely in every way. She  
lives there with Mrs. L. W. Nickerson and  
a letter addressed to Narberth, in her

Dear Madam,-

Miss Sallie Graybeard, a Cherokee Indian, graduate of this school Class 1917, writes me that she has made application to you for entrance into your Training School and that you have accepted her for September 4, 1918.

This is to inform you that Miss Graybeard has been a student of this school since October 1914. She graduated in May 1917 but has been kept on the rolls while she attended High School in Narberth, Pa. where she worked for her board while attending school. She graduated from that school last month.

If you have any reference forms to give you definite information regarding your applicants, I will be glad to have you send me one for Miss Graybeard.

Miss Graybeard came to this school nearly four years ago with the determination to get a Nurse's diploma from one of the Philadelphia hospitals. She has been working towards this end and is now ready, I know to give satisfactory work wherever she may be placed. She is strong physically, a girl of splendid character, pleasing manners and one of the brightest girls we have graduated for several years. I take great pleasure in recommending her to you.

Mrs. Denny:

I have sent a home letter  
and as I wanted to write to Paoline  
very much I am taking this  
chance to do it.

I received word from the  
Jefferson Hospital that every  
thing is very satisfactory,  
and so they have put me  
on their waiting list.

As much as I would like  
to go there. I don't believe I can  
wait, so Mrs. W. & I went to  
the Halnemann, & Miss

Wood the Sup't, has accepted me  
for Sept. 4. If she gets  
satisfactory references, and  
I would be very grateful if  
I could get another letter sent  
to her from Carlisle.

I hate to put you to this  
bother over again, but I hope  
it may be done. & I am

Dear Sir:-

Sallie Graybeard has decided that she would better go home to her mother for a visit. She will therefore leave Carlisle Wednesday afternoon and should be due at Ela the following day. Will you notify her people that she is coming this week ?

Sallie has made all arrangements to enter the Hahnemann Hospital this fall. She has her Nurse's outfit all ready. We fear that when she gets among her own people, she may be tempted to give up the Hospital work and stay with them. We do not want Sallie to give up the Hospital work and hope that she will follow her up and do whatever you can to encourage her not to give up her present plans.

Dear Sir:

I am in receipt of your letter of August 2, 1918 calling for my recommendation in regard to the two Wahyahneetah children returning to Cherokee. Their father has been to me and requested that they be returned to Cherokee. They have a good home and are kept under good discipline when there. I therefore see no good reason for their not returning.

The mother of Sallie Greybeard is ill and has asked that her daughter be returned home. The doctor says that the mother will likely live several weeks and may live several months but that there is no hope for her to recover.

Very respectfully,
