### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

## INDIAN AND JAP GIRL IN CAMPAIGN FOR HOME

**"THE HUMMING BIRD" AND YSAU TAKAZAWA**

These two young women, one an Indian and the other a Japanese, are working for the \$150,000 fund being raised for the Home from Christian Workers of the Reformed Presbyterian Church. The girls have been highly successful in their collections.

## INDIAN AND JAP GIRLS AID FUND

Alta Printup, or "Humming Bird,"  
and Yasu Takazawa Collected for  
Christian Workers' Home

### BOTH ARE STUDENTS HERE

There are three young women whose enthusiasm in behalf of the Home for Christian workers of the Reformed Presbyterian church has brought many a dollar to swell the fund in the Home campaign now going on. And these young women are a full blooded American Indian, a Magyar, and a Japanese.

Alta Printup is of the Tuscarora tribe, native of New York. Irene B. Basso claims the Magyar region of Hungary as her ancestral home, though she herself was born—of Magyar parents—in Connecticut. And Yasu Takazawa hails from northeast Japan. All three are students at the Home, and each intends to be a deaconess, and to work among her own people.

"We can see an end to the war but no end to the results of this work"—it is the unanswerable reply which the Indian girl gives when people hold up a long list of war societies as an excuse for not contributing to the school for Christian Workers. The reply indicated Miss Printup's sincerity of purpose, a sincerity which her instructors say will make her a valuable teacher within her own tribe.

#### "HUMMING BIRD" HER NAME

This "real" American girl could not speak a word of English up to her ninth year, a fact almost incredible in view of her exceptional vocabulary now. "Chu-

tasa Watha" or "Humming Bird" her people called her. "Song-bird" would have been even a better name, for she has a beautiful soprano voice.

After attending a boarding school in New York, Miss Printup entered the Carlisle school. It was here that she first heard the call of her people and realized their need of a home missionary. "Your missionaries are splendid," she says, "but when the Indians have one of their own race—Well, it is somehow more home-like." It is not remarkable that the Indian girl should be religiously inclined, for her grandfather was an Indian Baptist minister.

After completing her course at Carlisle she came last fall to the Philadelphia School for Christian Workers of the Presbyterian and Reformed churches, 1122 Spruce st. She completes the course in two years.

Miss Takazawa has only one year more of schooling before she starts home as a missionary. Now and then she grows lonesome for the exquisite cryptomeria avenues and lovely mountains of her own town, not far from Nikko—that "splendor spot of the East." In Nikko are the most magnificent temples in Japan, which rank among the most magnificent in the entire world. And nearby this very gold-and-lacquer heart of shintoism Miss Yasu Takazawa intends to set up her banners of Christianity.

When Irene Basso has completed her studies she, also, wants to return to the old homeland for social service work. A fair-haired, blue-eyed young woman, with rosy cheeks, there is something about her reminiscent of the keen, clear mountain air and crisp forests of her parents' home. "A charming country, Hungary," she tells you with a wistful reminiscence of a summer spent there. "Buda-Pesth, you know, is a double city, with the Danube flowing through its midst. You can't imagine the beauty of the Danube and the mountains. I'll go there after the war."

Rev. E. H. Kellogg,  
Pastor Second Presbyterian Church,  
Carlisle, Pa.

Dear Rev. Kellogg:

Alta Printup, one of our Indian girls who has been attending your church, came to me this afternoon and informed me that she has decided to become a Catholic. This information came to me as a great surprise since Alta has been one of our active students in our Protestant meetings. She affirms that she has long contemplated this change but has delayed doing so until she became of age to decide the matter for herself.

The following paragraph of the "General Regulations for Religious Worship and Instruction of Pupils by Government Indian Schools" issued by the Indian Department under date of March 12, 1910, governs in cases of this kind:

"Paragraph 2. Should a question arise as to which church pupils belong, they shall be classed as belonging to a certain denomination as follows:

(b) "Those who, regardless of previous affiliations, Christian or pagan, having attained the age of 18 years, desire to become members of any denomination."

Rev. E. H. Kellogg -2

Alta is past 18 years of age and under the regulations she has the right to select the church she shall attend, but in order that you may have an opportunity to talk the matter over with her I have requested her not to take any action in the matter until after next Sunday, and she has agreed to do this.

Very respectfully,

L/B

BIOGRAPHICAL SKETCH:

She is the daughter of Charles and Leah Green Printup. Their home is at Lewiston, New York. Father is a farmer and both parents have fair education. She has worked in all industrial departments since coming to Carlisle and likes them all. She wishes to be a missionary among the Indians and has gone to a training school for that purpose.

September 20, 1917.

Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

Reference is made to your letter of April 28, 1917, in which you direct attention to that paragraph of the Declaration of Policy in the Administration of Indian Affairs which refers to Indian students who have completed the course of instruction in the Government schools, being declared competent.

In accordance with these directions I have the honor to report that Alto Printup, a  $\frac{3}{4}$  blood Tuscarora Indian, 18 years of age, passed her examinations and on May 24, 1917 was graduated from this school in Home Economics, in accordance with a special course.

Alta is the daughter of Charles and Leah Green Printup. Their home is at Lewistown, N. Y. Her father is a farmer, and both parents have fair educations. She wishes to become a missionary and has gone to a training school for that purpose.

Principal Blair reports that Alta is a handsome, talented girl. She is very intelligent; one who wants to know the reason of things. She has leadership; plenty of initiative, and executive ability. She is studious, and is ambitious to develop her voice, which is a beautiful soprano. She is dignified and reserved in manners.

Matilda G. Ewing reports that Alta is a good Christian girl. She has been loyal to her trust, and is a good disciplinarian.

Alta is in good health, and spends her money rather freely.

--2--

Alta comes from a New York tribe over whom the government has exercised no restrictions upon person or property. I would recommend a certificate of competency be issued to Miss Printup.

Very truly yours,

Superintendent.

Answering your letter of the 6th instant, have to say that your trunk is on the way. If you will call at the depot in a few days I am sure that you can get it.

All arrangements were made for you to start from the Girl's Quarters, and if these arrangements had been carried out as were ordered you would not have had this delay in getting your trunk. When people do not do right something wrong is sure to happen.

My dear Madam:

Referring further to your letter of October the 15th and my reply thereto on the 17th instant, I have to advise that your daughter Alta was returned to school last week. Since then our school physicians have made a careful examination and have recommended that she be given permission to return home until an improvement in her condition can be reported. Therefore, just as soon as the required amount of about nine dollars is received here to pay for her transportation she will be sent to you.

Alta is not ill, but her condition seems to be such that an entire cessation of work and study will probably be of benefit to her.

Dear Madam:

Your daughter Alta as you know finishes her school work this coming week and will soon be ready to continue her studies elsewhere. Through the efforts of some of her friends in the Presbyterian Church in Carlisle she may be able to obtain a free scholarship in the Philadelphia School for Christian Workers where she can also continue her study of music.

While such plans are not yet definitely settled, the ladies interested tell me that they feel quite certain all will be settled as soon as it can be arranged for Alta to go to Philadelphia and see Dr. Blackburn, who is at the head of the school mentioned. We hope to arrange for Alta to go to Philadelphia about the first of June.

I believe this is a splendid chance for your daughter and personally I would be

glad to do what I can to help her. However, I do not want to plan anything for her away from the Carlisle School until I have your full permission to do this.

Will you please let me hear from you at an early date so that no time may be lost in getting Alta settled for the coming year.

Dear Sir:

I find your letter of May 18th awaiting me on my return from the General Assembly. My secretary wrote you that I would take the matter up on my return home. The time set by Miss Richards for bringing Miss Printup, one of your graduates, to see and talk with me about entering our school is quite satisfactory and I will be glad if you would learn at about what hour I might expect her on June 2nd. Tell her to come to room 628 Witherspoon Building. I will be glad to know from you what you think of Miss Printup as a student; how well she took her course with you and what you think of her possibilities as a Christian Worker. There is a great need of trained workers for our Indian work and if there are possibilities to Miss Printup we will be only too glad to have her with us.

Hoping to hear from you with anything you may have to say about her, I am

Dear Mr. Francis: -

To-day, June 6<sup>th</sup>, I am placing Alta Printup with Mrs. Walter S. Talbot, 505 N. Walnut St. West Chester, Pa. - to remain under the Acting until about September 20<sup>th</sup> when the Presbyterian School opens.

I presume Alta's trunk is packed at Carlisle awaiting disposition. I think it would be best to ship it express collect to Mrs. Talbot. She will also pay Alta's carfare from Philadelphia to West Chester. I think Mrs. Richards will probably stand for Alta's carfare from Carlisle to Philadelphia. It seems reasonable to adjust the expenses that way.

Dear Alta:

I have Miss Johnston's report of her visit to you and after reading your mother's letter and thinking the matter over on all sides I believe that you should return to your home.

I am returning the money order for \$11 which Miss Johnston also sent to me so that you can use this to pay your expenses home.

I hope that you will have a pleasant vacation and get all the rest you can so that you may be prepared for the work which you have undertaken for this coming year. I am sending this letter to Mrs. Talbot to give to you so that she may know what I have written to you.

I am also sending a copy of this letter to Miss Johnston so that she may know the decision reached in your case.

You and Mrs. Talbot can arrange as to the best time for you to leave and let me know this date so that I may have your name dropped from our rolls at the time you leave your outing home.

Dear Sir:

With your permission  
I would like to leave  
here to return to my  
home in New York.

I have conferred with  
Mrs. Talbot and my going  
meets with her approval.

The condition of my health does not permit me to do justice to all my duties. Mrs. Talbot says she is pleased with my work, as is proved in her monthly report of me, but it is unjust to her for me to remain when I am unwell.

I have fully served the agreed time at Carlisle and will the expense of

my transportation be met by the school? If not, then send the balance of my account from my earnings.

We agreed that I would leave next Thursday, July 19. I shall go from here by way of Philadelphia.

Please let me hear from you as soon as possible.

My dear Sir:-

Alta Printup, who  
has been with me almost five  
weeks, has just told me she  
intends leaving for her home  
Thursday week to take a vaca-  
-tion so she may be ready for  
her fall work.

I understood she would  
be with me for the summer. I  
don't know where to find any  
help, as the only "possibility" took  
a place today, before I knew  
Alba's intention. My baby is  
sickening and requires a good  
deal of my time, so it seems  
unfortunate I must change.  
Can you send me another  
Indian?

If Miss Johnston will be  
in this vicinity soon, I shall

be very glad to see her.

An early reply will  
be greatly appreciated.

Yours truly,

Mrs. Walter S. Talbot.

Your request for Alba's home  
letter has just come. I knew

Mr. John Francis, Jr.,  
Supt. Indian School,  
Carlisle, Pa.

Dear Mr. Francis:-

The enclosed letter and money order are from Alta Prineps home. Alta says she did not write about going home nor ask for money. As to her mother's illness and need of her, - we have but short letters. I talked matters over with Alta on Wednesday when she gave me her mother's letter. As Mrs. Talbot was not at home I made another trip to-day to see Mrs. Talbot and Alta.

This morning Alta received a second letter from home containing this money order for \$11.00 sent by her father - This letter is from her brother.

Alta's reasoning is thus:- that her health is not good and the work requires so much of her time that she would not be in good shape for her full duties. Truly, I believe Alta is not constitutionally strong and she was in rather a nervous state when she came to the country but the work and time propositions were easily settled. The quiet home life really has been good for her were she not so self-centered. She remarked that since this was not her life work she did not care to stay in the country.

DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN SCHOOL  
CARLISLE, PA.

Further:- that she did not understand she was coming to an outing home and since she is not in school, as she expected to be, but making she might better be working for her own mother who is ill and needs her.

I believe the argument in regard to her mother is reasonable and since Alta is a graduate and could help her mother, would it not be advisable to let her go home? Her fall prospects are assured and in her own hands.

There is no fault to be found with her work. She cooks well without supervision, is slow, but does all her work in a thorough manner and is satisfactory in her home. However, I feel Alta is somewhat above her work and <sup>has</sup> that spirit. She has a voluminous correspondence, receiving frequently bulky letters from Detroit, Michigan.

Should you decide that she cannot go home she will remain where she is and I will have a doctor prescribe for her. Should she go home I think we ought to fill her place. Perhaps I can manage with a transfer pending, if you will let me know your decision.

Very respectfully,  
Lida M. Johnston.
