Anita Davis

-1 9 1 8-

Senior

I was born in the western part of North Carolina in a little town called Swayney on April 15, 1899. I have three sisters but no brothers. My mother is still living, my father died when I was quite young.

When I was five years of age I entered the Eastern Cherokee Boarding School in North Carolina; I went to school there until I finished the eighth grade in 1914. In the winter of 1915 I came to Carlisle and entered the seventh grade but did not finish it. In the spring of the same year I went under the Outing and stayed until I finished the ninth grade.

As I wanted to own a Carlisle diploma I finally decided to come back to Carlisle for my last term. I have entered the Fourth Year Vocational class and like my studies very much.

A special event in my life was when I visited Washington on my way to Carlisle.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Sir:-

Anita Davis has completed sufficient work in the Academic department to insure her making the Senior Class next fall but has nothing to show for the industrial work she can do since she has been under the cutting most of her time as a pupil here. Do you have a record of the work she did in the sewing room in your school so that you could give her a certificate ? She says she was in the same class with Sallie Graybeard down there.

Anita is very ambitious and is getting along splendidly in her school work. She wants a Carlisle diploma and I know she will appreciate anything you can do to help her as stated above.

Very truly yours

Superintendent.

Mr. John Francis, Jr., Superintendent,
Carlisle, Pa.

My dear Sir:

I have your letter of May 25, 1917 with reference to the industrial work completed by Anita Davis in this school. It is our recollection that Anita ranked with the best of our girls. She was less efficient in sewing than in any of the other industries as we were compelled to keep her out of the sewing room on account of her health. However, we are willing to give her a certificate for finishing all of the prevocational work in the Cherokee School.

I am very glad to hear that Anita has done so well and I trust that you will tell her that I am pleased to get such good reports.

Very respectfully,

Superintendent.

Dear Anita:

I have your letter asking if you can go home during the early part of this month, to return in the fall to attend the Berwyn High School.

You perhaps do not know that the Carlisle School has been abolished, and although we can pay your fare to your home, we will have no funds to take you back to your outing home. You will either have to make up your mind to remain with Mrs. Matlack and give up your trip, or else return to the school the last of this month. I am sending Mrs. Matlack a letter of instructions in this same male.

With this knowledge you can talk over your plans again with Mrs. Matlack and let me know what you will do.

Very truly yours,

Dear friend,
I have finished my day's work and so I am going to write a few lines to you at this time.

I want to say I am having a very pleasant time here at my country home. I have a very nice country mother. We were down to Ocean City for two whole ^{weeks} my, but we did have fun while there.

Owing to the fact that school will soon be starting I would like to know if I would be permitted to go home the second week of this month and stay for a couple of weeks and then come back and go to Berwyn High School. My country mother has made it possible for me to go to school there. She has also offered to pay my car fare which I think is very kind of her and I shall do my best in helping her in return.

As I have not been home for three years I feel I ought to go and see my folks. My mother has written to me several times asking me to come home.

Also, I would like to know if the Government would pay for my return if I do go to school.

Expecting a prompt reply.

I Remain,
Ainta Davis
