The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Principal Blair reports that James is a very steady and reliable young man. He is not very rapid in his school work, has to work hard for what he gets. However, he puts forth honest effort and what he gets he retains. He is one of the most dependable of our students. He has a good voice and is an excellent speaker. He is thoroughly qualified to manage his own affairs and would develop with the responsibility.

James does not spend any more money than is necessary. His health is good.

In view of the fact that James has received a good education and has also a trade upon which he can rely, I have no hesitancy in recommending that the Government remove all restrictions upon his person and property. I, therefore, recommend that he be granted a fee patent covering his land, and that his funds be turned over to him.

Reports of Principal Blair, Superintendent Hinton and James' autobiography are enclosed.

Sincerely yours,

I was born at White Earth, Minnesota May 2, 1898. My father's name is Gus Holstein, Sr. and my mother's maiden name was Elizabeth Parish. I have five brothers and one sister living. My mother died December 27, 1904. I remained with my father until I was thirteen years of age. During that time I attended a boarding school for about three years and a few months in a public school. After that I entered Carlisle. I have attended this school for five years and I also attended a public school under the outing system. My ambition is to become an automobile machinist.

Dear Mr. Francis: -

Responsive to your request of February 11, 1918, there have been prepared and are transmitted herewith certificates showing the citizenship and allotment data of Ruby Childers, Bessie Hall, Mary Larsen, Green Choate and Robert L. Harris.

You will note that Ruby Childers is enrolled as a Creek "new born" opposite number 387, 7/8 blood, and is a minor. Bessie Hall is enrolled as 1/4 blood Cherokee, and Robert L. Harris is enrolled as 1/8 blood Choctaw. These two allottees are therefore of the unrestricted class. The entire allotment of Green Choate is restricted, and the homestead allotment of Mary Larsen is restricted.

If there is any additional information you desire, kindly advise and the office will be glad to furnish it.

Mr. James Holstein,

MAY 24 1918

(Through Supt. Carlisle School.)

My dear Mr. Holstein:

Having had five years of training at Carlisle and having completed a good trade course, I am sending you the enclosed certificate of educational competency as evidence of your ability to manage your own affairs.

I see no reason why you should not realize your ambition and become a good automobile machinist, and in that event your services should be in demand at wages from which you can easily make a net saving every year until you have enough capital to start a business for yourself.

I note that you have about 160 acres in allotments. Should you receive a patent in fee to this land, I trust you will be very careful in its management and under no circumstances encumber it heavily or dispose of it at less than its real value.

The world is before you now, James. Face it manfully, hopefully, industriously, and with loyalty to your highest ideals. I want you to be a model for many other boys of the lower classes in school, and a creditable example among the people where you decide to live.

Write and tell me how you are succeeding a year from now. I shall hope to hear from you through others also.

Sincerely yours,

(Signed) Cato Sells

Mrs. A. C. Colonahaski,
Box 801, Akeley, Minnesota.

My dear Friend:

Replying to the letters you have written recently in behalf of giving permission to your brother James for his return home for the summer months in order that he can see your aged father, I must state that I shall not object to his going if some help can be given him about providing the amount that will be required to pay for his return transportation. James has been given permission to spend a week at the home of your brother in Hershey, Pennsylvania, and upon his return from that visit it will be determined just what can be done about letting him come to Minnesota as he expects help may possibly be given him by your brother at Hershey toward meeting the expenses he would have to incur to come home.

While it does not alter the situation I must call attention to the fact that James seems to be the only one in your family who is doing what he can for your father, and now that it is for the father's satisfaction that James is to come home it seems that the least all of you can do is to provide for his transportation one way.

Holstein

-2- Mrs. A. C. Colonahaski.

I should like to hear from you again before James returns here from Hershey so that it can then be decided at once what action should be taken regarding your wishes and the desire of your father to see him.

Thanking you for your kind personal wishes and assuring you again that I want to do what is best in this case you have referred to me while I am protecting James's interests, I am,

Your friend,

HKM.

Mr. O. H. Lippel;

Carle Place, Ind. Sch.

My dear Friend;

Just a line to you in regard to James, ^{Holstein} We all want him to come home and he also wants to come as he has been writing right along. I think that he would be satisfied if you would let him come home. He would go back in the fall and feel like studying all the more. If he had it in his mind to come home he can't very well study. It has been so long since we all have seen him and he is the "baby" of our family as you remember. Last fall sometime Mr. Howard promised Papa to let James come home this summer but he is rather changeable and so we are asking you again. When Papa wasn't feeling very well last fall and longed for James to come home for awhile Mr. Howard said he was perfectly willing James should come home and so we

that every thing was alright as you had said
 it was alright with you. But to our dis-
 appointment Mr. Howard had written to you
 not approving of it. If he had told us the
 truth in the beginning we would of felt better.
 As we dont hardly feel like asking his ap-
 proval again. I presume you would not feel
 like asking if you were in my place after
 you was once disappointed. I would like
 to see James graduate from Carlisle myself
 but as long as he wants to see his folks
 he wont feel much like studying. He has
 money enough there to pay his transportation
 and he also has money from mothers
 land and ^{from} other places around here. This is a
 nice quiet town here and plenty of work if
 he should care to work. So Mr Lipps please
 let him come back for the summer if you
 onely knew how anxious we are to see
 him. I'm sure you would do so. Saw
 in the paper where you are now Supt.
 of Carlisle I congratulate you and have

read in the above already what improvements you have made. Remember me to Mrs Lipps, although I presume she hardly would remember me. Your oldest boy must be quite a young man now and I'll never forget how he use to tell us his name it was such a long name. I suppose Lucile is quite a girl also. Hoping to receive an early reply. With kindest regards.

your friend. Mary Holstein

Mr. Myers,

Carlisle Pa.,

My dear Friend;

Just a line to ask you if you couldn't do me a favor by helping us to get James my brother to come home for the summer. It would do him good as he has been away so long now. My father is getting old now and isn't a well man and he just longs to see Jimmie as he is the baby and never before separated from Papa until he left for Carlisle. I had a brother that took awfully sick this past winter with pleurisy pneumonia and it left him weak minded and is now temporarily in the Hospital and that goes pretty hard on my father and seeing Jimmie it would sort of make him forget. I hate to see him worry all the time. So Mr. Myers please do all you can to have him come home for the summer. Hope he comes with

the home party. It is all for my dear father's sake we want him to come home. My father is on the reservation just now but I expect him to come here and stay with us for the summer. Mr. Howard of the reservation disappointed us once and I hardly feel like asking him again. I have written Mr. Lippel and tried to explain it all to him also so I am sure if you would talk to him you would both agree to have Jimmie come. James I am sure would go back and do his best to finish Carlisle. He is young yet and has several years of school ahead of him. Abram will be in Carlisle the later part of this month on his way home to N. C. and he can pay you a visit in your office most probably. Try and do me this favor. With kindest regards to both you & Mrs. Myers.

Dear James:

You will remember on your trip with the Larosse team to Syracuse you borrowed \$2.00 from me. I will appreciate it if you will return this amount to me in the enclosed envelope as I would like to have this charge against you removed ~~from~~ a cash drawer.

Mr. Guy G. Holstein,

My dear Friend:

In reply to your letter of recent date I take pleasure in stating that your son James has made a very good record during the two years he has been enrolled at Carlisle.

He has been at one of our Outing homes since April the 9th and it has been planned to have him continue there during the winter months. He will have to attend public school at the home where he is staying, among the white children of that community.

James is now staying with Mr. W. D. Barcalow at Siles, Pennsylvania, and a letter direct to him at that home should bring you a reply.

Very truly yours,

My dear Sir:—

I thought I would write and ask you about my son James. How he is getting along and whether he is at the Sch. now or under the outing system. I have not heard from him for quite a while. Another thing I want to say to you is for you

to see that James
is at the Large
Boys Building as
I understand your
Small Boys Disciplin-
arian is rude to
the boys under his
care. Of course James
has never as yet
made any complain
as I dont suppose
he would to me. He
knows it would
hurt my feelings if
I should hear he
was misused in
any way. I believe
in punishing the

boys when they do any harm but I don't believe in a older person knocking them down with his own hand. But by his school reports I get during the year I see that his conduct at the qts. is always good so by that I guess the Displinarian has no trouble with him. James was always a good boy at home. I hope to receive an early

reply from you.
With kindest
regards. I am
Respt yours

My dear Friend:

I have noted in your letter of November the 14th that you are very anxious to have your son Jimmie spend some time with you this winter, even if it can be for just a very short visit during the holiday season, but before I give your request for his return home any consideration I should like to hear from Superintendent Howard in regard to the matter. Will you, therefore, refer your request to the Superintendent so that he can recommend what should be done?

In this connection I beg leave to add that Jimmie has "earnings" to his credit in our school bank which would probably be sufficient to pay for his return transportation, but it would leave him without a cent for use during the remainder of the school year.

Thanking you for your kind personal greeting and hoping that you will soon become stranger, I am,

My dear Friend,

Thinking that you would sympathize with me I am writing to you in regard to my boy Jimmie Holstein who is at your school. I am sick all the time and not able to work, and I am just wishing to see my boy. The rest of my boys have all gotten married now and supporting their families and I now just have my baby boy to depend on as I am not able to work. In the first place I didnt sign the papers for Jimmie to go for five years it was my boy Ben that did that. He has been gone now three years and I cant stand to have him away two years longer. If I could just see him for a few days, why I could feel

2

ch better. I know that you have children of your own, and I know that you will sympathize with me. If I could get my boy home for Christmas I'd be pleased, and I am also willing that he ^{should} go back and finish his term. He must have enough money in the bank there to pay his way home and he also has some here to pay his ^{way} back. I couldn't thank you enough if you would let my Jimmie come home for a while. I'd write to you in my own hand but I am nervous, + can't write much. I hope to receive a reply from you soon as I will be waiting every day, and hope you let him come, thanking you in advance. With kindest regards to you. I remain your friend.

Sir:

Replying to your letter of the 17th inst. relative to the return to this reservation of Jimmie Holstein, son of Gus Holstein Sr. for a visit, I have to advise that there is no more reason for his return than for any other person who is desirous of a visit with his child.

So, for the present, at least, it is recommended that the matter be left in abeyance.

My dear Sir:

I have been advised by Superintendent Howard that the necessity for the return home at this time of your son Jimmie does not seem to be great enough to warrant the expense that would have to be incurred for his transportation.

Further consideration of your request for his return home will therefore have to be held in abeyance.

My dear Friend:

Your letter rec'd today, and was more than pleased to know you are willing to let Jimmie come home a while, providing you heard from Supt. Howard, in regard to the matter. As far as I know Mr. Howard is willing that Jimmie come home for a while. I presume you will hear from him as he has learned of the matter. So I am in hopes Jimmie comes real soon, as I am more than anxious to have him come home. I see by his report he is a freshman, and I am in hopes he can be a graduate of Carlisle some day. Please let me know just what day he will arrive so some one can meet him, as

station is about five miles from
me, and give him full directions, as
how to come. If he can get his ticket
from Chicago on the Burlington route
to St Paul he would make good con-
nections, as I hate to have him change
depots there (Chicago) I probably can
have my son-in-law meet him in
St. Paul. Thanking you in advance,
for being so kind as to let him come,
and also for wishing me well.

My dear Sir:

Mr. Gus Holstein, Sr., has written to me for some of the money that has been earned and is to the credit of his son James at this school. James is willing to help his father financially as he did about two years ago, but because the father calls attention to the fact that James's brothers open his mail I am referring the request to you for a recommendation. In case the money is to be sent for the father's support I should send it to you to be paid to the father direct or to establish credit. If the brothers are able-bodied men they should not only support themselves without taking advantage of their father and brother but should contribute to their father's support.

I would thank you to let me know definitely what action shall be taken.

Your son James has brought to me your letter of the 15th instant.

He is willing to extend the financial aid you have requested, but before consideration can be given the matter I must have on file here Superintendent Howard's recommendation. The Superintendent is being asked to submit his recommendation and just as soon as that is received here further attention can be given your request.

"In answer to your letter dated May 12, 1915, relative to the request of James Holstein that his father be paid a portion of the money to the credit of James at this Agency I have to advise the balance due on the account of James Holstein is \$124.30. This money is derived from an annuity payment of \$75.00, and lease money, together with the accrued interest. I have this date requested the Office to grant me authority to pay to Gus Holstein, Sr., the sum of \$75.00 in such amounts as he needs. This will leave a balance of \$49.30 to James's credit."

I submit below for your information a copy of a letter that was addressed to me on the 4th instant by Superintendent Howard of the White Earth Agency:

"I am in receipt of your favor of April 19th, stating that Mr. Gus Holstein, Sr., has written to you for the money that has been earned and is to the credit of his son, James Holstein, at your school, and that James is willing to help his father financially, as he did about two years ago, and that you desire me to advise you definitely what action should be taken in the matter.

Mr. Gus Holstein, Sr., is an old man about 65 years old and has five other sons, two of whom he should depend on for support, if necessary. Personally I do not believe that James should be obliged to assist his father while he is attending school. He should be encouraged to accumulate his money instead of spending it all on his father, who is receiving rations from this agency. Of course if James insists on assisting his father, I would suggest that his assistance be through this office."

I was born at White Earth, Minnesota, May 2, 1898. My father's name is Gus. Holstein, Sr., and my mother's maiden name was Elizabeth Parish. I have five brothers and one sister living. My mother died December 27, 1904. I remained with my father until I was thirteen years of age. During that time I attended a boarding school for about three years and a few months in a public school. After that I entered Carlisle. I have attended this school for five years and I also attended a public school under the Outing system. My ambition is to become an automobile machinist.
