I was born on November the third, nineteen hundred, in a small village in Osage county.

I lived on the farm with my parents until I was old enough to attend school. Then my father sent me to the Osage Indian School where I completed the seventh grade. On returning to the farm I attended a small country school.

My father being an old Carlisle student decided to put me through the same training that he had undergone so in nineteen hundred and fifteen I was enrolled at Carlisle, where I easily worked my way up to the present Senior class.

My dear Mr. Francis:

Your letter of 13th inst. was received and read with intense interest and gratification, and for which accept my thanks. I am exceedingly glad to learn of my son's record at Carlisle and am proud of it, as well as being proud of the boy.

You, of course understand, why I have not send him vast amounts of money he wants me to; for you know, this "easy money" is the maine curse to the Osage people, concerning their opportunities for attaining education; There is great deal Mr Francis I could say on this line, but as I did not intend to use this letter, in arguing on that point. I will conclude by wishing you all a very Merry Xmas & Happy New Year. Truly Yours,

I am very glad to be able to report that Harry Kohpay is getting along very well indeed in his school work. In academic grades for November he ranked 9th in a class of thirty students, getting only one grade below 90%.

On Friday, November 30th., he was elected as president of the Standard Literary Society for the next three months.

Harry is a quiet, gentlemanly boy and has the respect and confidence of his instructors.

As far as his academic grades are concerned, there is no question but that he will be able to graduate.

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

March 18, 1916.

METHOD OF SENDING AND PAYING FOR TELEGRAMS.

ORDER No. 5.

TO ALL OFFICERS AND EMPLOYEES OF THE INDIAN SERVICE:

In lieu of Circular 1056, the following instructions in regard to sending and paying for telegrams, are hereby promulgated, to be effective on and after April 1, 1916:

1. HOW SENT.

No telegram on which the charges are to be paid by the Government, either directly or by way of reimbursement, shall be sent "collect" unless sent by a person not in the Service. See 3 (b).

- (a) **Indian Office.**—Messages sent by Government officers or employees to or from the Indian Office shall be marked in the lower left-hand corner, thus: "Official Business, Government day (or night) rate. Paid, charge Indian Office."
- (b) **Field Offices.**—Messages sent to or from any field office, which properly pertain to its jurisdiction, shall be marked in a similar manner: "Official Business, Government day (or night) rate. Paid, charge _____, (giving name of the person or office to which bill should be presented for payment)."
- (c) **Traveling employees.**—All other messages sent by employees who are under the jurisdiction of a field supervising office, whether sent direct to that office or otherwise, shall be marked thus: "Official Business, Government day (or night) rate. Paid, charge _____, (give name of the person or office to which the bill should be presented for payment)."

All other messages sent by employees who are *not* under the jurisdiction of any field supervising office shall be paid for in cash at the time the message is filed with the company for transmission, and the message shall be marked thus: "Official Business, Government day (or night) rate. Paid in cash by sender." In all such cases a copy of the message, showing that the original was marked "Paid in cash by sender," must be retained by the traveler and filed with his voucher on which reimbursement is requested.

2. METHOD OF PREPARATION.

- (a) **Rates.**—Each message must be marked by the sender so as to show whether it is sent at day or night Government rates. Night rates are cheaper, and should be used when too much delay is not occasioned thereby.

2. METHOD OF PREPARATION—Continued.

- (b) **Signature.**—Each telegram must be signed in sender's own handwriting. Typewritten or stamped signatures must not be used. Telegrams phoned to sending station of company must be confirmed by written message prepared and signed as herein directed.
- (c) **Address.**—Official telegrams sent to the Secretary of the Interior, or to the head of any bureau thereof, or to any other person in the Department whose official position is of sufficient prominence to insure proper delivery of the message at Washington, D. C., over the lines of the Western Union and Postal Telegraph Cable Companies, should be addressed "Washington" only, the letters "D. C." being eliminated. ("Departmental Order November 20, 1915.)
- (d) No duplicates should be furnished to the receiving office of the company, except to support lost messages, when ordered by the Indian Office, in accordance with paragraph 5 hereof.
- (e) **Appropriation.**—On each copy of the message give name of the appropriation chargeable with the toll.
- (f) **Form.**—When practicable use prescribed forms, making original and four copies, and disposing of the copies as marked thereon. Additional copies may be made as desired. If not practicable to use prescribed form, keep copy of the message and mail omitted forms as soon as practicable.

3. MANNER OF PAYMENT.

- (a) Vouchers of telegraph companies, when submitted for payment, must be supported by the originals of all telegrams filed by officers or employees of the Indian Service, after April 1, 1916.
- (b) Messages sent "collect" to a Government office or officer, by a person not in the Interior Department, may be paid for on presentation of a copy of the received message. However, the Government reserves the privilege of having such messages marked: "Paid, charge _____, (giving the name of the person or office to which the bill should be presented for payment)," and in such cases it will be the duty of the telegraph company to present the original message in support of its bill. Field officers are advised to instruct correspondents to so mark messages which are to be paid for by the Government.

Commissioner.

Dear Madam:-

Replying to your letter asking my permission to allow your brother Hugh to return home for the summer, I have to advise that your brother was in the office just before your letter came to me and told me that his father's advise to him now was that he should remain here as it would cost too much for him to go home for such a short time. Hugh seems satisfied with this decision now and I am quite sure, will remain satisfied, if he is not influenced the other way again.

Dear Sir:-

I wired you this morning that I had received the money for Hugh's return fare but that I would defer action relative to his going home until the work here was adjusted and we knew the number we would have here to work our farms.

Just after war was declared, I had orders from the Commissioner to hold all the large boys, if necessary, to work our farms. Many upon whom I had depended to do this work, have gone under the outing to farm or have joined the Army or Navy, leaving a small number here to do the work. The regular home-party left just yesterday. It will take us a few days to get our details into working order. I will then be able to tell whether we can spare any more boys to go home for the summer vacation.

Hugh as well as several others who are waiting for a final decision, have made good records here and I will be glad to carry out their wishes
