My dear Friend:

Replying to your letter of January the 29th, I beg leave to advise that James One Star was enrolled at this school from January the 1st of 1889 to August the 10th of 1892. Our records indicate that on the latter date he enlisted in the United States Army and that later he died in Cuba. However, we do not have any detailed information on file regarding the circumstances of his death.

The War Department can probably secure definite information regarding his death and I would suggest that you write to the Honorable Secretary of War at Washington, D. C., for full particulars.

Very truly yours,

HKM.
