Mr. M. Friedmann

Dear Sir

You wrote a letter to my brother asking information. I opened the letter. as my brother is dead. and wanted to see who was writing to him. The poor boy died not long after he got back from there. died on May 26<sup>th</sup> 1908. He died of lung trouble.

The boy was sick before he went there. and was treated by our doctor but the doctor thought by sending him back there it would do him good but did not help him so he was sent back.

You send us the prize of the Arrow and we will send for it as we would like to hear of the school. There are a few of the boys and girls at school there I know and besides I've went to Government school all of my school days. And I think the paper would interest me very much. Give all the Washington boys and girls my best Regards. Yours truly Eli Raymond
