### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

## Sad Death of Former Student.

Mr. Chas. W. Kennedy, formerly disciplinarian and band teacher at the White Earth School, was burned to death in a gasoline explosion at his home at Mahnomen on Monday, October 6th.

It appears that Mr. Kennedy attempted to start a fire with what he supposed was kerosene oil, but was in reality gasoline.

Mr. Kennedy was a graduate of Carlisle and a young man of considerable ability. He was a conscientious employee and respected by all who knew him. He leaves a widow and two small children, who will have the sympathy of all relatives and friends.

My dear Friend:

I have received your letter of August the 10th, enclosing me draft to apply to the amount that was advanced you when you left to go to work for yourself. You will find a receipt to cover herewith.

I am glad to know that you are doing so well, and continuing to do so will more than repay this school for what we were able to do for you.

With very best wishes, I remain,

Dear Sirs,  
Yours of the 8<sup>th</sup> Inst  
received, and enclose you  
a Draft for \$1.33 leaving  
a balance of .60 cents which  
will be paid in near  
future, I did not know  
the exact amount when  
I drew the draft, that  
is why the full amt, was  
not got. I thank you  
very much for your

Dear friend Charles:

I thank you for the remittance you enclosed with your letter of June the 2nd. I am glad to know that you are getting along so well with your work and that you find it less difficult than when you began and when it was all new to you. With a little more experience, you will find greater opportunities to be of service and I am sure that you will derive even greater satisfaction from your work then.

The school year is drawing to a close very rapidly and soon there will be another party of students from Carlisle to swell the list of those who have made their influence felt in their home communities, in the same way as you have reported from those you have met at Whiteearth.

Hoping that you will continue to be successful, I remain,

Very truly your friend,

HKM.

Dear Sir, -

now again make  
another payment, of the

I'm well and quite con-

can say that the majority  
of them are making use

They come. I'm now getting to understand my work better, not as hard as it seems, after a person gets to understand the general run of things. I close with the hopes that many more students of the Carlisle Indian might look for that which makes the world grow better.
