My dear Friend:

I desire to secure additional names of prospective students for Carlisle, and for that reason I am sending you a blank upon which such names may be submitted to me. It is hoped that you will find it convenient to assist as is desired and that I will hear from you at an early date.

The names of any young people eligible for enrollment at Carlisle should be listed, regardless of their having expressed a desire to do so. School literature will then be sent to them and other efforts made to interest them in continuing with their education.

Assuring you that your co-operation will be appreciated, and that it will be a pleasure to hear about your continued progress, I remain,

Very truly yours,

Encls.
