## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Mr. C. V. Stinchecum,  
Superintendent, The Kiowa Agency,  
Anadarko, Okla.

My dear Sir:

Please find copied below a report that was received at this office this morning from our school physician in regard to the condition of Ray Komah's health:

Ray Komah has a tuberculosis. I have personal knowledge of a brother dying of the disease at about Ray's age. I recommend that the boy be returned to his home with instructions to the superintendent asking that Ray be placed in the hospital which is being conducted on the Kiowa reservation for the benefit of the Indians.

As Ray has a sufficient amount to his credit to pay for the expense of returning home it will be arranged to send him to Anadarko just as soon as our physician advises that it will be safe to have him undertake the trip. It is hoped he can then be given accommodations at once in your hospital so that he can regain his usual strength.

Very truly yours,

HKN.

Acting Superintendent.

Mr. Meyer: Ray Komah, who sustained an injury to the ear, wishes to consult a Philadelphia specialist. I have no objection to his doing so but under the circumstances would suggest that he be asked to defray his own expenses. I have been under the impression that he sustained his injury while engaging in the Hallow'een pranks, as he came to me on that evening at 11 P.M. I have done all in my power but would not deny him the privilege of consultation with an ear specialist.

This is to notify you that in accordance with your recommendation it is being arranged for Ray Komah to join our party of home-going boys on June the 8th. Moses Komah will also return home at that time by virtue of his period of enrolment having terminated.

James Shemany has been employed here as a painter, but he seems dissatisfied and wants to go home. Under the circumstances it is believed advisable to grant his request and it is being arranged so that can join the Komah boys on the date they start for their homes.

Hoping that all the boys will settle down to some definite line of endeavor and that Ray Komah will be with us for the opening day of school in September, I remain,

Miss JOHNSTON:-

Ray Komah is just now beginning Grade VI. Robert Broker is a half year ahead of him (I mean half a Grade). Miss Wilson, who has had charge of both of these boys says that Ray is not in Robert's class at all, that Ray is one of the kind who try desperately to get along without doing any work, while Robert gets in and digs.

If Ray wishes to go to Millersville, there will be no objection upon our part, but we could not recommend him for the same class as Robert Broker, excepting under the sole condition that there is no class there lower than the one Robert is enrolled in. In such case, it might be a good plan for Ray to go there, if he can afford it. It might give him a new view of life.

My dear Sir:

Referring further to the necessity for the return home of Ray Komah, I respectfully state that our school physician believes it advisable to let Ray start this week and so it is being arranged to have him do so on Saturday evening, April 29th. A ticket for his use to Lawton will be procured and it is hoped that upon his arrival there it can be made possible to admit him at once to the sanatorium at Lawton in order that the special treatment he needs can be begun without delay.

Very respectfully,

HKM.

My dear Friend:

This is to acknowledge receipt of your letter of the 18th instant and to state that I am glad to hear you are to remain at Phoenix during the winter months. That should afford you an opportunity to regain much of your strength before the coming of the hotter and less helpful summer days.

Noting that you want to subscribe for the ARROW and THE RED MAN I take this opportunity to state that an amount of \$1.25 should be sent to Mr. Brown at our printing office. That will pay for a year's subscription to both publications.

Hoping we shall receive other favorable and encouraging reports from you, I remain,

Your friend,

HKM.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
