Sir,

Sorry to say that this is rather tardy but the reason for not answering before is, that I have not been able to write, also that I am not at a place long enough to receive mail.

But from now until about November first I shall be in or about Clarence.

I have long been out of reach and sight of Carlisle, but lately I have done the best I could to improve what Carlisle has done for me not only that but also my name known as Carlisle should like it to be with all Graduates and Return Students

I should like a book sent to my address when completed and if there is any charges made I shall pay in full as soon as possible.

It would be a great thing for me to read about some old friend or as a class-mate once at the school.

Sorry, I am not able to write much at this time. I have to be careful not to over do.

Very respectfully.

Herbert W. Johnson Jr.

All that I would like to try is this. My ambition is to be useful, if any way, to Carlisle, and if my feeble voice can have any influence on the high decisions which you are susceptible of taking. I would say to you, of whom every returned student recognizes the great Patriarch or Superintendent of Carlisle, be he who by a great dispensation shall bring about concord between all the children of the red race, to a safe guard over independence the hour shall be solemnized.
