

DEPARTMENT OF THE INTERIOR.

UNITED STATES INDIAN SCHOOL,

CARLISLE, PA.

Dear friend:-

Although I have been much pleased with the results of <sup>my</sup> ~~my~~ <sup>efforts</sup> to learn what the graduates and ex-students of this school are doing at the present time, there are still quite a number about whom I have not heard. I sent you a blank sometime ago containing some questions about yourself and asked you to answer them and return the blank. I have not yet had an answer from you.

I am sending you another blank and ask that you fill this out promptly and return it to me in the envelope enclosed which requires no postage. If you do not care to answer all the questions, please answer as many as you wish and return the blank.

It is not necessary that this blank which I am sending to you, shows that you stand away above all others in the work you have done: it need not show that you live in a beautiful home: it need not show that you own a great deal of property and that you have great wealth.

If your paper shows that you are working and are earning an honest living for yourself and family, that is all I want. That is all that is expected of any man, Indian or white.

I will be glad to send you copies of our school papers and our new catalog as soon as I make sure of your correct address through your answer to this letter.

With best wishes to you, I am

Sincerely your friend

Can this be  
done?
