Supt. M. Friedman,
Carlisle Indian School,
Carlisle, Pa.

Sir:-

I am returning you herewith envelopes, with inquiry relative to
Elizabeth Dixon,
Emely Hardt,
Gustave Hardt.

✓ With reference to Elizabeth Dixon; would say that she has
been dead for several years.

The other two parties named are no Menominees and I do not
know to what tribe they belong, but think possibly they might be
Oneidas.

Very respectfully,

WAEahart
Assistant Superintendent.
