Mr. Oscar H. Lipps,

Supt. Carlisle Indian School.

My dear Mr. Lipps:

The Office has under consideration the heirship case of Lillian Barnhart, a deceased unallotted Indian girl who lived on the Umatilla Reservation, in Oregon.

While this girl was not allotted it appears that she possesses inherited lands, and since she was not married and without issue it is essential to know whether she had reached the age of twenty-one years at the time of her death.

The testimony at the hearing is conflicting upon this point and the Superintendent of the
Umatilla Indian School reports that there is no realiable record, either of the school or the agency, that
shows the date of this girl's birth.

It is noted, however, that she is reported to have enrolled as a student at Carlisle during the year 1913. The Office will appreciate the favor if you

will examine your records and furnish a certified copy of her application for enrollment or any other paper that you may find, showing her age or the date of her birth. It seems that her parents had both been dead several years and in all probability her application for enrollment was signed by her uncle, Allen Patawa, who was probably her nearest relative.

Very truly yours,

JW-12-14.

If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Mr. Swartzlander:

Referring to the previous correspondence with reference to Lillian Barnhart I regret to report that she does not improve. She is still quite despondent and it is impossible to get her to take any interest in her condition, or in the treatment outlined for her. She is now troubled with a persistent diarrhea which we fear is a manifestation of tuberculesis of the intestines. She is becoming weaker and it is a matter of only a few days until she will be confined to her bed.

Regretting that we are unable to accomplish that which we had hoped, I am

When your favor of the 29th ultimo relative

Lillian Barnhart was a very sulky, indifferent patient and I am not at all surprised to hear that she has not chagned her attitude. Her condition improved very much on first entering the hospital, but grew worse during my absence in Chicago. From that time on there was no improvement in her condition."

Dear Mr. Swartzlander:

Referring to the admission of Lillian Barnhart to the sanatorium, I wish to report that she is not improving as we hoped she would. She seems somewhat despondent and indifferent to her surroundings, and every effort to interest her in her gondition and the line of treatment seems lost. She looks better, has gained some in weight, and her temperature is not quite so high as it was, but her general condition is not much improved. It is probable that much that we see is of her natural disposition, but such attitude is not of any assistance in carrying out our systematic line of treatment.

We are doing everything possible for the girl and we hope that she will begin to improve more rapidly in the near future.

Very truly yours.

I will reserve her, berth this morning, meet the 5'oclock train Saturday evening and if it is on time, will take her to the house, but as we live in the suburbs it may not be expedient to attempt this, for both the Pennsylvania and Santa Fe depots are in difficult locations to reach.

I wish to report that the patient arrived at the sanatorium last night in fairly good condition, but very much fatigued from the long and tiresome journey. Mr. A. B. Barbour,

25 Crescent Pl., Wilmette, Illinois. My dear Sir:

When plans were being made during the summer months to send Lillian Barnhart of this school to her home at the Umatilla Agency at Pendleton, Oregon, the very kind letter as follows was addressed here by your father:

"Concerning the return of Lillian Barnhart to her home on this reservation, as advised in your letter of June 24, I am taking the liberty to suggest that, on account of the necessity of her changing cars in Chicago, it might be well for some one to meet her there and assist her. My son lives at Wilmette, a suburb of Chicago, but is in business in the City and is there every day. He can, with very little trouble to himself, meet Lillian at the station and see that she takes the right train from there and attend to any other matters in connection with her transfer. He met her, with my wife who was visiting him at the time, when Lillian went east two years ago. I will write to him at once about the matter and if you will kindly wire him the day before Lillian starts, giving him full particulars as to road, number of train, time of starting, etc., I think he can be of material assistance to her, and relieve her of considerable worry and possible annoyance. His name is A. E. Barbour, 25 Crescent Place, Wilmette, Illinois. I suggested wiring him the day before billian starts so he can arrange with his wife before leaving home in the morning and have her be at the station with him."

Barnhart is to go to the Indian School at Phoenix, Arizona, and that she is to leave here on Friday evening of this week. She should arrive in Chicago on the Pennsylvania's Pan-Handle train at 5.00 o'clock on Saturday evening, the 16th of October, and should leave on the Santa Fe's train No. 1 at 10.30 that same evening. Arrangements are being made to have a lower tourist berth reserved for her use between Chicago and Ash Fork, Arizona, on the Santa Fe train No. 1. A ticket for the berth will have to be secured in Chicago and Lillian will have a sufficient amount to pay for the same.

Trusting that you will not have to inconvenience yourself to be of assistance to us in this matter and assuring
you that what you can do to look after the girl while she is
in Chicago will be appreciated, I am.

Very sincerely yours.

Oct. 14th, 1915.

Mr. E. L. Swartzlander, Superintendent, The Umatilla Agency, Pendleton, Oregon.

My dear Mr. Swartzlander:

I regret very much to advise that a charge of \$66.33 will be made for the ticket for Lillian Barnhart's use to Phoenix. She has a sufficient amount to pay for the ticket, but not enough additional to pay for her Pullman accommodations thru and meals enroute. The liberty is being taken, therefore, to send her on with sufficient cash to pay for her Pullman accommodations and meals enroute, but that leaves a deficit of \$20.00 to be applied on the cost of her ticket.

May I ask that your further cooperation be extended and that the amount of \$20.00 be sent here to pay the balance of the cost of the ticket?

Very truly yours.

She should arrive at Ash Fork on the Santa Fe train No. 1 at noon on Tuesday of next week, the 19th instant.

Our School Physician advises that Lillian is in good condition to take the trip and I do hope she will not become unduly fatigued. Will you let me hear from you when the girl has arrived at the Phoenix School?

My dear Mr. Lipps:

I have a letter written from your office dated October 14th, requesting that \$20.00 be sent you on account of Lillian Barnhart who has been sent to Phoenix from your school.

In checking over my accounts, it appears that since Lillian went to your school in September, 1913, I have transferred to you for her benefit, and from her bank account, the sum of \$236.92, and I find that since the begining of this calendar year, the sum of \$131.00 has been transferred to you from Lillian's account. I have found that I have exceeded my authority in transferring more than \$100.00 in a single year, as the regulations concerning individual Indian money prohibit sending more than \$100.00 in a single year.

I realize that Lillian's condition

probably called for additional expense while at your school,
and I have no objection to sending you \$20.00 in order to
pay all her expenses at Carlisle, but it will have to be

done with the approval of the Indian Office, and before requesting such authority, a letter from you concerning the use Lillian made of the money already sent, will be appreciated.

Supt. O. H. Lipps, Carlisle Indian School School, Carlisle, Pennsylvanba.

Dear Sir: -

Concerning the return of Lillian Barnhart to her home on this reservation, as advised in your letter of June 24. I am taking the liberty to suggest that, on account of the necessity of her changing cars in Chicago, it might be well for someone to meet her there and assist her. My son lives at Wilmette, a suburb of Chicago, but is in business in the City and is there every day. He can, with very little trouble to himself, meet Lillian at the station and see that she takes the right train from there and attend to any other matters in connection with her transfer. He met her, with my wife who was visiting him at the time, when Lillian went east two years ago. I will write to him at once about the matter and if you will kindly wire him the day before Lillian starts. giving him full particulars as to road, number of train, time of starting, etc., I think he can be of material assistance to her, and relieve her of considerable worry and possible amoyance. His name is A.E.Barbour. 25 Crescent Place, Wilmette. Illinois. I suggested wiring him the day before Lillian starts so he can arrange with his wife before leaving home in the morning and have her be at the station with him.

Respectfully.

alvin Barbour.

Dear Sir:

Receipt is hereby acknowledged of your letter of the 15th inst., addressed to Superintendent Swartzlander, relative to the condition of Lillian Barnhart.

Superintendent Lipps was at this school for a short time yesterday on his way to Lewiston, and during a conversation in regard to Lillian he said she was much opposed to returning here to her home and expressed a desire to be sent to Phoenix School, Arizona. The Superintendent says he told her he thought this was a wise choice on her part and that later on, some time in October or November, he would consider the advisability of having her transferred to that school, temporarily at least.

personally I am of the opinion it would be much better for Lillian to go to Phoenix than to return here.

In reply to your question as to the conditions at her home on this reservation I have to state that while her uncle and aunt, with whom she makes her home when here, have a comfortable house and live in fairly comfortable circumstances the conditions are not favorable for one in Lillian's condition. She

would not receive the necessary food and attention required in her case. I believe it would be a wise thing to send her to Phoenix, especially as she is willing to go there. I trust it will not be necessary to take any immediate action in her case on account of any possible menace to the health of other students at your school, as suggested in your letter, and that definite action may be withheld until the conditions are favorable for sending her to Phoenix.

Respectfully.

alvin Barbour, Clerk-in-charge.

My dear Sir:

This is to acknowledge receipt of your favor of the 28th ultimo, with which you enclosed check No. 2343 in the amount of \$45.00 to be used by Lillian Barnhart to pay for her transportation home.

when the matter was again brought to Lillian's attention with a view of finding out from her when she would
prefer to start she stated that she does not want to go
home. So earnest was she in her request that it is believed advisable to let her remain here until the return
to school of our School Physician from his vacation so that
the case can be taken into consideration with him. Unless
she is a positive menace to the health of other students
it may be that her enrolment can be continued.

In the meanwhile I would thank you to advise me what the conditions are at the home Lillian has to go to in case her return home must be effected. Whatever recommendation -2- Mr. E. L. Swartzlander.

you see fit to make I will endeavor to carry out, so that the best possible can be done for the girl.
