My dear Sir:

A careful search has just been made thru our records for information regarding a Charles W. Brunell, or Little Cloud, but the only name on our list of former students at all similar in sound to that is the name of Charles Brunette.

Brunette was enrolled here from August the 27th of 1892 to December the 8th of that same year. He was then sixteen years of age, and is listed as a quarter-blood Chippewa enrolled from the White Earth Agency in Minnesota.

Very truly yours,

HKN.

Superintendent.

Registrar,  
Carlisle College,

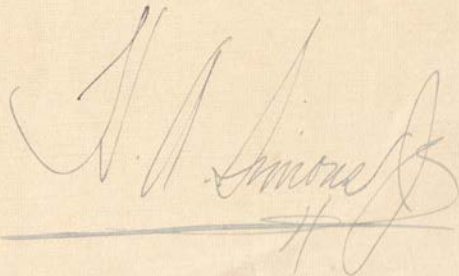

Dear Sir:-

I am enclosing stamped envelope, addressed, in which I wish you would send me the following information:

Have you ever had in your school an Indian named Charles W. Brunell, or Little Cloud. He is supposed to have been a Chippewa, from the Red Lake Indian reservation in northern Minnesota. It is possible that he may have French blood in his veins. Was he an athlete? Is it true that such an Indian played on your football and baseball teams several years ago? If so, what positions did he play?

I would greatly appreciate it if you could send me this information in the immediate future.

Most sincerely,

W. A. Moore

Best Wishes
