

## DEATH OF AGNES WHITE.

---

Agnes White died in the German Hospital, Philadelphia, October 3, 1914. Peritonitis, following an operation for appendicitis, was the cause of death. Her country mother, Mrs. Allen, was in daily attendance at the hospital and Friday night remained through the entire night, never leaving her until Agnes passed away the next day about noon.

The funeral was held from her home in Hogansburg, N. Y. The Carlisle friends extend their heartfelt sympathy to her mother and family.

Her country mother, Mrs. Allen, sends us the following tribute: "For less than two weeks did we enjoy having Agnes in our home when she was taken very ill with appendicitis. She was taken to the German Hospital, where the best medical skill attended her. She soon became known as 'The little Indian girl' who was so cheerful, patient, brave, and thoughtful for others. Until the end her thoughts were for others. 'Thank you' was among her last words.

"In her home life with us her manners were most agreeable, and she was always on the alert to learn and to relieve me of duties. Truly, I am surprised that in so short a time we learned to love Agnes dearly, and we shall miss her very, very much.

"She had made many friends in school and her teacher and classmates sent cheery messages to her during her week in the hospital. The first Sunday after her arrival in our home she attended her church and continued faithful to her church duties. She proved herself in all respects a good type of what a Carlisle girl should be."

Scatter kind words all around you;  
Perchance, when your mission is o'er,  
The seed you have dropped by the wayside  
May bloom on eternity's shore.

Mr. J. H. Lipps,

Dear Sir: - It grieves me  
very much to write you of  
Agnes White's death today.

Altho she was only with  
us those few days we became  
so attached to her for she was  
a real treasure.

I am sure nothing was  
spared to try to cure her and  
it would have been gratifying

2  
forgive to see how the nurses  
& doctors admired her grit-  
and cheerfulness during her  
illness.

I gave her all the time I  
possibly could stay away from  
home, as she seemed glad to  
have me with her, and I don't  
know how I could have stood seeing  
her so ill without Miss Johnston's  
help & presence.

She was very well after a hard  
travelling.

Yours truly  
Virginia S. Allen  
(Mrs. Jm. P. A.)

Dear friend:-

I have this day written Mrs. Allen, in whose home your daughter lived, to pack all of the clothing belonging to the girl in her trunk and send this to you, by express, charges collect.

Although I have not heard from either you or Mr. Clarence Smith of Wycombe as to whether Joseph went home for the funeral, I hope he did and that he was in time. He should be returned to Mr. Smith as soon as he has had his visit.

We were all very much interested in Agnes and would like to know if her body reached you in safety. We also hope that you understand that we did all we could possibly do for your daughter.

With kind regards to you, I am

Very truly yours

### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir:

I am in receipt of your letter of the 8th inst. in relation to the claim of the Medico Chi Hospital against Miss Agnes White, amounting to \$12.

It is a fact that Miss White was a patient at the hospital during October 1913, but as sometimes happens, this account was overlooked by the book-keeper. The Hospital of course, expects bills to be paid the same as any other institution, but if this young lady is not able to pay the full amount, I wish you would send on direct to me, as much as she possibly can pay, and let me know when she can pay the balance, and I will send her proper receipt for same.

Please let me hear from you upon receipt of this letter, as the hospital desires to get this money in as quickly as possible.

Yours truly,

*Lewis H. Ryon.*

Dear Madam:

I have had placed in my hands for collection, a claim against you for eight days board at \$1.50 a day, amounting to \$12. in favor of the Medico Chi Hospital of this City. This bill was created while you were a patient there. As the hospital desires this matter closed up, and as the amount is small, I would thank you if you would at once arrange to pay this, and not cause me to take any further steps in the matter.

If you will call at my office or send me a check, I will furnish you with a proper receipt, but the hospital insists that this matter be closed up within the next few days.

Sir:-

Agnes White, one of my pupils here, brings me a letter from you this morning. This letter is a claim against her for \$12 in favor of the Medico-Chi Hospital for board while she was a patient there.

Agnes tells me she was a patient in the Medico-Chi Hospital in October 1913 and that this is the first word she has had of any bill. She says that had the hospital authorities sent her a bill when she left there, she could have paid them as she had money in bank at that time. If they will send her a bill now, she will pay them what she can but that they will have to wait for the balance due until she can earn more money.

Dear friend:-

I have the following letter from Miss Johnston  
this morning:-

Phila., Pa. Sept. 29, 1914.

Dear Mr. Lipps,

I am so sorry that I have not cheering news regarding the condition of Agnes White. She is no better tonight. In fact as the nurse said, "We are all very much worried about her." Dr. Deaver was with her five times today. I talked again this evening with Dr. Walker, resident physician, and he says, "I cannot tell whether she will live or not" and yet he gives me hope and true while there is life, there is hope.

Sister Marie said, "We are doing everything we can to save her" and I know they are. Agnes herself keeps quite cheerful and said "Goodbye" to-night real cheerfully.

Her stomach was washed out twice today and Agnes said her stomach felt better tonight.

I trust tomorrow's news will be more assuring. Mrs. Allen is in to see her every day.

Very respectfully

Lida M. Johnston.

Dr. Deaver is an eminent specialist and you can be assured that your daughter has the very best of care. I will write you again tomorrow.

Dear Doctor Fox:

One of our girls, Agnes White, living in the home of Miss P. J. Hoopes, Westgrove, Pa., is suffering with her eyes, she says, so I have written her to call at your office Thursday, October 2nd, at 10 o'clock A.M. I will greatly appreciate anything you can do for her at that time, or, if another date would be more convenient for you to see her I will be pleased to hear from you.

Very truly yours,

LaF.

Supervisor in charge, United States Indian School,

Dear Sir:

I am returning herewith checks dated June 22, 1915, Nos. 27259 and 27260 in favor of Dr. H. M. Boyer for \$3.00 and Agnes White for \$10.25, upon account No. 3844, on the Farmers' Trust Company, Carlisle, Pa., for the reason that I do not find anyone by the name of Agnes White upon the rolls of this Agency. There is an Agnes W. Almon, whose post office address is Lund, Nebraska, and who was born in 1885 and has a son and daughter. It hardly seems that these could be one and the same persons.

Respectfully,

*G. H. Ansley*

Special Agent.
