### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Mr. Tarbell:-

It was with extreme sorrow that we read your letter, which came this morning, regarding the death of your son Joseph.

Joseph came to the Carlisle School when he was a very little boy and those who have been at this school a long time and have watched him grow up, looked upon him as one of Carlisle's most promising young men.

He left us in such good spirits this spring, fully intending to return this fall and get the diploma for which he had worked so hard.

His many friends here regret his untimely death and sympathize with you and all his dear ones at home, in this your great sorrow.

Very truly yours

Chief Clerk in Charge.

Mrs. John K. Tarbell,

Dear Madam:

I thank you for your letter of March the 19th, advising that your son, Joseph White, has arrived at home.

Having noted in your letter that it may be advisable to have Joseph remain at home longer than was anticipated when you asked for his return, this is to state that if you cannot arrange to send him back to Carlisle within one month of the date he arrived at your home an extension of time should be requested. That will then keep the matter regular and our files will be complete.

Assuring you that we want Joseph to return here just as soon as is possible, but that I will gladly cooperate with you as may be necessary, I am,

Very truly yours,

Dear sir

My son Joseph arrived home  
all O. K. and many thanks to you; Joseph  
tells me that he was allowed two weeks of  
absence from your school;

I am little easy at present, but  
no better, the doctor says that I may have  
an operation before I shall <sup>be</sup> able to do my  
work, however he tells me he will decide in  
a week or two, on account that my heart  
is badly affected; and he was the one to  
send for my son Joseph, to come home;

Now he does not know when I shall  
be out of danger. But it will be over  
three weeks, perhaps longer, so that I think  
I shall have to ask for extension of time  
for my son Joseph, and if you will reg-  
uire my doctor's certificate, as to the danger  
of my sickness, I shall be only glad  
to furnish you one; as I want to be honest  
about it in regards to my son Joseph,

My dear Madam:

This is to acknowledge receipt of your letter of the 6th instant in which it is requested that Joseph White be given permission to remain at home during the remainder of this school year and the entire vacation period. I should have preferred to see Joseph back at Carlisle without delay, but I shall not object to his remaining with you until the 1st of September. He should then be returned to school so that he can take up on the opening day of school his studies.

Dear Sirs;  
Yours came to hand sometime ago; and allow me to thank you for granting my request to have my son Joseph White to stay until I get better or out of danger;  
and I see by my son's letter from his Country home that he has lost his place and another Boy has taken his Country home,

Now I am going to ask a further favor if you please; as the summer vacation is near at hand, if my son Joseph White could not remain until 1<sup>st</sup> Sept 1915 and then for him to return back to school with out fail, and will pay for his return fare further more our priest at St Regis strongly objects for my son being placed in ~~some~~ <sup>some</sup> Catholic family; he was going to excommunicate me; if Joseph was not removed;

However I hope that you will grant my further request; By allowing my son to stay till Sept, ~~1<sup>st</sup>~~ kindly let me hear from you as soon as possible; Yours truly
