INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Niagara Falls, Nov. 25.—Miss Mary J. Greene, 21 years old, of Sanborn was instantly killed and John Thorpe, 28 years old, also of Sanborn, was injured, when a light automobile in which they were riding ran into the rear of a carriage in the Saunders settlement road half a mile from the city line, shortly before 6 o'clock tonight. Allan Sworm of No. 918 Cleveland avenue and his aunt, Mrs. Ellen Voelker of No. 820 Willom avenue, were in the carriage. Aside from a few bruises they were uninjured.

The Sanborn young man and woman were coming to the Falls to attend a Thanksgiving party. As they rounded a curve, they saw a carriage ahead, but too late to avert a rear-end collision. Miss Greene's neck was broken. Thorpe has two broken ribs and internal injuries.

Miss Mary Green,

My dear Friend:

Replying to the letter you addressed to Mr. Meyer recently, this is to advise that during the summer I recommended you for appointment to a position as assistant clerk where you would have an opportunity to show what work you could do. The opportunity was taken to do so when an inquiry came to me from the Office at Washington regarding your fitness to take a position as stenographer and clerk.

It is my suggestion that you write me a letter to the effect that you desire an appointment and I will then forward it to the Office with another recommendation.

I am pleased to know that the summer has been pleasantly spent by you and that you are now ready to take up the work for which you were trained at Carlisle.

Hoping to hear from you again soon, I remain,

Very truly yours,

Dear Sir.

I will drop you a few lines to ask you if my daughter Mary J. Greene could come home for her vacation. and I have not the means to send the money for her carfare. and I need her home. I cannot get a long without her any longer.

and I think that the school
 ought to give her the ticket
 for she has been out there
 nearly 3 years. and I was
 told that when she has been
 there for 3 years the school is
 suppose to pay her way home.
 and my health is so poor that
 I really haven't the means to
 send the money for her fare.
 But if she can come home
 and if my health improves I
 would soon be able to send
 the money later after she gets
 home and helps me along.
