
Carlisle Indian Industrial School Document Guide

<http://carlisleindian.dickinson.edu/>

The following guide represents various examples of documents found in the Carlisle Indian Industrial School student files. Form layouts and contents changed over the years and this guide shows some of the variety that can be found within the files. The names of each document type were developed by the Dickinson Archives team to best describe the cards' contents and purpose for readers, but do not always reflect their original title.

Note: Behavioral/ Disciplinary is a subject tag. Files are assigned to this tag when they contain substantial documentation on a student's behavioral issues or disciplinary actions taken by the school. Such information may be found in letters, reports, court proceedings, or other school forms.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

October 26, 1917.

To Graduates and Ex-Students of Carlisle, Greetings:

As you have no doubt noticed the last issue of The Arrow was a combination issue of The Arrow and Red Man, the two publications which have heretofore been published at the Carlisle Indian School.

Owing to the increased cost of all supplies for the school and particularly of all materials going into the make-up of a newspaper or magazine, it has been deemed advisable to continue The Arrow as heretofore but to combine the issue, on the first week of the month, with The Red Man under the caption, The Carlisle Arrow and Red Man.

The material usually found in The Arrow will be in the combined issue, together with such other leading articles and information as may be collected of interest to Indians, Indian Service employees, and other friends and well-wishers of the Indian race.

The regular subscription price will be One Dollar a year payable in advance, but to all ex-students of the school a special rate of Fifty Cents a year is made. This is within the reach of every one.

Carlisle is your school. Its continued success reflects yours. It has given to you of its best. As a further evidence of its interest in you, you are offered the privilege of becoming a paid subscriber, at the reduced rate, to the paper and magazine that will come to you each week during the school year bearing welcome news of your beloved school.

You need The Arrow, and The Arrow needs you. Every loyal ex-Student should keep in touch with his school. This is your opportunity. Be true to your colors.

It will be our endeavor to make the new magazine issue newsworthy, interesting, and instructive, and we hope the change will be to your liking.

With the issue of October 26th, all free subscriptions will be dropped. Use enclosed card for mailing your fifty cents.

 Dear Sir-

Yours of the 10th is received and it gives me a great pleasure to hear from the head of our Alma mater.

I am very sorry that the first letter didn't find me. It's six months since I left Albuquerque to my present post. I suppose you have a boy at Carlisle from my home. It is the only one I could succeed in sending from home, and this was done by writing. I don't know the boy personally but his folks are relat'd to me ("Coke"). I wanted very much like to send more but my time is so limited I can't any well go about. I do expect to go home this fall and shall try to see if I can dig out more or are the only one from home that we have clench to Carlisle.

With best wishes and success to you Sir.

I remain always a friend to you and school. shall always be glad to hear from you.

My dear Mr. Beatty:

Re: George R. Phillips,
 Macy, Nebraska.

I am endeavoring to aid the above named veteran in connection with his claim for disability benefits filed with the Veterans Administration, and shall appreciate it if you will kindly furnish me copies of any material in his case file maintained by your Department, showing his condition at the time of admission to and discharge from the Carlisle Indian School, Carlisle, Pennsylvania, as well as information as to whether he received any treatment through your Medical Department while connected with the above mentioned school.

It is my understanding that the Veterans Administration has denied his claim for the reason that while attending Carlisle School he was treated for trachoma and was operated on in the year 1911 but the veteran apparently has no recollection of such an operation.

I will appreciate your prompt cooperation.

Very truly yours,
 Edward R. Burke

THE DICKINSONIAN, THURSDAY, FEBRUARY 13, 1941

D-son Swimmers Bow to Hopkins in Loyola Pool

The Dickinson College mermen suffered a defeat in their first pool appearance of the 1941 season when a more experienced Johns Hopkins swimming team took the measure of Joe Rice's boys in the Loyola College pool at Baltimore on Saturday afternoon.

Dickinson was able to garner but one first out of the nine events scheduled. Mickey Ruth took the five points when he defeated Johns Hopkins entry of Wolfe in the fancy dive event.

Eugene Wolff paced the Dickinson team with two places, followed by Luke Wilson with a second and a third. Pardew, of Johns Hopkins, was the only entrant to gain a double victory. His two firsts came in the 220 freestyle and the 150 backstroke.

The summaries:

300 yard medley relay—Won by Johns Hopkins (McGill, Wolf, Benton); Dickinson (Lendermen, Johnson, Costenbader), second. Time—3:35.2.

220 yard freestyle—Won by Pardew, Johns Hopkins; Wolff, Dickinson, second; Wilson, Dickinson, third. Time—2:56.3.

50 yard freestyle—Won by McCormick, Johns Hopkins; Tyson, Dickinson; Stojowski, Dickinson, third. Time—0:26.4.

Fancy diving—Won by Ruth, Dickinson; Wolfe, Johns Hopkins, second. Points—65.50 (Ruth).

100 yard freestyle—Won by McCloy, Johns Hopkins; Wilson, Dickinson, second; Emlet, Dickinson, third. Time—0:40.9.

150 yard backstroke—Won by Pardew, Johns Hopkins; McGill, Johns Hopkins, second; Flower, Dickinson, third. Time—2:46.

200 yard breast stroke—Won by Curland, Johns Hopkins; Sheffler, Johns Hopkins, second; Lenderman, Dickinson, third. Time—3:11.8.

440 yard free style—Won by Benton, Johns Hopkins; Wolff, Dickinson, second; Sweeney, Johns Hopkins, third. Time—6:25.

JIM THORPE WILL SPEAK NEXT MONDAY

Affair Will Feature Sound Movies of Football Games

Jim Thorpe, Carlisle's greatest contribution to the sporting world and oft-acclaimed as the world's greatest athlete, will be the principal speaker on a program to be presented next Monday night in the Carlisle High School auditorium at 8 p.m.

In addition to Thorpe, sound movies of the outstanding football games of the 1940 season will be shown. Such games as the Rose Bowl game, Penn-Michigan, and Dartmouth-Cornell are included.

JIM THORPE

Thorpe, a Sac and Fox brave, came to the Carlisle Indian School from an Oklahoma reservation in 1904. He had previously attended the Haskell Indian School. It was in Carlisle, however, that Jim first gained his fame. Here, under the tutelage of Glenn S. "Pop" Warner, the "Old Fox" of football coaches, Thorpe made his way to national prominence as halfback on the widely-heralded Carlisle Indian School team. It was in 1912, the year he left Car-

Devils Face G-burg, Lebanon Valley, and W. and J.

After taking four victories in their first five contests, the Dickinson College Red Devil courtmen suffered a very speedy lapse in form and dropped two pre-exam engagements to Gettysburg and Lebanon Valley. The Bullets took the measure of the Macmen by a 46-19 score while the Flying Dutchmen came off the court with a 47-37 triumph.

In the Gettysburg contest Dickinson led at the end of the quarter 8-5, and early indications pointed to a Red Devil victory. However the Bullets proved that they were no duds by coming back in the second quarter and out-scoring the Macmen by sixteen points.

From the start of the second half on it was no contest as Gettysburg completely outclassed the locals, and held them to three points during the entire half. The only bright spot for Carlisle fans lay in the fact that two Carlisle boys, Trimmer and Murtoff, played instrumental parts in the Gettysburg victory. Buyer, outstanding Bullets forward, paced his team with 15 points while Keating was high for Dickinson with six.

As in the Gettysburg contest Dickinson grabbed an early lead over Lebanon Valley, but with four minutes left in the first half, the Red Devils found themselves behind by twelve points. At the end of the half the Red and White was trailing 28-17.

The Dutchmen continued to stack up their lead after the intermission, but certain Red Devil substitutions proved advantageous and this great lead was whittled down to 38-36. The pace proved much too fast for Dickinson, however, and Lebanon rapidly pulled ahead to a 47-37 victory. Campbell and Neiman shared the Devil scoring honors with ten apiece while Schillo and Mease accounted for 27 of the victor's points.

After a fifteen day layoff for exams and semester vacation the Dickinson Red Devils dropped their third consecutive game to the highly touted Washington and Jefferson Prexies by a 43-32 score last Wednesday night in the Alumni Gymnasium.

Following their usual procedure the Macmen were leading at the quarter 8-7, and it began to look as though

SPORTS

BY
Jim McE

HELLO EVERYBODY

Howdy Dickinson sport fans! The time honored story of "The old order changeth, giving way to the new" (Thanks Bill Shakespeare) has once again proved itself to be true, and as a result we give you the first edition of "Sportotopics" with the hope that in its lines may be contained stories of sterling Dickinson victories on all fields of battle as well as reports on the general improvement and rise of athletics on this campus.

WHAT OF THE FUTURE?

During the past year we have been forced to witness the inglorious passing of soccer from the inter-collegiate picture and the near collapse of the swimming team. A crisis in Dickinson athletics is very imminent in the near future, and if we fail to get behind the sports that we now have with our active participation and interest, we may suddenly awaken someday to find that varsity athletics no longer exist in Dickinson College.

To add to our worries we must face the problems of the draft, which threatens to take some of our athletes from school, and also the scarcity of athletes in our freshman class. The future looks anything but rosy, but it also looks very interesting. The benefits derived by a college from its varsity sports are invaluable, and it should therefore be the duty of every Dickinson student during the coming year to fight for their continuation and improvement.

SOME CLASS

The Washington and Jefferson quintet that met Dickinson last week was one of the classiest combinations to appear in Carlisle in many a day. The Presidents came here with a fine reputation and a grand record of but one defeat in nine contests, and they lived up to all advance notices in their battle with the Red Devils.

While the Prexies showed two of

Grover C. Long, an ex-student and the first president of the class 1911, recently wrote and asked to be remembered to his old friends and classmates. He is now located in Miami, Okla., and is getting along well with his work.

Grover C. Long, ¹⁹¹¹ who was once a member of the present Senior Class, is now employed in the government service at Lower Brule, S. D. 1336
