A WEEKLY NEWSPAPER EDITED AND PRINTED BY THE STUDENTS OF THE UNITED STATES INDIAN SCHOOL

VOLUME VII.

CARLISLE, PA., MARCH 24, 1911.

NUMBER 29

GENERAL SCHOOL NEWS.

Miss Ella Staub spent Sunday with her sister in Harrisburg.

A number of the boys are preparing to go to the country with the first party.

Since the days are getting pleasanter many visitors are seen on our campus.

Jessie Davis, '05, is farming his allotment on the Nez Perce Reservation and getting along finely.

Many beautiful post cards have been received from Rose Simpson, who has returned to her home in Spalding, Idaho.

Rose McArthur writes from Gardner, Oregon, that she is well and earning \$25 a month as housekeeper for a good family.

William Yankeejo writes from Hayward, Wisconsin, of the delightful spring weather they are having in that section of the country.

The evidence that spring is very near at hand is shown by the insects and the birds, and the gay house fly which has also made his appearance.

A letter has been received from Cora Elm, who is living at Glen Olden, Pa., stating that she is well and getting along nicely with her work.

Ossie Crowe, an ex-student, writes from Cherokee, North Carolina, that the weather is fine and that the flowers are in bloom. He sends best regards to his friends.

Helen Johnson, who is in the art department, has just completed a rag rug which is nearly five feet square; it is a fine piece of work and worthy of commendation.

The little group of Winnebago students were very glad to welcome into their midst Mary Kelsey, who arrived Saturday. She brings them many messages from their home people.

Ellen H. Grinnell, ex-sophomore, sends greetings from Elbowoods, N. Dak., to the Sophomore class. She says: "I often think of Carlisle and wish I were there, but not during examinations."

The employees who have been indisposed this winter have cause to feel grateful to Mr. Veith for his thoughtfulness in sending each one of them a plant to brighten the sick room. It is these little acts of kindness that make life worth living,

We have received from Tulalip Indian School a very interesting programme of chapel exercises given on Sunday evening, March 5, which includes organ solos and a talk on "Going to Law" by Dr. Buchanan, hymns, recitations, piano solos, etc., etc.

The Smith Premier Typewriter Company has given a splendid gold medal to be awarded to the Business Department student making the best record for speed and accuracy on the Smith Premier typewriter. The contest will be arranged for as soon as possible.

Through a letter we learn of the marriage, on the fourteenth of last month, of Miss Virginia Gaddy—a member of the present Senior class who went home last spring—to Mr. Eli. Facier. The Seniors join in sending congratulations and good wishes for a happy life.

Emma M. Newashe, who is attending the High School at Moorestown, New Jersey, expects to return in the spring to resume her studies with the present Junior class. In her letter she states that the mid-year exams are over and that she made an average of 91 in all her studies.

At a meeting of the Junior Commercials in Susan Longstreth Hall, Thursday night, March Ninth, the following class organization was effected for the Class of 1912: President, Emil H. Hauser; Vice President, Hiram N. Clark; Secretary,

Carlisle Greenbrier; Corresponding Secretary, Inez P. Brown; Treasurer, Levi E. Hillman; Critic, Evelyn A. Pierce; Reporter Joseph Loudbear; Sergeant at Arms, Charles W. Monchamp.

In a letter to his former instructor, Mr. Miller, Stephen Glori, an ex-student, gives the news that he is now working in the mechanical department of the New York Evening Mail and earns a weekly wage of \$29.00. He also states that his health is good and he hopes to be with us Commencement week.

Monday morning, a week ago, we were favored with a few remarks from Mr. Whitman, a member of the Nez Perce tribe who is visiting this school for the first time and is representing his people on matters of importance in Washington. Mr. Whitman is leading an exemplary life working for the benefit and for the uplift of his people. He is greatly interested in the work of the reservation schools. Mr. Whitman talked to us from the stage just as he would in ordinary conversation and impressed upon us what has been said over and over again and not in vain: That we should not go back to the old customs of our people but we should show them the better ways of living by example and precept. He compared Carlisle to a machine and the students' actions to the oil which keeps it running. In spite of the adulterated oil sometimes applied the machine has kept ahead of all other schools in uplifting the Indian race.

DON'T be afraid to praise people. It is all very well to say that it hurts a boy or a man or woman to praise; there may be those who do their best work without encouragement, but let us remember that nearly all of us who live on this earth are human beings, and human beings work best when encouraged.—Smith's Magazine.

GENERAL SCHOOL NEWS.

David Redthunder and Louis Hill left for their homes Monday afternoon.

Ruth Walton favored her friends last Sunday evening by singing to them some of the latest songs.

The girls who are in the club and dumb-bell drills are anxious to perform before the student body on Monday evening.

Mrs. Elizabeth Johnson of Philadelphia, Pennsylvania, was at the school last week visiting her daughter Frances Johnson, who is a student here.

John White, one of our graduates, came over from Mt. Holly last Saturday evening to visit his friends and pass a pleasant evening with former instructors.

Dr. R. B. Waite, of Springville, New York, was here last week, the guest of Mr. and Mrs. Warner. He is a life-long friend of "Pop" and came to see the Indians of Carlisle at home.

The printers have just finished the programs for the band concert which will be given during commencement week. The work is very neatly done. The commencement programs are nearly finished.

Patrick E. Verney, of Alaska, a member of the class 1909, writes to a friend that he will be here on the 25th of this month to attend the commencement exercises. His friends and classmates will be glad to see him.

Troop F of the Small Boys' Quarters are working steadfastly under the direction of their captain whom they do their best to please; and if the willing spirit which now exists is kept up until commencement, then surely Troop F will be worthy of recognition.

The printers who were working down town for the Cornman Printing Company are back in their shop for a few weeks on account of "The Dickinsonian" being discontinued for the spring vacation and the firm not having other work on hand to keep them busy.

Coach O'Neal, of our lacrosse team, this year came as a Benedick and brought Mrs. O'Neal along. They occupy quarters in front of the laundry. We are glad to have them with us, for Mr. O'Neal is not only a great lacrosse man, but a pleasant gentleman as well.

There was a large attendance at the Catholic meeting which was held in the auditorium. After singing hymns and saying the rosary, the following program was carried out: Declamation, Henry Broker; musical selection, Mary Pleets and Eloy Sousa; piano and violin selection, Mary Pleets and Eva Flood; select reading, Alex Arcasa. Mother Catherine Drexel was present. After the girls had left for their quarters, Father Stock spoke to the boys on athletics.

Prof. Samuel Higginbotton, a missionary in India, and a Princeton graduate, spoke to the students Sunday afternoon. His subject was "The Lepers in India." He told of their scanty supply of money; their misery, poverty and wretchedness, and withal, their kind and generous spirit. His talk touched the hearts of all and made them feel that to be strong and healthy and yet not so willing to give was a striking comparison of the different natures to be found in this world.

The Superintendent Talks to Y. W. C. A.

The Y. W. C. A. meeting Sunday evening was led by Susie Porter. The speaker for the evening was Supt. Friedman, who gave the girls an excellent talk on "Diligence, Service and Truth," taken from the passage reading thus: "Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the word of truth." Mr. Friedman also told of the good work that is being done out in the field by some of our graduates. After the meeting, a collection was taken to send to the leper asylums in northern India.

The Commerical Dance.

One of the prettiest society events of the winter was the dance given last Saturday evening by the Juniors of the Commerical department to their graduating class. The large recitation room was beautifully decorated with flags and pennants; there were rugs, cozy corners and red and blue electric lights shedding a soft glow over all. The evening was happily spent in dancing, playing games and in conversation by those of the guests who did not dance. The honors were won by Elizabeth Silas and Charles Mouchamp, Inez Brown and Robert Weatherstone. The refreshments consisted of lettuce sandwiches, pickles, olives, fruit, ice-cream, cake, coffee and candies.

Mr. and Mrs. Brown received the guests. Those present were Mr. and Mrs. Friedman, Mr. and Mrs. Whitwell, Mr. and Mrs. Denny, Miss Jennie Gaither, Dr. De Foney and Mr. Rudy. Mr. E. H. Houser acted as toastmaster and Joseph Loudbear read the prophecy. Mr. Friedman and Mr. Whitwell made addresses. Short but appropriate speeches were made by the three young ladies who are about to graduate, Misses Emma Jackson, Mary Nunn and Margaret Delorimere.

Juniors-Seniors' Reception.

Monday evening in the gymnasium was held the annual reception of the Juniors to the Seniors. The decorations in the gymnasium and in Trophy Hall, where refreshments were served, were very pretty indeed, and over all pervaded an atmosphere of genuine hospitality and good fellowship which made every one feel that he was in the right place, and so, naturally, every one enjoyed himself immensely. There was good music, dancing and games. Ernestine Venne and Alvin Kennedy carried off the honors for the two-step and Mazie Skye and Edison Mt. Pleasant for the waltz. Agnes Waite, president of the Junior Class, presided at the board and Mr. Whitwell presented the prizes—tempting looking cakes—and in his usual happy manner addressed the company with remarks appropriate to the occasion.

This closes a series of entertainments complimentary to the Senior Class, all of which have left happy thoughts to be carried into the coming years.

ABOUT CARLISLE ATHLETICS.

THE FOOTBALL SCHEDULE,

Below will be found the Indian school football schedule for the season of 1911.

It will be noticed that there are many changes in the list of Carlisle opponents for the coming season, St. Marys, Georgetown, University of Pittsburg, Lafayette and Harvard taking the places of Bucknell, Villanova, Gettysburg, Virginia and Princeton. Carlisle has played all the above named teams in former years with the exception of Lafayette which team appears upon the Indian schedule for the first time.

The most important change in the schedule is the addition of a game with Harvard. This game used to appear regularly upon our list of contests until two years ago, when the Indians were dropped by Harvard to make room for a game with Cornell. Carlisle has felt the loss of this game very keenly for the past two seasons and therefore it is with a great deal of pleasure and satisfaction that football relations are again to be resumed with the Crimson.

The list of games is a hard one but it is felt that the 1911 schedule is the best that the Indians have had in several years.

FOOTBALL SCHEDULE, 1911.

- Nov. 30—Brown.....at Providence

THE ORANGE INDOOR MEET.

The second annual indoor meet was held in the gymnasium Wednesday evening and proved to be an interesting athletic event, the feature of which was the Midget relay race between three teams from Small Boys' Quarters. Many new men showed up well and "dark horses" were much in evidence.

This meet gave some line on the new material which will prove of value in developing a track team the coming spring season.

The events and the prize-winners were as follows:

Thirty yards dash—large boys—Skenandore first, Long second, Earth third.

Thirty yards dash—small boys—Depremont first, Shasbowobosh second, Shongo third.

Five lap race—Cornelius first, Goodshield second, Shasbowobosh third.

Four lap race—small boys—Gilbert Rogers first, Walker second, Dismount Thrice third.

Three lap race—Novice—Stevenson first, Cloud second, Johnnyjohn third.

Ten lap race—Priest first, Arquette second, Shasbowobosh third.

Thirty yards hurdle—Skenandore first, Red Eagle second, Goslin third.

Eight lap race—small boys—Dismount Thrice first, Shongo second, Depremont third.

Ten lap race—Novice—Priest first, Blackdeer second, Shasbowobosh third.

Twenty lap race—Arquette first, Tewanima second, Talayamptewa third.

Midget relay race by three teams from Small Boys' Quarters—Reds first, Whites second, Blues third.

Pole Vault—Goslin and Coons, allowance 1 ft. 6, tied for first; Charles, scratch, second.

High Jump—Powell, scratch, first, 5 ft. 4; Skenandore, allowance 3 in., second, 5 ft. 3; Wheelock, allowance 1 in., third, 5 ft. 2.

Shot Put—Ez Nez, allowance 5 ft., first, 43 ft. 6; Powell, scratch, second, 43 ft. 1; Skenandore, allowance 2 ft. 6, third, 42 ft. 8.

Messrs. Miller, Meyer, Henderson Wyatt, Warner, Rudy, officials.

The Lacrosse game with Baltimore City College has been changed from April 1 to March 29, making it a commencement week event to be held on the same afternoon as the handi-cap track meet will be held.

The first outdoor meet will be held on Wednesday of commencement week and the prizes will be the usual Indian School Athletic Association watch fobs in gold, silver and bronze.

Good Y. M. C. A. Meeting.

The Y. M. C. A. meeting which was led by the young men of the Senior class, was one of the best of the year thus far. The service was opened by the newly-elected president, Sylvester Long, and then led by the former president, James Mumblehead. Those who took part were William Owl, who spoke on "Conference Work;" Edison Mt. Pleasant, "What the Y. M. C. A. has done for me;" Francis Coleman, "Christian Influence;" Jefferson Smith, "Benefits derived from Religion;" Charles Fish, "How the Y. M. C. A. will help a student;" Alvin Kennedy, "The Results of bad influence;" Moses Friday, "Truth Conquers;" James Mumblehead, "Spiritual Strength." Mr. Nagay made a few remarks, after which there was a general hand-shaking and good-night.

GENERAL SCHOOL NEWS.

Jessie Veith sang in a very sweet way on Sunday, "Beautiful Little Hands."

Mr. Collins, mechanical drawing teacher, paid a visit to Philadelphia over Saturday and Sunday.

We all enjoyed Mr. Whitwell's talk on "Temperance;" he gave us some fine points on being temperate.

The Winnebago boys and girls were all glad to see Joseph Rice, a Winnebago, who came last Friday.

An excellent declamation entitled "The Pleasures and Profits of Reading," was given in the auditorium by Charles McDonald of the Junior class.

The sewing room girls are very busy getting fancy sewing, mending, and other samples of work ready for exhibition during commencement week.

Mr. Albert Exendine came out last Sunday and helped us in the choir; his deep voice added greatly to the singing, and we hope he will favor us again very soon.

Great preparations are being made to carry on successfully the work for commencement week. Many visitors, ex-students, and graduates are expected to be present.

The lacrosse candidates were out for their practice, under the supervision of Coach O'Neil; they were all eager to get into the game and Mr. O'Neil was satisfied with their showing.

Many of the shirt-makers have become quite expert and some can make three and four shirts a day. They are looking forward to being promoted next month to the dress-making class.

The printers are very busy with the programs for commencement; those for the band concerts have extra work on them, so every one is kept busy with the regular work, which also has to be done.

Harry Bonser represented the Junior Class last Monday with a recitation entitled "The Discouraged Farmer." It was most appropriate sentiment and well given. The thought was that we should be contented with our lot; that Providence is ever watchful of us.
