A batch of twenty-eight coats have been cut, which are to be made as soon as time permits.

## THE COUNTRY BOY'S CREED

I believe that the country, which God made, is more beautiful than the city, which man made; that life out-of-doors and in touch with the earth is the natural life of man.

I believe that work is work wherever we find it, but that with Nature is more inspiring than work with the most intricate machinery.

I believe that dignity of labor depends, not on what you do, but how you do it; that opportunity comes to a boy on the farm as often as to the boy in the city; that life is larger and freer and happier on the farm than in town; that my success depends not upon my location, but upon myself; not upon my dreams, but upon what I actually do; not upon luck, but upon pluck.

I believe in working when you work, and in playing when you play, and in giving and demanding a square deal in every act of life.—*Suburban Life*.

will add very much to the general appearance of the farm.

## SEWING ROOM NOTES.

By Mary Welch.

A few pieces of fancy work in the show cases are expected to be sent to the exposition in San Francisco.

Maude Cooke, in the plain dress making class, recently finished a very dainty bureau scarf which is now in the show case.

A beautiful table runner was recently finished by one of the girls. The work put on it consisted of macrame, crochet, and embroidery.

The Art Department girls have been given the advantage of doing sewing for the employees, which gives them more experience in dress making.

### ATHLETIC NOTES.

There is no lacrosse game this week, but next week Saturday the Crescent Athletic Club will be played at Brooklyn. This is a trip which our boys always enjoy, although they usually get a good "walloping" in the game.

#### Carlisle 56, Lafayette 56.

The track athletic season closed at the school last Saturday, when the strong Lafayette College team was tied in a very interesting dual meet, each side scoring 56 points.

In view of the misfortunes which have beset the track squad this year in the loss of some of the best men and the illness of others, the holding of Lafayette to a tie score may be considered a very noteworthy and satisfactory wind up of the season, and the boys who have trained faithfully and made this performance possible deserve a great deal of credit.

Lafayette had previously defeated Swarthmore and Lehigh, and last year won the Middle State Intercollegiate Championship.

Lafayette was two points ahead when the half-mile run, the last event, was started, but Charles Kelsey arose to the occasion and won this event, although he had to run faster than the half mile had ever been run before upon our field. The record of Edgar Moore, which has stood for several years, was broken and is now held by Kelsey, whose time was 1 minute 59 4-5 seconds. This is also believed to be the fastest half mile ever run by an Indian.

All the boys did well, but Joe Guyon was the largest point winner. He gathered in a total of 22 points for Carlisle.

#### SUMMARY.

100-yard dash—1st, Boyce; Lafayette; 2nd, Guyon, Carlisle. Time, 10 3-5 seconds.

120-yard dash—1st, Rinn, Lafayette;

2nd, Maxwell, Lafayette. Time, 16 3-5 seconds.

440-yard dash—1st, Kelsey, Carlisle; 2nd, Donahue, Lafayette. Time, 53 4-5 seconds.

220-yard hurdle—1st, Rinn, Lafayette; 2nd, Maxwell, Lafayette. Time, 27 2-5 seconds.

Half-mile run—1st, Kelsey, Carlisle; 2nd, Meyer, Lafayette. Time, 1 minute 59 4-5 seconds.

Two-mile run—1st, Peter, Carlisle; 2nd, Nash, Carlisle. Time, 10 minutes 30 3-5 seconds.

220-yard dash—1st, Boyce, Lafayette; 2nd, Guyon, Carlisle. Time, 23 1-5 seconds.

Shotput—1st, Snyder, Lafayette; 2nd, Goesback, Carlisle. Distance, 38 feet 8½ inches.

Hammer throw—1st, Woodward, Lafayette; 2nd, Guyon, Carlisle. Distance, 125 feet 5 inches.

Discus throw—1st, Guyon, Carlisle; 2nd, Goesback, Carlisle. Distance, 109 feet 5 inches.

Broad jump—1st, Goesback, Carlisle; 2nd, Evans, Lafayette. Distance, 21 feet 5 inches.

The lacrosse team suffered defeat at the hands of Lehigh last Saturday by the score of 7 to 2. The game developed into a "rough-house" affair in the last period, in which the Lehigh players showed a vicious spirit, and as our boys were outweighed the rough tactics of the collegians enabled them to win the game.

#### James Thorpe Makes Brief Visit to School.

James Thorpe, Carlisle's famous athlete who is now playing with the New York Giants, made a brief visit to his old school and friends last Tuesday evening, coming from Harrisburg, where the New York Yanigans played an exhibition game with the Harrisburg Tri-State League, defeating them 15 to 1. The papers said that the wonderful all-around work of Thorpe, especially on the bases, paths, and at the bat, provided great joy for his old-time admirers.

### WORK IS REST.

Let me do my work from day to day  
In field or forest, at this desk or loom,  
In roaring market place or tranquil room;  
Let me but find it in my heart to say,  
When vagrant wishes beckon me astray,  
"This is my work; my blessing, not my doom,  
Of all who live, I am the one by whom  
This work can best be done in the right way."  
Then shall I see it not too great nor small  
To suit my spirit and to prove my powers;  
Then shall I, cheerful, greet the laboring hours,  
And cheeful turn, when the long shadows fall  
At eventide, to play and love and rest  
Because I know for me my work is best.

—Henry Van Dyke.

#### Suppressing the Liquor Traffic.

Indian Commissioner Sells in a recent address to the field supervisors, published in THE RED MAN, said that "the greatest present menace to the American Indian is whiskey." The entire March issue of this really brilliant monthly, THE RED MAN, is devoted to "Liquor Suppression," and what some of the prominent Indians say on the subject is much to the point.—Chas. H. Shinn, in *Fresno Republican*.

#### Appointed Assistant Seamstress at Genoa, Nebr.

Miss Ivy Metoxen, of Green Bay, Wis., arrived on the 16th to fill the position of assistant seamstress. She is a last year's graduate at Carlisle.—*Genoa Indian School News*.

MAN is selfish as well as social.

#### Indian Paper Fights Traffic In Liquor.

The March number of THE RED MAN, the magazine printed by the students of Carlisle Indian School, is devoted entirely to the work of liquor traffic suppression among the Indians, and copies have been mailed to Federal officials here to show the spirit with which the young generation of Indians is entering into the problem of blotting out the liquor curse among the Indian tribes.

THE RED MAN is said to be the most beautifully printed magazine in the world, and every bit of work upon it is done by students, including the decorating and illustrating. The March number contains several snappy articles on why the illicit liquor traffic among the Indians should be suppressed.—*Muskogee (Okla.) News*.

**A MEMORY SYSTEM**

Forget each kindness that you do  
As soon as you have done it;  
Forget the praise that falls to you  
As soon as you have won it;  
Forget the slander that you hear  
Before you can repeat it;  
Forget each slight, each spite, each sneer,  
Wherever you may meet it.

Remember every kindness done  
To you, whate'er its measure;  
Remember praise by others won,  
And pass it on with pleasure;  
Remember every promise made.  
And keep it to the letter;  
Remember those who lend you aid,  
And be a grateful debtor.

Remember all the happiness  
That comes your way in living;  
Forget each worry and distress,  
Be hopeful and forgiving;  
Remember good, remember truth,  
Remember heaven's above you,  
And you will find through age and youth,  
True joys, and hearts to love you.

**BITS OF WISDOM FOR DAILY LIFE.**
