A WEEKLY NEWSPAPER PRINTED DURING THE SCHOOL YEAR BY STUDENTS OF THE CARLISLE INDIAN SCHOOL

VOLUME IX *XI*

CARLISLE, PA., OCTOBER 9, 1914.

NUMBER 6

## THE MONDAY OPENING EXERCISES.

"If I Were a Voice" was recited by Thresa Lay, a Senior, at opening exercises Monday afternoon. The following lines echo the sentiment of the poem:

If I were a voice, an imortal voice,  
I'd speak in the people's ear;  
And whenever they shouted "Liberty!"  
Without deserving to be free,  
I'd make their error clear.  
I'd fly, I'd fly on the wings of day,  
Rebuking wrong on my world-wide way,  
And making all the earth rejoice,—  
If I were a voice, an immortal voice.

## DEATH OF AGNES WHITE.

Agnes White died in the German Hospital, Philadelphia, October 3, 1914. Peritonitis, following an operation for appendicitis, was the cause of death. Her country mother, Mrs. Allen, was in daily attendance at the hospital and Friday night remained through the entire night, never leaving her until Agnes passed away the next day about noon.

The funeral was held from her home in Hogsburg, N. Y. The Carlisle friends extend their heartfelt sympathy to her mother and family.

Her country mother, Mrs. Allen, sends us the following tribute: "For less than two weeks did we enjoy having Agnes in our home when she was taken very ill with appendicitis. She was taken to the German Hospital, where the best medical skill attended her. She soon became known as 'The little Indian girl' who was so cheerful, patient, brave, and thoughtful for others. Until the end her thoughts were for others. 'Thank you' was among her last words.

"In her home life with us her manners were most agreeable, and she was always on the alert to learn and to relieve me of duties. Truly, I am surprised that in so short a time we learned to love Agnes dearly, and we shall miss her very, very much.

"She had made many friends in

school and her teacher and classmates sent cheery messages to her during her week in the hospital. The first Sunday after her arrival in our home she attended her church and continued faithful to her church duties. She proved herself in all respects a good type of what a Carlisle girl should be."

Scatter kind words all around you;  
Perchance, when your mission is o'er,  
The seed you have dropped by the wayside  
May bloom on eternity's shore.

## Two War Maps Placed in Library.

By MISS GWEN WILLIAMS, Teacher.

In order that the contending armies in the present European struggle may be more definitely located, two war maps have been placed in the library for the convenience of pupils who are endeavoring to keep in touch with events that are making history.

Since most of the places mentioned in the papers from day to day are shown upon these maps, it is possible to locate the points where the armies are in action while heretofore it has only been done approximately. They also show what nations are a party to the Triple Entente and those a party to the Triple Alliance as well as the relative strength of their armies and navies.

## NOTES ABOUT EX-STUDENTS.

Jose Montoya, recently of Sante Fe, has enrolled at Sherman Institute.

Ben Lawrence writes from Red Lake, Minn., that he has a job on the road and is doing well.

Through a letter we learn that Agnes V. White, Class '12, has a position as teacher at the Fort Yuma School.

We learn that Miss Mamie Moder, one of our ex-students, was recently married at her home in Odanah, Wis., to Mr. Otto Peters.

## 35TH ANNIVERSARY CELEBRATION.

Next week's ARROW will contain a full account of the observance of the thirty-fifth anniversary of the founding of the Carlisle Indian School, which took place Tuesday, October 6th.

All friends of Indian education and ex-students of the school will be interested in the published account of this event. Watch for it.

## CARLISLE GRADUATES WED.

A card received Monday morning gave the following interesting information:

Married at Flandreau, S. Dak., on September 9, by the Rev. Talmage, Miss Germaine Renville and Mr. Peter Eastman, both of Peever, S. Dak.

These two young people are too well and favorably known at Carlisle to need any introduction. There is but one opinion as to their worth and fine characters. They deserve the best, and each has found it in the other. They deserve also to be happy, and their many friends at Carlisle with one accord join in wishing them the best that life has to offer.

Mrs. Eastman was graduated from Carlisle, the "baby" of her class, last April.

Mr. Eastman was graduated in 1913. He subsequently attended Conway Hall, where he made an excellent record for himself as a student and a gentleman on all occasions.

O my children,  
Love is sunshine, hate is shadow,  
Life is checkered shade and sunshine,  
Rule by love, O Hiawatha!

O my children,  
Day is restless, night is quiet,  
Man imperious, woman feeble:  
Half is mine, although I follow,  
Rule by patience, Laughing Water.

PERSISTANT people begin their success where others end in failure.—  
Edward Eggleston.

## ATHLETICS.

**Lehigh, 21; Carlisle, 6.**

Carlisle was defeated for the first time this season at South Bethlehem last Saturday. This is also the first victory Lehigh ever gained over Carlisle on the gridiron.

The Indians' defeat was due to fumbling and poor tackling. Fumbling has always been a weakness of Carlisle teams, due to the inherent Indian characteristic of being careless, but tackling has been one of the chief sources of strength of Indian teams of former years.

The Indians had no trouble in advancing the ball, but fumbling prevented enough consecutive gains to secure a touchdown except on one march down the field, which resulted in scoring Carlisle's 6 points.

Lehigh's three touchdowns were due entirely to failure of the back field to tackle the Lehigh backs after they had caught forward passes or succeeded in getting through the line.

The Indian line was outplayed by Lehigh's green forwards, and the old Carlisle fighting spirit seemed to be lacking all through the game.

The team left this morning for Ithaca, where Cornell will be played

to-morrow. This is really the first big game of the season. The Indians won from Cornell last year by a narrow margin, but judging by the way Carlisle played against Lehigh and in the earlier games a Cornell victory would be no surprise.

The practice the past week has been harder and the players have shown a better spirit than heretofore, and a continuance of hard work and good old Carlisle fighting spirit will do much to produce a winning team.

The Reserves were defeated by the strong Lebanon Valley team at Annville last Saturday, 56-0.

## SATURDAY NIGHT ENTERTAINMENT.

By Student Reporters.

Last Saturday evening the students were entertained by a magician. He performed some tricks that were astonishing to the audience.

The trick of producing flags out of nothing, as it were, is an old one, but Mr. Magician did it cleverly and we enjoyed seeing him do the job without letting us into the secret.

The magician found eggs everywhere about the auditorium. Several of the girls and boys had some hidden under their collars. One, a goose egg, was extracted from Avin Silas' coat collar.

## THE CATHOLIC MEETING.

By Pablo Herrera.

In the Catholic meeting Sunday evening the names of several more girls were added to the list of members. Father Stock explained the rosary. He also said each Catholic boy and girl should try to say the rosary every day during the month of October.

We should all follow his advice.
