NUMBER 23

INDIAN PRIEST VISITS CARLISLE.

By JOHN B. MCGILLIS.

Rev. Philip B. Gordon an Indian priest who is taking a post-graduate course at Catholic University, Washington, D. C., visited Carlisle last Sunday and gave an inspiring talk to the Catholic students at their evening meeting. Everyone was impressed with his earnestness, which foretells of a useful life in helpful service to his people.

Father Gordon was ordained in the priesthood by the Right Rev. Joseph M. Koudelka, D. D., Bishop of Superior, Wis., at the Sacred Heart Pro-Cathedral on December 8, 1913. It marks the entrance into the ranks of the Catholic clergy of the first Indian of the Chippewa tribe and the second Indian of any tribe. He was born at Gordon, Wis., the town named after his grandfather, Antoine Gordon. He received a common-school education in the Douglas County public schools and at St. Mary's Indian School, Odanah, then successively a high school, college and university training at St. Thomas Collegē and Seminary, St. Paul; the Propaganda University at Rome; Innsbruck University, Tyrol, Austria, and finally at St. John's Abbey, St. Paul, Minn.

We hope Father Gordon will come often while in Washington, as he intends to go west sometime in June.

INDIAN BOY SCOUT NEWS.

By Ralph Tourtillotte.

The Indian Scouts have been given the trophy room for their headquarters and Mr. Lipps has presented them with a few games of which they are very proud.

The Scout room is open at certain hours each day and the privates are allowed to go in and read or play games when one or more of the officers are present. Two boys are appointed by the president to keep the

room in order. Meetings are to be held every Tuesday evening unless otherwise arranged for.

Benjamin Caswell is president and Herbert Pappin is his assistant.

GENERAL SCHOOL NEWS.

By STUDENT REPORTERS.

In his talk to the students last Sunday evening, Mr. Lipps said: "Bring the standard up higher than it ever has been before; let us do it."

Miss Reichel and Miss Snoddy, accompanied by twenty-two girls, journeyed to Harrisburg Monday evening to help the suffrage bill go through.

The remaining lacrosse men are working hard since they have seen the schedule, for the games are harder and there are more of them to be played than heretofore.

The Mahogany Orchestra did itself proud. Why not? With such a leader as Alanson Lay, of New York, now naturalized citizen of the Carlisle Indian School and one of its honorable Seniors.

In the Y. M. C. A. hall last Sunday evening Father Gordon gave a short talk on St. Peter's Cathedral in Rome to the Catholic students. We learned that it is about an eighth of a mile long and will hold seventy-five thousand people.

Mr. Dickey, our Boys' Field Agent for the Outing system, was married on the 1st instant to Miss Alice Alter, of near Carlisle. The ceremony took place at Marietta, Ohio. After a trip through Ohio and West Virginia, Mr. and Mrs. Dickey will take up their residence on the school campus.

The girls' basketball teams which have been lately organized played their first games Saturday afternoon. Each game had a half hour. The results were as follows: Mutts vs. Dubbs, 7-0; Giants vs. Bears, 4-1; Phillies vs. Macks, 9-0; Cubs vs. Sophies, 9-2; Sox vs. Hunkies, 8-2; Buzzards vs. Kuties, 10-2.

MISS KLEPFER GIVES MUSICALE.

Employees and students of the school were given an excellent musical entertainment last Saturday evening in the Auditorium by Miss Klepfer, our music teacher. The program was composed of twelve numbers, all rendered by local town talent, with the exception of Mr. Lay and Mr. Garvie, who upheld the school's usual reputation for ability to produce something good.

Notes of the Musicale.

By STUDENT REPORTERS.

"My Thought of You" was sung very sweetly by Miss Wenger.

We particularly enjoyed "Carmena" as sung by Miss Jones.

The musical program was certainly enjoyed by all who were present.

A very pleasing feature of the musicale was the singing of Mr. Ruggles.

Miss Klepfer's accompaniment gave pleasure to the music-loving audience.

One of the features of the musical was the violin numbers given by Mr. Yates.

The Hungarian Rhapsodie No. 11, as given by Mr. Kramer, was certainly most pleasing.

Who does not enjoy "On the Road to Mandalay?" We thank Mr. Ruggles for the pleasure.

The selection from "Il Trovatore" given by Mr. Lay and Mr. Garvie kept the audience so quiet that one could have heard a pin drop.

One of the delightful features of the entertainment was the song, "It's a Long Way to Tipperary," sung by Mr. Ruggles, of Carlisle.

Victor Herbert's "Serenade" was listened to with great pleasure. We are particularly interested in Mr. Herbert because of his Indian opera, "Natoma."

ATHLETICS.

Good Prospects for Baseball—Abundance of Material.

By JOHN B. MCGILLIS.

At the call for baseball candidates issued last Monday there were ninety men who signed up to try for positions on a team. It is desired to get as many boys as possible interested in athletics, therefore, those taking up track work or lacrosse the coming season will be eliminated from baseball. Besides the regular team, there will be organized a school league, composed of four teams and playing a regular schedule on the home field.

Albright's Fast Five Defeats Varsity.

Before the entire student body, employees, and a large number of town people, the Albright Collegians administered the first defeat of the season to the Varsity basketball team in the Gymnasium, on Wednesday evening, February 3, by a score of 31 to 29.

The game was fast and hotly contested from start to finish, as can be seen by the close score. The game started with both teams playing cautiously. Every one stuck to his man closely, and for the first five minutes not a point was scored by either side. The visitors scored first, after which both sides took turns in assuming the lead of short periods. Just before the half ended the collegians, by good passing and teamwork, got a lead with four points, which the Varsity was unable to overcome throughout the remainder of the game. The half ended with the score standing 13 to 9 in favor of the visitors.

In the beginning of the second half Albright started in a whirlwind fashion and increased the lead considerably. At this stage of the game it looked bad for the Varsity. However, our boys took a brace and by a

wonderful spurt gave an exhibition of good teamwork and goal shooting, in which department they lacked during the greater part of the game, and were only kept from winning by end of time.

For Albright, Zinn, Patschke, and Brillhart starred, while G. White, King, and C. White did the best work for the Varsity.

The line-up of the teams was as follows: Carlisle—Crane and G. White, forwards; C. White, centre; King and Condon, guards. Albright—Zinn and Piper (Brillhart) forwards; Patschke, centre; Walmer and Luts, (Harman) guards.

Goals—Patschke, 5; Zinn, 4; Brillhart, 3; G. White, 3; King, 3; Condon, 2; Piper, Crane, Fouls—C. White, 6; Zinn, 5; G. White, 3. Referee, Clevert. Time of halves, 20 minutes.

To-morrow night the most important game of the season will be played when the Varsity basketball team meets the University of Pennsylvania in Philadelphia. The team has improved considerably in passing, goal-shooting, and teamwork during the past week, and are going to Philadelphia with a determination to win.

THE CATHOLIC MEETING.

By Jane Gayton.

It was a pleasure to have with us again Father Gordon who came up from Washington, D. C. He substituted for Father Welch, who is still in the hospital at Philadelphia.

The meeting opened as usual, with a prayer, and after the singing of a hymn Father told us briefly of his visit to the Vatican and St. Peter's in Rome, which latter, is the largest cathedral in the world. He said one would have to see for himself the immensity of this church building to realize all that he told us about it.

There were seventeen girls who went to early Mass, received holy communion, and had their throats blessed, the occasion being St. Blaze's day.

Benediction followed and the meeting closed with a hymn.

ABOVE all things shun the use of liquor. "Stick" is the result of my success.—*Mr. Perrine.*

BOY SCOUTS NOTES.

By Red Fox James.

To be a real boy scout means the doing of some good turn every day with the proper motive; and if this be done, the boy has a right to be classed with the great Scouts that have been of so much service to their country. To accomplish this a Scout should observe the Scout law: 1. Trustworthy; 2. Loyal; 3. Helpful; 4. Friendly; 5. Courteous; 6. Kind; 7. Obedient; 8. Cheerful; 9. Thrifty; 10. Brave; 11. Clean; 12. Reverent.

This week is anniversary week of the Boy Scouts of America. Scouts and Scouts officials from all over the United States will attend the meetings at Washington, D. C.

Under the troop leadership of Benjamin Caswell, our boys have been preparing for several Scout activities among which will be a contest against Scouts of Carlisle to win the anniversary banner.

Lacey Oxendine and Jose Gonzalo were taken in as tenderfeet at the last meeting.

The Boy Scout plan: "Not military teaching, but loyalty, patriotism and chivalry, advocating universal peace."

Boy Scout motto: "Do a good turn daily."

There will be a new patrol organized consisting of Catholic Scout boys. Rev. Father Stock will be their spiritual advisor.

The lives of such noble women as Miss Dodge ought to inspire us to higher things.

Y. M. C. A. VAUDEVILLE A SUCCESS.

By JOHN B. MCGILLIS.

The vaudeville given in the Auditorium last Friday night, under the auspices of the Y. M. C. A., was a decided success. The six big acts which made up the entire performance was something out of the ordinary seen on the school stage for sometime. The Indian war dance, girls' double quartette, and the minstrel featured the evening's performance.

The unfavorable weather did not prevent a large number of town people from attending the show. The school attendance was large and filled the Auditorium to its capacity. From the very beginning of the performance and throughout until the final act the performers held the close attention of the audience.

The scenery, costumes, and all parts of the entire show were well taken, and a few of the actors were really stars. Another feature of the evening was music furnished by the Mahogany Orchestra. Between acts, candies and soft drinks were served among the audience. As a whole, the show was pronounced a huge success by all those who saw it, and considering the very short time it took to get it up was really a remarkable performance. The show was also a success in a financial way, netting \$100.15 for the Y. M. C. A.

The program was as follows:

NOTES OF THE SHOW.

The most interesting part of the show was the "Burney Minstrels."

The minstrel act was great. Query: How could Professor Burney sit so calmly while listening to the jokes of the end men?

The "Eight Merry Maids" contributed their share of pleasure to the audience. Lucy Charles sang very sweetly and Emerald Bottineau did some fine acting.

As a producer of Indian camp scenes, Mr. Charles Apekaum has few equals, as the sketch shown last Friday evening proved. Congratulations, "Chief Kill-'em-Quick."

The acrobatic feats excited much deserved applause. Evidently Benjamin Caswell, Peter White, Jose Gonzales, Charles Coons, and M. L. Clevett have done such stunts before.

Mr. Mertino Clevieto, as an interpreter of the Russian ballet, deserves honorable mention. But as an impromptu performer of the "light fantastic," he attained to a degree of artistic skill which accords him first place in the hearts of his numerous and devoted admirers.
